## 2015 ITALIAN REINING FUTURITY

### November 14-22, 2015

#### Pierluigi Chioldo Claims Italian Reining Horse Association Futurity Championship on Saturday Mizzen

The experiment was successful and the challenge has been met. The stands of the large, bright oval arena of the “new Futurity” in Cremona was sold out in and provided an ideal setting to the “reining show” the big Open Final. An impeccable sound system and a sound track chosen with feeling and intelligence, was supported by a flawless technical staff. And at the top of the podium for levels 4 and 3, a third-generation Italian trainer - 30-year-old Pierluigi Chioldo.

His partner in victory in this great adventure, the 2015 Open IRHA / NRHA Futurity, was the magnificent Saturday Mizzen, a gelding by Saturday night Custom and Westcoast Mizzen bred by Ambrosini QH in Pontoglio (Brescia). We could almost call this the “geldings’ Futurity”, as once again a gelding dominated the ranking, showing how this condition can really bring out the best from certain types of horse, helping to avoid unnecessary risks and conferring a special kind of serene energy that may be an advantage in the show pen.

Saturday Mizzen and Chioldo really upped the power between the first and second go-rounds to tie for the lead after the preliminary rounds with Pierluigi Fabbri, who was on top form this week, also winning the Italian Championship aboard Broadway Jaba, and here riding Gfc Surprise For Me and finishing their show as Futurity Open Reserve Champion Level 3 and in fourth place at level 4 tied with the beautiful Ann Fonck and Roosters Attitude.

Chioldo’s run was aggressive but characterized by a wealth of style and technique. The trainer from Piedmont entered second to last and had a formidable op-

ponent to beat: the great Bernard Fonck, who had marked a resounding 223, giving full expression to the power of Sevenchextocash (Big Chex to Cash x Lil Chic Peppy), another gelding belonging to 7 Heaven Reining Horses.”Pier” had to pull out all the stops: he and Saturday Mizzen astonished the crowd with a run that became progressively more impressive: two sets of elegant and precise spins, fast circles, where the charisma of this young horse emerged clearly, as well as flawless small, slow circles. The finishing touch to a great performance was the execution of the three thrilling stops, met with a standing ovation from the audience as the beautiful chestnut exited the arena, while the announcer’s voice announced the winning score of 224.5.

Saturday night Mizzen is the product of a mare, daughter of West Coast Whiz, that Pierluigi rode while trainer at Arcese QH. “I fell in love with this horse immediately, and he always been my favorite,” he says. “He might be rather lazy, but has a great character and one peculiarity, if you

work him on an empty stomach he gets very upset!” He adds “I think Mizzen’s added value is the style he shows in everything he does. I love the naturalness he expresses in every maneuver, always with his head down.”

Chioldo, 30 years old last June, started his career as a professional trainer while still very young as assistant to Stefano Massignan at Arcese Quarter Horses. In that period, he won the 2007 Limited Open Futurity riding Arc Olena Cee (Arc Matt Olena x Hickory Holly Cee). Subsequently he moved to become trainer at Claudio Rizzo’s facility, Roberta’s Stable, after spending some time in the US to hone his professional skills, and finally settled at the stables of Paolo Ambrosini, premium sponsor of this Futurity 2015, who declared, “It’s an incredible feeling when the Futurity is won by your own stallion’s first son!

Special thanks to all those who helped earn this success: my family, who share my passion, and all the staff, especially those who work behind the scenes to build the success of our breeding program. In addition, I want to congratulate the entire organization of the Futurity here in Cremona for creating a really special event.”

Bernard Fonck was confirmed as Reserve Champion Level 4 riding an impressive stallion bred by the current owners, 7 Heaven Reining Horses. Following the show Bernard wanted above all to emphasize the help received from his wife Ann. “All my thanks go to my wife Ann for helping me prepare for this run; I didn’t feel too good while getting ready, but she pushed and supported me, and I’m really grateful.”

