# SILVER SPURS SADDLES BECOMES THE NEW OFFICIAL SADDLE OF THE NRHA

The NRHA announced in January that Silver Spurs Saddles as the Official Saddle of NRHA.

In July 2014, Silver Spurs created its own line of saddles exclusively distributed through Scottsdale Western World, a Silver Spurs Company run by David Solum. Their purpose is to provide the finest saddles available in reining, working cow horse, cutting, ranch riding, western pleasure and trail. Silver Spurs Saddles teamed up with AM Saddles owned by world-renowned saddle designer Andreas Maschke.

In addition to producing the best quality saddle and saddle design, the superior craftsmen sought out to design a saddle that could be made to order within 8 weeks; completely manufactured 100% in the United States without using any outside vendors; warranty on their product; and to design the same saddle hitting four separate price points so that every equine enthusiast can afford to buy the best saddle for their needs.

In November 2014, Silver Spurs unveiled its series of four different saddles: The Rio Verde Series (their most economically priced series), the Scottsdale Performance Series, the already famous AM Superior and finally the top of the line Pinnacle Series. The purchaser of a Silver Spurs

Saddle by AM is assured that regardless of the saddle series selected, that buyer is getting the same tree and quality of craftsmanship.

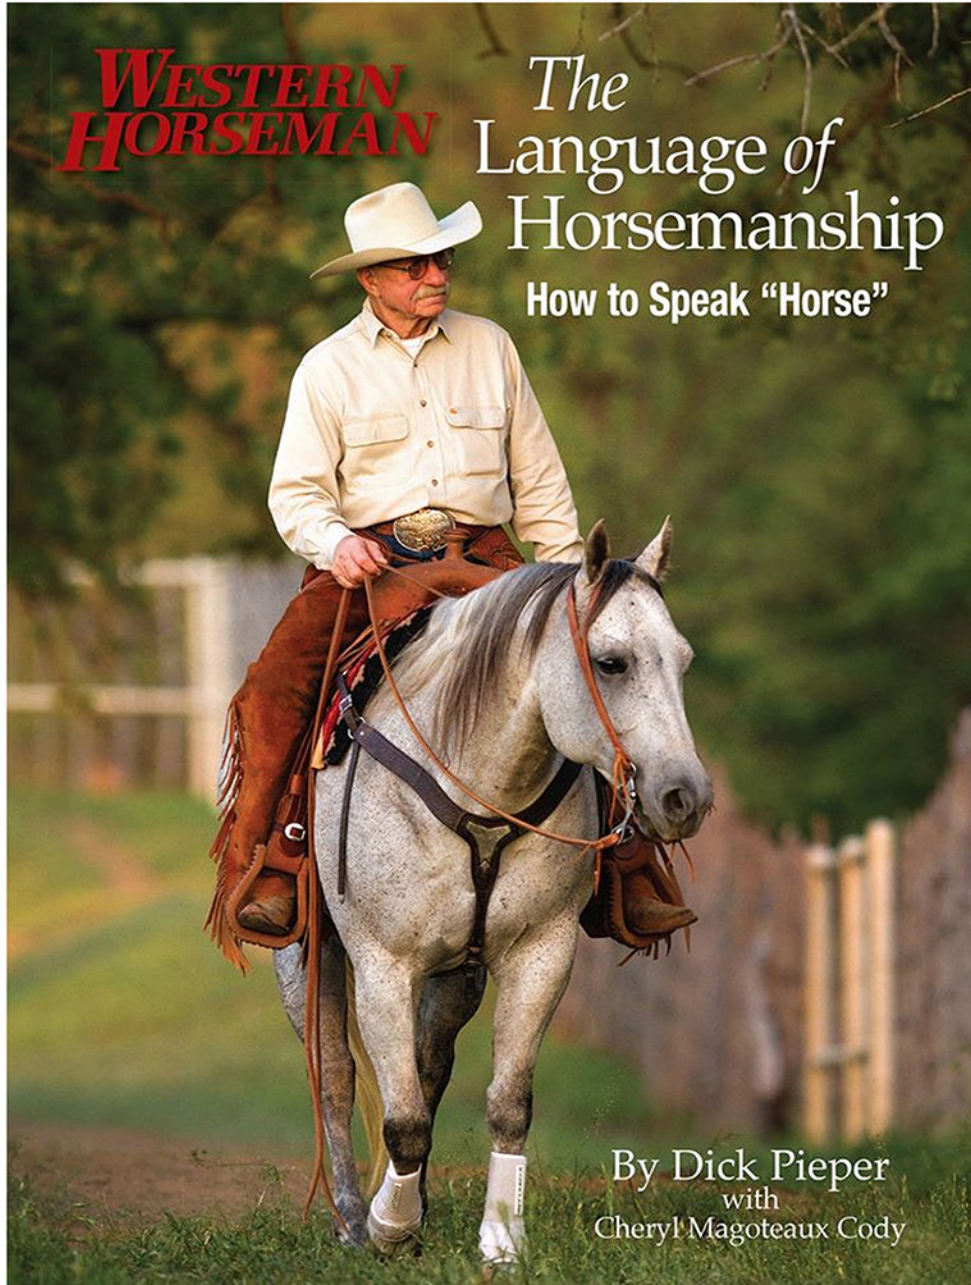

The only differences between each series are the options for seat leather and seat design, the type and quality of the conchos, the tooling and the amount of custom-designed silver on the saddle.

Within a few short months of the saddles appearance, they are now endorsed and ridden in by some of the highest-ranking professionals in the NRHA including Shawn Florida, Andrea Fappani, Casey Deary, Todd Sommers and Jason Vanlandingham.

Silver Spurs Saddles by AM are sold and distributed exclusively through Scottsdale Western World, and is co-owned by Silver Spurs Equine, David Solum and Andy Maschke. Visit their website [ScottsdaleWesternWorld.com](http://ScottsdaleWesternWorld.com) to learn more about NRHA's newest Corporate Partner.

# SMART LIKE JUICE BECOMES \$3 MILLION SIRE - IT'S A TRIPLE MILLION FOR JOSE VAZQUEZ!

The National Reining Horse Association recognizes and honors Million Dollar Earners in the Sire, Rider, and Owner categories and there is only ONE family/entity who has achieved the much sought after honor in all three categories. Smart Like Juice, Jose Vazquez and Smart Like Juice Inc. comprise the family of overachievers.

Smart Like Juice • Photo by John Brasseaux

