NEW MANAGEMENT FOR USA REINING

USA REINING HEADQUARTERS RELOCATED

In late March Rick Weaver announced that a new management team had been chosen for USA Reining, the national governance organization for the western horse sport of reining within the United States Equestrian Federation structure of equestrian competition.

According to Weaver, President of USA Reining, the governing committee voted to retain Pro Management, Inc. of Byars, Oklahoma to take over the USA Reining reins, effective April 1. He said, "The USA Reining Board is looking forward to advancing the sport of reining with Pro Management."

Cheryl Magoteaux Cody, owner of Pro Management, Inc. is equally excited about the new relationship. She said, "We've been involved in the reining world in one way or another for nearly three decades and have a passion for the industry. In fact we produced the first USEF Reining Championship in Lexington, Kentucky back in 2005. I personally am eager to be a part of taking USA Reining to a new level."

Weaver added, "The professionalism, knowledge, and passion Cheryl and her company bring to the table will allow USA Reining to pursue its vision to promote the sport of reining together with the United States Equestrian Federation."

Pro Management has a rich history of accomplishment in the reining world. It manages the National Reining Breeders Classic, the Tulsa Reining Classic and the Southwest Reining Horse Association and Futurity. Additionally the company has spearheaded projects for the National Reining Horse Association, the American Quarter Horse Association and the United States Equestrian Team and has a current and former client list of top entities in the western performance horse world. Known for its innovative approach and emphasis on customer service, it has long set the reining industry standard in show management as well as media and publicity work.

Weaver concluded, "USA Reining will be hosted in Pro Management's offices in Byars, Oklahoma. The new phone number is 580-759-2400 and new website is www.usareining.us." He added, "We ask for everyone's patience in this transition phase as we convert to the new management but the website and phone number are operational and the office will be manned 8-4:30pm CST Monday through Friday."

Gary Carpenter, National Reining Horse Association Commissioner, expressed his support for the change and said

"This gives us a great opportunity to improve our preparation headed into the World Equestrian Games in 2018."

Pete Kyle, AQHA Chief Show Officer and chairman of the USEF Reining Committee, said,

"USA Reining is fortunate to have Pro Management come on board as it is a very seasoned management group that excels in efficiency, dedication and prompt service. They will be able to enhance the growth of USA Reining."

USA Reining embodies youth, amateur and para riders, as well as open competitors. A key priority is to educate and provide a pipeline for reiners to progress through the various levels on their way to the FEI international level of competition. USA Reining represents its members as the fully compliant USEF-recognized affiliate for reining, advocating fair sport and horse welfare as key values of the organization.

NEW LOCATION ANNOUNCED FOR 2016 NRHA EUROPEAN DERBY & PRE-FUTURITY

Germany will be the new location for the next National Reining Horse Association (NRHA) European Derby and Pre-Futurity, scheduled for September 5 – 11, 2016.

The National Reining Horse Association announced a new location for the 2016 European Derby and Pre-Futurity offering more than €124,000-added money. The sixth edition of this prestigious event will take place at the Messezentrum Fairgrounds in Augsburg, Germany, the venue where the renowned ‘Americana’ is hosted every two years.

The NRHA event will be held September 5-11, 2016 in conjunction with the European Reining Cow Horse Association Futurity and Nations Cup, which is approved by the National Reined Cow Horse Association (NRCHA).

“We are so grateful for the support of the Italian reining horse community and the wonderful foundation they laid for this event,” offers Gary Carpenter, NRHA Commissioner. “Now we enter an exceptional new chapter at a more central location. The huge benefit here is that every other year we can showcase our sport in front of crowds the size of which we have only dreamed, and thereby promote reining to so many more people.”

A bonus to this location change comes with a connection to the ‘Americana’ event (to be held next in 2017), for

this promises to bring even more recognition to the sport of reining in Europe in the future. Held since 1986 – and thanks to the collaboration of the AFAG Team, organizers of the shows and exhibitions held in Augsburg, and the Ready Steady Show Management Team – ‘Americana’ has become the biggest show dedicated to western riding in Europe. Last year alone, the event attracted close to 55,000 visitors and more than 280 vendors, as well as media attention worldwide.