Commenting on the final itself Bernard expressed his surprise on the score awarded for the circles, a sentiment surely shared by many in the audience given the roar of appreciation from the crowd as the pair completed the maneuver. “I don’t wish to dispute the judges’ decision and I’d like to emphasize that I’ve watched Chioldo’s run and I can say that the best man won, no doubt about it. But if my circles in the final deserved just + ½ I’d like to see what you have to do to get + 1 or + 1 ½?”

Bernard continues, “This horse came to me as a two-year-old and I started training him myself in December. I was more than happy with him at Cremona. Fonck is generous with his praise for the organization in Cremona. “The quality of the show here was at a whole different level; there was all you needed for the horses and it was great to give something back to the many sponsors we have in terms of contact and enjoyment – a 100% improvement.”

Leading after the preliminary go-rounds alongside Pierluigi Chioldo, was one of Romagna’s finest reiners, Pierluigi Fabbri on GFC Surprise For Me (Dualin For Me x Arc Surprise On Stage), owned by Piero Pollarini. The pair were the last competitors to enter the entered the show pen, and the crowd encouraged horse and rider to give their all. The judges awarded a final 219 that secured Fabbri the Reserve Champion Title level 3.”He always tries to do his best,” commented Pierluigi,”and he certainly did that here

in Cremona. Sometimes it’s a bit dangerous, because he risks pushing himself too far. Halfway through the final, the fatigue hit him and I could ask no more, but I’m delighted with the way he performed.”

