

Wimpys Little Step

Nu Chex To Cash X Leolita Step by Forty Seven

Foal Date 04/27/1999 PALOMINO

NRHA Hall Of Fame & \$11.4 Million Dollar Sire

Wimpys Little Step has been a star from the first time he stepped into the show arena. The flashy palomino by Nu Chex To Cash out of Leolita Step by Forty Seven won the 2002 Congress Open Reining Futurity Championship, then went on to win the National Reining Horse Association Futurity Championship.

Not only would he go down in history as a performer, but he would also be a sire of record. His very first foal crop saw 6 NRHA Futurity Open L4 finalists, including the NRHA Futurity Champion. Wimpys Little Step is the only stallion to produce a horse to win NRHA Futurity, NRBC, and NRHA Derby back to back; Wimpys Little Chic, from his first foal crop! Wimpys Little Chic is the all-time NRHA #1 leading money earner.

He is also the only stallion to produce two money earners with over \$300,000 in earnings, Wimpys Little Chic and RC Fancy Step. Plus he's the only NRHA Open Futurity Champion winner to produce an NRHA Open Futurity Champion, and an NRHA Hall of Fame inductee. If he was perfection himself, in the show ring, he's set a new level of excellence in the breeding world as well with foals earning over \$8.6 Million.