“We are very excited and honored to be able to collaborate with the National Reining Horse Association in the production of this great show in 2016,” state Sandra Quade and Joachim Bochmann, Ready Steady Show managers. “We are certain that it will be a great success and that this will be a boost for the sport of reining in Europe, particularly considering that, in 2017, plans include that the European Derby & Pre-Futurity be held during the Americana where, on finals night alone, over 5,000 spectators pay their way to cheer their favorite reiners!”

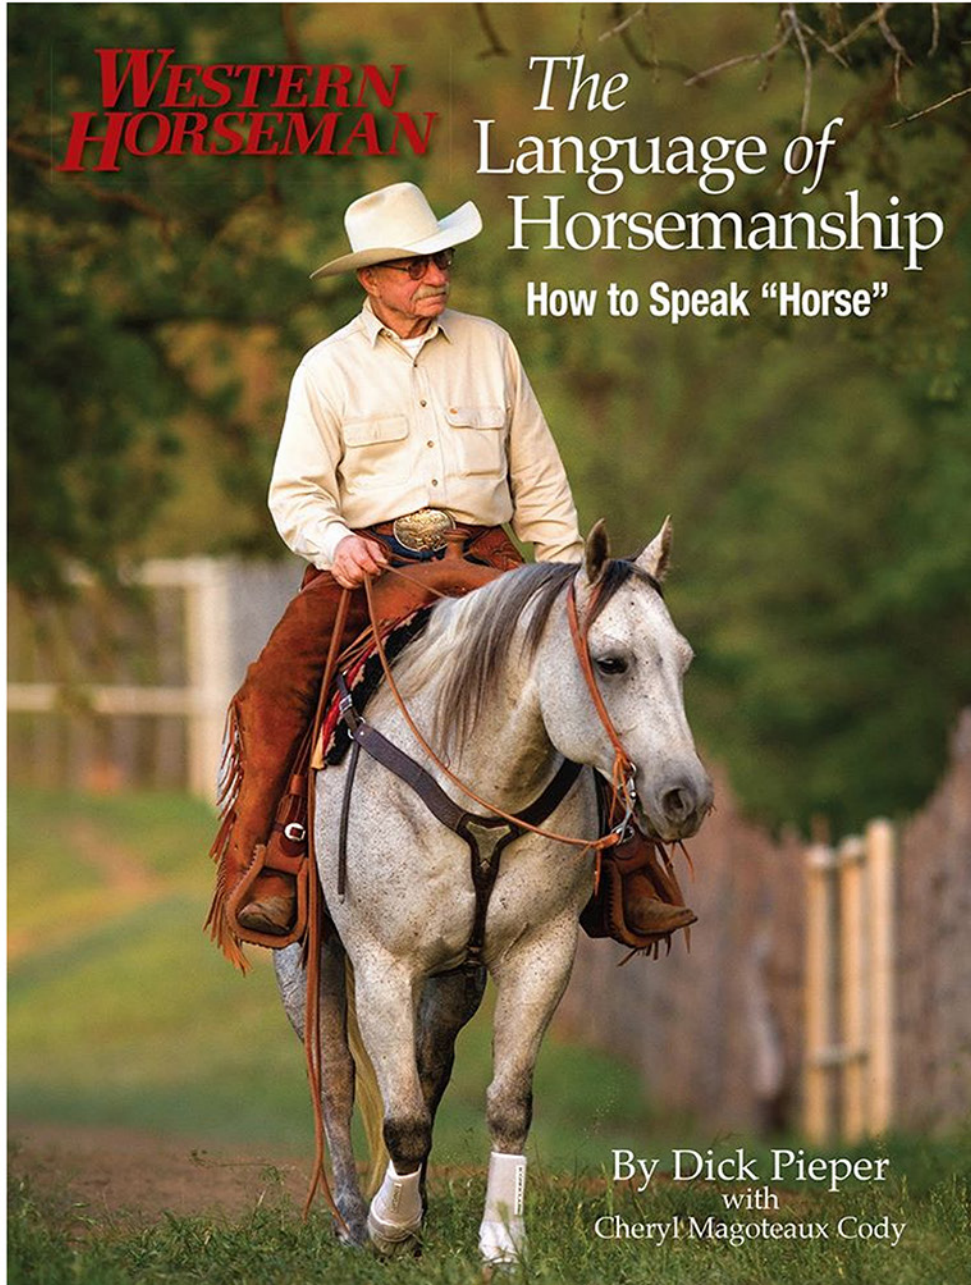

Reflections with Ruben van Dorp

But those who trust in the LORD will find new strength. They will soar high on wings like eagles. They will run and not grow weary. They will walk and not faint. Isaiah 40:31