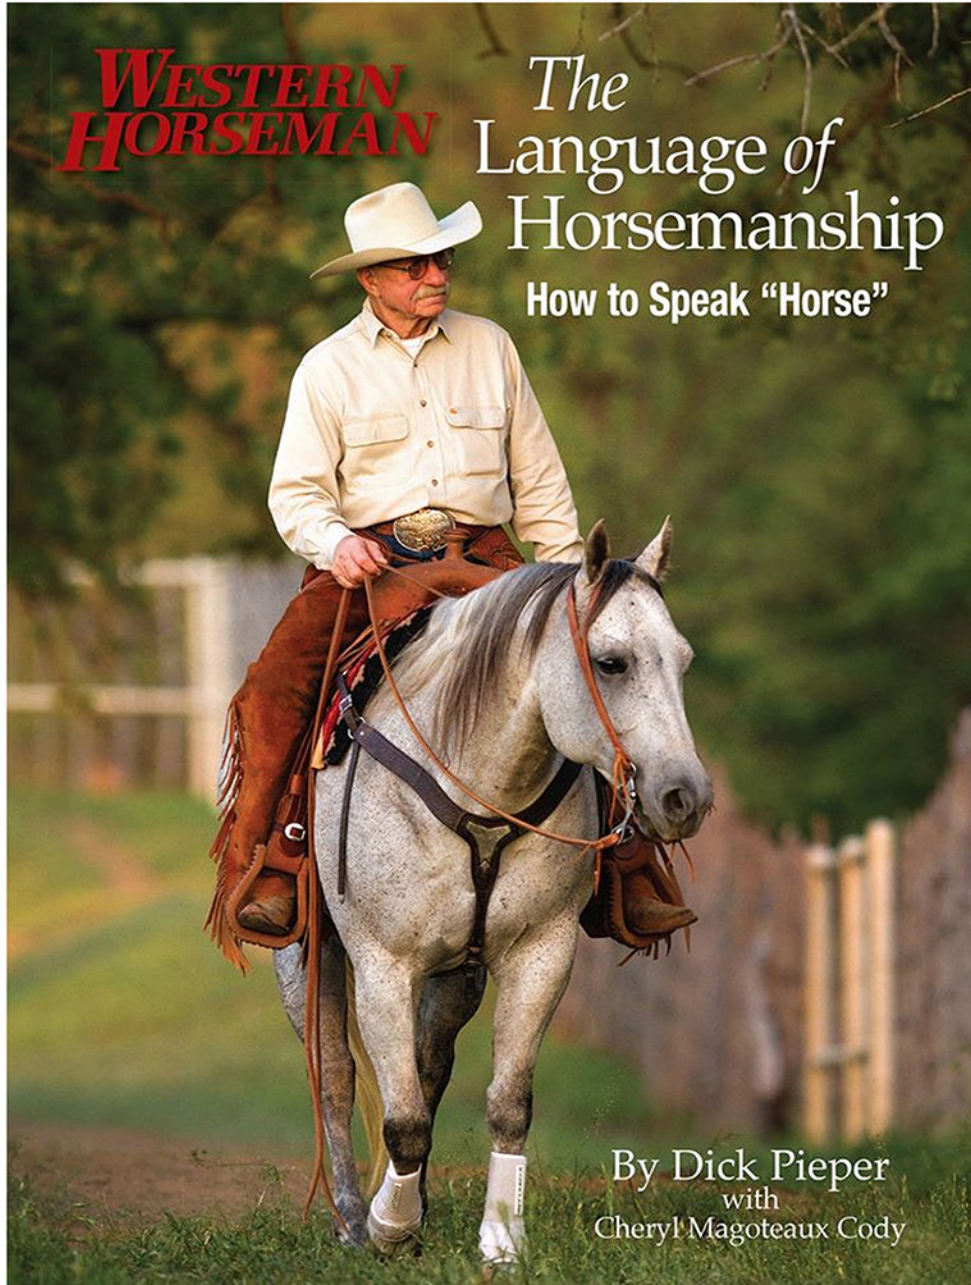

This is a stallion whose name is especially fitting, as he was in many ways a surprise as Pierluigi explains, “We bought this horse last year from Ambrosini; he’d already been marked as unsuitable for Open competitions so we were trying him for a Non Pro, but I got a great feeling straight away – he was a bit behind with his training but he’s very special because he’s a great worker.” “The show organization in Cremona was fantastic, the stabling, the surface of the arenas, all the facilities, up there with the very best European shows,” concluded Fabbri.

Dominating Level 2 were Stefano Angelucci and Jessie Sailor, belonging to the rider’s father, Severino. The good 3-year-old is a son born from the family’s stallion, Frozen Sailor, better known as Captain, and Jessie Oak Tari. In the go-rounds Stefano chose to ensure a calm and clean performance, marking a higher score in the second go but without pushing too much, just enough to get to a good composite 421.5 and ninth place in the provisional standings; enough to enter the final without exhausting the energies of his talented stallion too early. Stefano, who is generally quite reserved and not much of a talker, described his horse saying, “He tends to be a bit nervous around other horses, but that really is his only defect. He’s never given me any problems, even in training, except for a brief moment when he was slightly ‘blocked’; but then it passed about a month ago, and everything went smoothly.”

Stefano knew that Jessie Oak had great potential, but admits honestly that he did not think he was quite ready to take a place on the podium. This result, of course, makes him very happy. The title of Reserve Champion Futurity Open Level 2 goes to Mirko Midili and Rs Moon Feo Jac, already the undisputed go-round leaders. The stallion is a son of the many-time winner Rs Great Jac Feona out of Rs Red Moon Olena, by Spat Olena, and hence a product labeled Claudio Rizzo 100% given that both parents were bred by the great horseman from Piedmont. The combination, which in the preliminaries had marked 214 and 217.5, entered the arena as the 32nd pair and reached a score of 215.5 in the final (where they were competing in the three upper levels). “It was my third horse in the final,” said Mirko, who had already presented two other horses belonging to Rizzo, Rs Blue Link (Spat A Blue x RS Linkwood Jac) and RS Last Feona Spat (Spat Olena x Feona Pine), “and I had overdone it a bit on the circles with the first two, so by the end of the pattern both horses were too tired to give it their all on the stops. So, with Jac Feo I held back on the circles and pushed harder on the final stops. Unfortunately, I didn’t get the credits I was hoping for, but I’m very happy with the way he behaved; he was with me from start to finish.”

Midili has loved this stallion from the start of his training,

as he commented, “He’s always been my favorite: a great stopper, and a very sensitive horse that you have to treat with respect and moderation, avoiding any aggression. He’s cool and needs a bit of pushing, but he listens to you and never takes the initiative, which makes him ideal as a show horse.”