In January Smart Like Juice ascended to Three Million Dollar Sire status. The 1994 son of Smart Little Lena out of Jessies Oak by Docs Oak was bred by NCHA icon Lindy Burch, Weatherford, Texas. It was good fortune for the sport of Reining when “Juice” was purchased by Justin Zimmerman in 1997 and pointed in the direction of the reining pen. He was shown in the 1997 NRHA Futurity by NRHA Lifetime Achievement Award winner Ken Eppers, finishing seventh.

When ownership passed to Vazquez/Smart Like Juice Inc. the late Ed Fear took the reins and competed very successfully on the new acquisition. Vazquez also put earnings on the stallion who then went on to the breeding shed having earned \$56,096 in NRHA Lifetime Earnings, which at the time was a significant amount!

With offspring earnings of more than \$3,179,295, it's quite evident that he is a prolific sire; passing on his athletic genes and presence in the show pen as well as a disposition that endears his progeny to non pro riders around the world. His offspring have earned World Championships, major event championships, Gold Medals, Adequan® North American Affiliate Championships and the list goes on. Smart Like Juice's highest money-earners include Juiced Up Doc (LTE \$183,494), Moonshine Juice (\$122,365), Wound By Juice (LTE \$112,368), Moonshine N Juice (LTE \$95,144) and SLJ Sweet N Juicy (LTE \$88,821). Wind Her Up Shiner by Shining Spark is the dam of Moonshine Juice, Wound By Juice and Moonshine N Juice. One would have to deem Smart Like Juice and Wind Her Up Shiner a “Magic Cross.” It seems that all involved with Juice have been touched by a bit of “Magic.”

Smart Like Juice will spend the 2016 breeding season at Hannagan Farm in Gifford, Illinois.

## BRUMLEY MANAGEMENT GROUP IS GOING GLOBAL!

Horse Show Global, 2016 live stream provider for two dozen top North American Reining and Cutting shows, proudly announces a brand new affiliation with Brumley Management Group, LLC. The network's spokesman said that the merger would be effective as of January 1st.

"Horse Show Global is a young company that has grown by leaps and bounds in the reining and cutting industries over the last few years," the spokesman noted. "We look forward to having Brumley Management Group as our parent company and are very excited about all of the innovations and plans already in the works."

Brumley Management Group has used [www.HorseShowGlobal.com](http://www.HorseShowGlobal.com) for several of its major shows and now the "Global" will be handling the Cactus Classic in Scottsdale,

the new Wild Card Challenge in Las Vegas, the Reining By The Bay Show in Woodside, California and the High Roller Classic in Las

Vegas. Both of the Las Vegas shows are booked into the South Point Hotel, Casino and Equestrian Center, a favorite destination for reining competitors.