How nice would it be to soar high on wings like eagles. Where do you find this new strength when life throws you a curveball and all hope seems lost. I don’t have wings... The wings Isaiah is talking about here is your faith. Your faith can pick you up, your faith can make you face and overcome the impossible. When your circumstances say impossible, faith will tell you that with God all things are possible. When you are done for and giving up, faith will give you strength and courage to go on. These are the wings that will pick you up and allow you to soar high above whatever circumstances. Thank you Jesus for faith!

Ruben van Dorp grew up in The Netherlands and began training horses over 22 years ago. His equine experience in many different breeds and disciplines led to nine European championships. After relocating to the United States in 2002, he started Vandorp Inc., DBA Vandorp Reining Horses. With his success in the United States, Ruben’s current lifetime National Reining Horse Association earnings are over \$625,000. In 2003, Ruben married the love of his life, Melissa. They currently reside in Cross Roads, Texas with their beautiful children, Skylar and Peyton. Ruben and his family are very involved in their church, COC Metro, where he and his wife began and lead the PowerPack Ministry. This program currently feeds over 275 elementary school kids per month who are in need of food on the weekends. Ruben has a passion to share the knowledge of Jesus’ saving grace and see lives changed. He was inspired by a friend to write and share a daily devotional via text messaging which he has continued daily for the past two years. If you would like to be added to the text message list, text him at 214-243-0447.

KICK-STARTING THE WEEK OF FESTIVITIES AT NRBC

THOMAS MOORE FEED WELCOME PARTY

The National Reining Breeders Classic Thomas Moore Feed Welcome Party will be held following the completion of the second section of the Non Pro Classic preliminary round on Tuesday, April 19. The party will take place in the Texas Children's Hospital Arena Club at the Great Southwest Equestrian Center and is co-sponsored by Steve and Rita Reed-Harris, who provide the delicious barbecue dinner.

Matt Moore, owner of Thomas Moore Feed was enthusiastic about returning to the NRBC. "We have sponsored the event for the past few years and the reining community has welcomed us with open arms. We are proud that so many reining horse trainers and breeders – like Tom McCutcheon, Casey Hinton, Cedar Ridge Breeding, Jordan Larson, Martin Larcombe many others – trust their horses' feeding program to Thomas Moore Feed."

Territory Manager Reed Kyle will be on hand at the Thomas Moore booth during the show. "As a representative of Thomas Moore Feed and also as a rider of reining horses I know what a fun and important event the NRBC is. I look forward to seeing everyone at the Welcome Party and hope people will stop by the booth during the event to learn more about the three new Moore Natural products, Omega Glo, Growth and High Fat."

Besides sponsoring the Welcome Party, Thomas Moore Feed awards \$25.00 gift certificates to class champions; \$20.00 gift certificates to reserve winners and \$15.00 gift certificates for third place winners – all redeemable at participating dealers. Plus, all first place winners receive a 50 lb bag of the new Moore Natural Omega Glo supplement at the event.

For over 150 years, the Moore family has been farming both hay and grain in the naturally nutrient-rich Brazos River bottom and they deliver a new and unique forage-based nutrition technology to the Texas performance and pleasure horse markets. Rather than utilizing milling by-products for the fiber component in feed, the company has invested in and delivered a locally grown, tightly managed, high-quality forage ingredient.

Safe Forage Technology is designed to deliver high-quality digestible fiber, which is the needed substrate for proper hindgut function, resulting in greater conversion of the overall daily diet into natural, safe, and efficient energy for horses of all classes.