Coming to the 2015 Futurity 3 year-old Open Level 1: the Champion is a very excited Francesco Marchegiani, competing in his first big Futurity riding SQ Elgon Steady Cody, a young stallion that is son of Steadys Dude and Agility Lil Cody, owned by Patrizia Ferrari and bred at La Torretta. Francesco, who took over the horse when he was two, started and trained the colt entirely on his own. “Initially the idea was not to prepare him as a show horse, but I immediately I noticed qualities that made me think we could take him further. He was a natural stopper, and this combined with a great character. Although he’s a stallion he’s never given me any of the problems you might expect; he’s docile, and his training has progressed steadily. So, I suggested to his owners that we could go for it, and show him here in Cremona. “

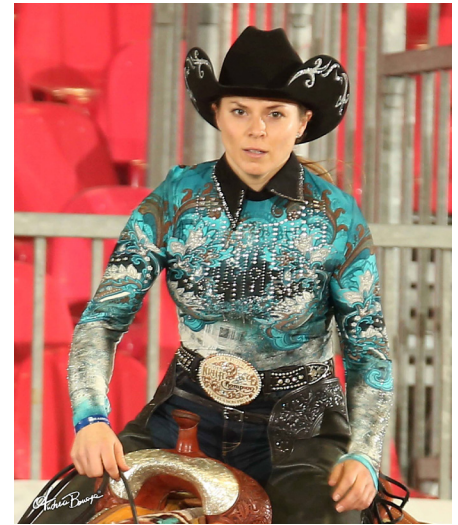

Francesco took no chances. Given that the stallion was a ‘Steady’, the trainer from the Marches, who also saw one of his younger pupils take the podium in the Italian Rookie / Youth here, attended a clinic with Beppe Prevosti, an Italian expert of this bloodline. Then, four months before the Futurity he brought the colt to Beppe’s stables where they could be followed more closely. In Cremona, Francesco had to deal with an annoying novelty, “During the Futurity week, we had some problems with the right circles, because the horse changed on the back leg without being asked. He had never done it before, and I still don’t understand the reason he does this. Unfortunately, in the final, just before the slow circles on the right rein, he did just that. But his spins and stops were good, so we were able to recover some points and finish with a decent score.” Marchegiani left the arena with a 209.5, a score that tied with that of another pair. However, a few runs later the score was adjusted to 210.

Francesco said, “When I heard there was a change, I thought they might be bringing my score down! What a nice surprise end up with half a point more!” Francesco, 38, has worked as a trainer since 2002, when he and his wife took over a centre in their home region, Il Villino. It was in 2002, thanks to Alfredo Ciabattoni, that he fell in love with this sport. Two years ago, he participated in a Futurity four-year-old for the first time but failed to enter the finals. On his second attempt in this special event, and this time with a three-year-old, he has instead earned the title.

Just half a point behind, and this year’s Open Futurity 3 year-old Reserve Champion Level 1 is Gaetano Cipriani riding his Moonlight Serenade, a stallion by Ima Redskin and Pie di Cuori belonging to one of the historic breeding stables for western riding in Italy that, however, had been missing from the top ranking in special events for some time: welcome back Schinaforte Ltd!

## Marina Becker rides MJ Heavens Nite to Win Non Pro Futurity

Twenty Non Pros were stretching their legs in the warm-up pen ready to tackle pattern 5. The Futurity line-up was dominated by Italians, with just four competitors from beyond the peninsular but one of these, German rider Marina Becker on her gelding MJ Heavens Nite, bred by Julia Scharf and son of Gunners Special Nite x Gallo Del Blanco, was at the head of the ranking after the go-round alongside Fabio Colantoni on Bf Feona In Whiz. In the Final, as she entered the show pen it was clear that she possessed a sparkle to match her outfit. Her run combined power and grace, to earn a final score of 216 and the victory at Level 4.