Amanda Brumley, show manager, thinks that the acquisition of Horse Show Global will elevate these very popular shows to yet another level. "Our personal goal is to grow the sport of reining at every single level," Amanda explains excitedly. "This year at the HRRC we had major events

They must not have won \$2,000 by March 31 in any reining competition – aged event or regular horse show classes. Additionally, \$500 per entry will be added to the Development Division purse.**

**This division will pay 5 places in 2016. Eligible horses must submit a Development Division Designation Form prior to the NRBC Open Draw to be entered in this division.**

every day throughout the ten-day show.

With the addition of our own broadcasting company we will be able to truly spotlight events with interviews, commentators, seminars and complete coverage. The additional 20 to 25 shows live streamed by Horse Show Global throughout the year will provide extraordinary exposure for our sponsors and a platform capable of reaching thousands and thousands of horse lovers and competitors around the world. It will allow us to promote ourselves and our sup-

porters like no one has ever done before.”

Working with Horse Show Global and Classic Video at last September’s Las Vegas High Roller show, Brumley innovated horse show coverage with special, on-the-gate exit interviews broadcast on the Jumbotron throughout the biggest Futurity and Derby classes. The project was very popular and successful and probably helped inspire the recent merger of Horse Show Global with Brumley Management Group.

## LIKE A DIAMOND BECOMES NRHA MILLION DOLLAR SIRE

There are some who would say that Like A Diamond isn’t the real deal. He’s never earned a penny in the National Reining Horse Association (NRHA) show pen or represented his country in International Reining competition, but a look at his pedigree belies those facts when it comes to his progeny and their potential to excel in the sport. By NRHA Million Dollar Sire Grays Starlight and out of Diamonds Jewel Wood, Like A Diamond first came to Reining prominence in 2001 as the sire of NRHA Open Futurity Champion RR Star with a young Andrea Fappani at the reins. RR Star made history as the first Paint Horse to win the NRHA Futurity and to make things more exciting he did it following a run-off. He then went on to top the 2003 NRHA Derby with Tim McQuay riding.

Foaled in 1992, the American Paint Horse Association (APHA) sorrel overo stallion Like A Diamond achieved success in the cutting pen at APHA and National Cutting Horse Association (NCHA) competitions. His lifetime earnings total \$9,579. In NCHA competition he was a Finalist in the NCHA Open Super Stakes. In APHA he was the 1996 APHA World Champion Junior Cutting Horse and earned 23 APHA cutting points and a Register Of Merit in cutting. Owned by Sue Hearst, Like A Diamond stands at Oswood Stallion Station, Weatherford, Texas.

In the breeding shed, Like A Diamond has transferred his athletic ability in the cutting pen to the excitement and success in the Reining arena of his offspring. In addition to RR Star (LTE \$222,751), RU Missin Diamonds (LTE \$144,487), Gunnin For Diamonds (\$66,203), Premier Diamond (\$65,638), Like A Smart Diamond (\$39,140) are some of the colorful Paint’s most successful reining progeny. His offspring have cumulatively won in excess of \$1,004,186.

NRHA is pleased to congratulate this outstanding sire of reining horses – Like A Diamond, NRHA’s newest Million Dollar Sire!

# ONE YEAR OLDER AND WISER: 2016 WILD CARD REINING CHALLENGE 4-YEAR-OLD FUTURITY

A limited-age event designed to provide the gift of time to young reining horses will debut in May in Las Vegas, Nevada. The Wild Card Reining Challenge, scheduled over the long Memorial Day weekend, May 25 – 29, is a new futurity devoted to 4-year-old reining horses that need more time to mature.

“The Wild Card Reining Challenge is a huge step outside the box for the U.S. reining industry, focusing on a new train of thought -- the 4-year-old reining futurity horse,” said Amanda Brumley, whose Scottsdale, Arizona company, Brumley Management Group, LLC will produce the show. “Everything about this new event challenges people to open their minds to new ideas and learn where our industry is now and where it needs to be for a positive outcome going forward. This opportunity benefits all levels of the reining horse industry from the stallion and mare owner of the offspring being shown to the trainers and current owners,” adds Brumley. “Stallion and mare owners want their equine offspring to have every chance at earning money to increase production earnings. Trainers want to keep good horses in training, and owners want to see their horses succeed in the show pen. It’s a win-win!”

“The primary purpose of the event is to preserve the mental and physical health of young reining horses,” said Pamela Schroeck, co-administrator of an 1800-member Facebook group that supports tweaking the futurity concept originally designed for 3-year-olds.

