## Colonels Smoking Gun by X Mifs Doll

**Gunners Special Nite** is by National Reining Horse Association \$8 Million Sire Colonels Smoking Gun (Gunner) and out of Mifs Doll by Mifillena. Always a crowd favorite, he is one of the most decorated and recognizable horses in the reining world.

With over \$235,000 in earnings, this striking stallion has excelled in the most elite reining competition. He was the NRHA Futurity Open Reserve Champion and Intermediate Open Champion, and a top placer in multiple NRHA and NRBC Open Derbies.

But it was on the international stage that he became a true star! Tom McCutcheon and Gunners Special Nite dominated 2010 World Equestrian Games competition, taking both team and individual gold. Gunners Special Nite was chosen as the United States Equestrian Federation's 2010 Horse of the Year, and was the first western horse in history to receive that honor.

Now as a sire, he continues to be a standout. He was the only sire with two Top 10 Finalists in the 2015 NRHA Open L4 Futurity and the sire of the most 2015 NRHA Non Pro Level 4 Futurity Finalists! With only one full foal crop to show, offspring earnings are over \$290,000!