Marina Becker & MJ Heavens Nite

Marina bought “Gnu” as a yearling. “I liked him immediately for his looks but I was especially impressed by the ease with which he followed me as I led him for the first time. With a young horse you have certain expectations, but you never actually know what you’re going to get, which is part of the excitement, but this horse has just been easy all the way, he’s a real joy to ride. A sweetheart.”

Marina had a great start to the 2015 season winning the NRHA European Futurity Non Pro with another horse (Walla Whiz Chrome) before becoming Austrian Futurity Champion L4 Non Pro with MJ Heavens Nite. Just over a month ago, the combination won the SBH Non Pro Futurity Championship in Germany with a whopping 220.

For the young Austrian rider Anna Lise, it was undoubtedly a thrilling night. She slid to a smooth 212.5 on Gottalotta Cash, the pretty mare by Big Chex To Cash out of Gotta Lotta Grace (by Topsail Whiz) owned by mother Sabine Lise, who operates the increasingly successful KL Performance Horses together with partner Chuck Klipfel. The family bought the filly in Italy in November of last year from breeder Elisabetta Piccotto. «It’s especially satisfying to have trained and shown a young horse myself», commented Anne. “«This was the first time for me and it was a great experience to feel how she progressed each time I rode her, as well as being a learning experience for me. It’s totally different from taking the reins of an older horse, where your job is to maintain a level already attained”. The nineteen-year-old lost no time in showing just how successful the combination could be, taking top honors

at both levels 4 and 2 of the Pre-futurity at Manerbio in September. Her score on Friday night was strong enough to take her to the second slot at Level 4, as well as securing the Reserve Champion at levels 3, 2 and 1 – an enviable feat indeed, but perhaps touched with a slight disappointment, as she narrowly missed a Champion title.

“My only regret might be that I could have been more focused during the run, but having said that I was really pleased and I’m looking forward to bringing on more young horses in the future”.

Futurity Champion Non Pro at levels 3, 2 and 1 was the delightful young Italian reiner Matteo Capello who rode his RS Boomer Jac to a cool score of 213 with apparent ease and supreme confidence, pulling out some great stops to finish the pair’s run with panache, much to the delight the crowd. The gelding RS Boomer Jac, is son of Mc Jac Flash and A Baby Boomer and bred by the formidable Claudio Risso. Matteo turned fourteen in March of this year and is thus the youngest Futurity winner in the history of this Italian special event, breaking the record that has been held since 2007 by the Tuscan reiner Chiara Bartoletti, who was 15 when she won the Intermediate and Limited Non Pro classes of the IRHA/NRHA Futurity.

Matteo is no newcomer to the show pen; he progressed early from western pleasure: “When I first came across reining I knew that was the sport for me; I went home and

told my parents and the reaction was ‘What’s reining?’. My dad’s a motorbike enthusiast and mum knew very little about horses!”

Matteo continues with disarming modesty: “I was lucky enough to live 10 minutes away from Claudio Risso’s stables and have learned everything I know thanks to the staff there. Gianni Moretti especially helped me to mature in the saddle, as well as being almost a ‘second dad’ to me. Mirko Midilli, with whom I now train, has helped me to learn how to prepare a younger horse. I started riding Boomer in June after trying a number of horses but I chose him because he was already more secure in his maneuvers and quick to learn. I took him to a couple of regional shows before coming to the show here and we went quite well, but in the first go-round in Cremona he really surprised me, he was just so calm. Perhaps it helped that I was just pleased to be here competing in my first Futurity 3-year-old. I was relaxed in the go-rounds, and... even more relaxed in the final. I liked the arena here, it seemed somehow friendlier and perhaps less stressful for the younger horses, and it was great to hear the support from the crowd.”

Matteo has to fit his training around commitments at school, but he’s looking forward to a well-deserved rest after the excitement of the last few days – and mum and dad know a little bit more about the joys of reining.

## A GREAT NEW VENUE FOR A FANTASTIC SHOW

The magnificent new headquarters at the Cremona exhibition centre boasts an area of some 60,000 square meters and could easily accommodate the 600 horses from 12 nations (Austria, Belgium, Canada, France, Italy, Germany, Hungary, Israel, Holland, Poland, Switzerland and the USA) representing the best of reining in Europe and beyond. The presence of more than 160 vendors created the largest shopping area that a European Futurity has ever seen, while a staff of 70 people was at work 24/7 to make sure that this was a superlative Futurity.

