

Shining Spark

Genuine Doc x Diamonds Sparkle

The NRCHA's second Million Dollar Sire, Shining Spark, reached milliondollar status in 2004. He made headlines when he won the AQHA Junior Reining World Championship in 1993 and the NRHA Open Derby Championship in 1994 but that was only the beginning. This high-caliber athlete, having marked a 230.5 to win his NRHA Derby title, has been known to sire extremely talented performers.

His offspring dominate both reining and reined cow horse competition, but they also take the spotlight in roping events. Shining Spark is the NRHA's youngest Two Million Dollar Sire and consistently ranks among the AQHA's Leading Sires of Performance Point Earners. Born and raised at Carol Rose Quarter Horses, Shining Spark was sired by Carol's great stallion Genuine Doc and out of the amazing mare, Diamonds Sparkle.