“It offers an opportunity for 4-year-olds to earn significant checks without having to compete at traditional futurities for which they are not ready, or at derbies against horses that already have extensive show experience,” said Schroeck, a Non-Pro Reiner from Poolville, Texas.

Purse for the 4-Year-Old Futurity has \$65,000 in added money. In addition, participation does not require nominations or enrollments. Horses must have an NRHA Competition License to compete and pre-entries are due April 22, 2016.

“I think that it’s great that we are really going to have a place to showcase our 4-year-olds,” said trainer Andrea Fappani, NRHA money-earner of more than \$4 million. “Not every horse will peak in his 3-year-old year, and this

event will give us the flexibility to show our reiners when they are truly ready to compete at a high level,” he said of the new futurity.

Horses entered in the Wild Card Reining Challenge cannot have competed in any reining futurities (Category 2 Aged

Event) as a 3 year old, or in any reining class with a purse of more than \$1,000 added.

“The event will offer an additional opportunity for owners to justify their substantial investments in reining prospects and it has the potential to expand the market for aged-event reining horses in general,” Schroeck said.

The futurity will be the highlight of show events that also will include ancillary reining classes, pre-futurities for Arabian and Half-Arabian horses, and a World Para Reining Challenge for riders with physical handicaps and discharged military with post-traumatic stress disorder. Free educational seminars will focus on such topics as judging, shoeing, sports medicine, training, breeding and nutrition, conducted by such experts as trainers Bob Avila, Andrea Fappani and NRHA Judges’ Committee Chairman Jody Brainard.

“I encourage everyone with the same passion I have for reining to attend this event with or without horses,” said Brumley, whose management group also produces the prestigious annual High Roller Reining Classic in Las Vegas, the Cactus Reining Classic in Scottsdale, and the Reining By the Bay show in Woodside, California.

A package of sponsorship benefits for the Wild Card Reining Challenge includes naming rights, vendor space, advertising, participation in ceremonies and more. For additional information, contact Brumley Management at 602-677-3774 or Schroeck at 817-319-3785 or e-mail [brumleymanagementgroup@gmail.com](mailto:brumleymanagementgroup@gmail.com).

## Reflections with Ruben van Dorp

Therefore, if anyone is in Christ, the new creation has come: The old has gone, the new is here! 2 Corinthians 5:17

A new creation in Christ, abiding in Christ, and Him in you. His love, His power, forgiveness, grace and mercy in you and flowing through you. In this world, in the flesh, you will still be tempted and encounter lying, cheating, hate, injustice and many other sins... Thanks to Jesus you are a new creation. You will still encounter sin, you will still sin, but it won't feel right to you. It goes against who and whose you are. It will happen less and when it does, it will bother you more than it used to. Thank you Jesus, for getting rid of the old me and loving, empowering and guiding the new me every day.

Ruben van Dorp grew up in The Netherlands and began training horses over 22 years ago. His equine experience in many different breeds and disciplines led to nine European championships. After relocating to the United States in 2002, he started Vandorp Inc., DBA Vandorp Reining Horses. With his success in the United States, Ruben's current lifetime National Reining Horse Association earnings are over \$625,000. In 2003, Ruben married the love of his life, Melissa. They currently reside in Cross Roads, Texas with their beautiful children, Skylar and Peyton. Ruben and his family are very involved in their church, COC Metro, where he and his wife began and lead the PowerPack Ministry. This program currently feeds over 275 elementary school kids per month who are in need of food on the weekends. Ruben has a passion to share the knowledge of Jesus' saving grace and see lives changed. He was inspired by a friend to write and share a daily devotional via text messaging which he has continued daily for the past two years. If you would like to be added to the text message list, text him at 214-243-0447.

# \$20,000-ADDED RAM INVITATIONAL FREESTYLE REINING AT THE NATIONAL WESTERN STOCK SHOW

Beautiful spins and powerful stops mingled with original costumes and musical themes make up the \$20,000 RAM Invitational Freestyle Reining, one of National Western Stock Show's crowd favorites. Reining was developed from the moves a cow horse is asked to perform during regular ranch duties. Competitive patterns include spins, stops, rollbacks, speed variations, and directional changes.

However, unlike standard reining classes which require competitors to perform a specified pattern, freestyle reining allows exhibitors to use costumes, music, themes, props and special effects lighting to add to their presentation.

The National Western Stock Show invites the nation's top

reiners, making the \$20,000 RAM Invitational Freestyle Reining unique to any horse show in the world. Even if this is your first horse show, you're sure to love reining's elegance and athleticism.

For more information on Reining, please visit [nrha.com](http://nrha.com)