The Futurity, this thrilling show that is both the culmination and highlight of the entire season, closed the year’s competitions and gave a foretaste of what is to come by presenting the best crop of young horses and tomorrow’s champions, and this year the 2015 edition returned to “where it all began”. In fact, the very first futurity, back in September 1985, was held in the Cremona Exhibition Centre, that was already a quality venue, well qualified to host the event.

31 years and 30 editions of Futurity later, everything has changed: from the name of the Association that sponsors the event, the Italian Reining Horse Association, to

a number of participants, and wealth of prizes not even remotely comparable to those of former times. There was a dramatic rise in the number of visitors, the richness of the ancillary events and the presence on the podium of horses bred in Europe ridden by reiners born and raised in Europe and who have honed their sporting prowess here. Indeed, Europe has become increasingly independent of America.

But over the years, as the sport attracted more money and shifted from being an enjoyable passion to hard business, the Futurity undeniably lost something: an atmosphere that was enthusiastic but joyous, passionate but also light-hearted and that united all those entering the show arena with those in the stands in a single community whose primary objective was to have fun. And this is the spirit the new 2015 Futurity strove to recapture.

We are all very excited as far as the new location for the IRHA Futurity is concerned,” says Roberto Cuoghi, IRHA President. “In 1985 the very first Italian Futurity was held here in Cremona so, in a way we are going back in time but, on the other hand, we are moving forward. Every detail has been taken care of so as to offer the best venue for our reiners to show in.” A spectacular oval arena completely

surrounded by grandstands along the "Oklahoma model" enhanced enjoyment of the competitors' performance thanks to a setting that allows riders to feel the warmth of support from the crowd. The warm-up pen is the same size as the show arena to allow participants to prepare adequately. A long walk between stabling and parking areas is a thing of the past, as both sectors are now located beside each other.

*The eyes of the LORD search the whole earth in order to strengthen those whose hearts are fully committed to him. 2 Chronicles 16:9*

We trust in God when we have nowhere else to go. We call upon Him when we exhausted all other possibilities. But, what are we when God leaves us to ourselves.... Gods eyes search the whole earth in order to strengthen those whose hearts are fully committed to Him; that's huge!! Gods eyes are upon you, He wants to strengthen you! So today, examine your heart and see if you are fully committed to Him, through faith, patience, obedience and love. Receive His strength, His blessings. He is searching the whole earth; for you!

## TO DEBUT IN 2016!

# NATIONAL REINING BREEDERS CLASSIC INTRODUCES \$10,000-ADDED DEVELOPMENT DIVISION

In mid-November the National Reining Breeders Classic announced the creation of a new Development Division for Open Horses that have not won \$2,000\* by March 31, 2016. According to President Tom McCutcheon, the new division of the Classic will provide a place for horses that have not yet reached their competitive peak.

“Putting the welfare of horses first was a prime incentive for creating this division,” noted NRBC Secretary-Treasurer, Cheryl Cody. Not every horse is ready to be competitive in the futurity year either because they progressed slowly or had to overcome an injury. You can’t train that type horse by the calendar so they can be passed by. This division provides a place for horses that are ready to begin realizing their potential as 4-year-olds without making them compete against horses that are further along.” She continued, “And there are other horses that are five or six that also haven’t

‘arrived’ for whatever reason. The Development Division gives them their own venue.”

Eligible 4, 5, and 6-year-old horses will compete in this \$10,000 added special NRBC division for no additional entry fee. They must not have won \$2,000 by March 31 in any reining competition – aged event or regular horse show classes. Additionally, \$500 per entry will be added to the Development Division purse.

This division will pay 5 places in 2016. Eligible horses must submit a Development Division Designation Form prior to the NRBC Open Draw to be entered in this division. Development Division Designation Forms will be available at [www.nrbc.com](http://www.nrbc.com).
