FEI JUNIOR AND YOUNG RIDER WORLD AND EUROPEAN REINING CHAMPIONSHIPS

The 2017 FEI European Reining Championships for Seniors and the inaugural FEI World Reining Championships for Juniors and Young Riders brought together 116 horses to CS Ranch in Givrins, Switzerland!

“The CS Ranch Summer of Reining combined the next generation of reining superstars with Europe’s very best reiners, and while they may be divided in their age and experience, they are very much united in their quest for excellence and their commitment and dedication to nurturing the very best partnership in order to perform a smooth yet energetic and skillful routine,” said the Fédération Equestre Internationale President Ingmar De Vos, in summarizing the CS “Summer of Reining”.

Riders representing 14 National Federations made their way to the event, including Belgium, Czech Republic, Finland, France, Germany, Great Britain, Hungary, Italy, Netherlands, Slovakia, Spain, Switzerland and USA. Concluding the show was the very first-ever Swiss registered Para-reining.

CS Ranch owner, Corinna Schumacher and her team made sure every detail was taken care of, thanks to the dedicated hard work of show manager, Eric Obrecht and his crew. A beautiful addition to the awards was the gold, silver and bronze reining trophies – a first for the reining world!

Germany won Team Gold with a score of 655 from Gina Schumacher on Gotta Nifty Gun, Maria Theresia Till on Arc Captain, Johannes Heil on Whizzer Lil Gump BB, and Jakob Behringer on Rascal Sensation.

Italy won silver with a score of 648.5 from Dino Lulli on Sun Dreamin Star, Enrico Sciulli on Snips Gotta Bud, Nico Sicuro on Iam Sailors Brother and Andrea Costa on Quota-crome.

The Platinum Performance U.S. Young Rider Team of Gabriella Kammerer, Dani Latimer, Cade McCutcheon, and Jack Medows had strong performances to finish fourth in their team championship. Six U.S. combinations moved on to the individual championship and gained valuable experience on the international stage.

In the young rider team championship, Latimer (Marietta, Okla.) and Fancy Sailor Oak led off for the Platinum Performance U.S. Young Rider Team against five other teams. In her first competition with Angelucci Quarter Horses' 2006 Quarter Horse gelding, 16-year-old Latimer rode well to score 209.5. Sixteen-year-old Kammerer (Mt. Sterling, Ky.) was up next with her own Gunners Star and put forth a good effort with the 2009 Paint gelding, earning a score of 211.5. Seventeen-year-old McCutcheon (Aubrey, Texas) wowed the judges with his run on Tim and Colleen McQuay's Yellow Jersey. He and the 2004 Quarter Horse stallion laid down a solid performance for a score of 216.5. Unfortunately, 20-year-old Medows (Cuba, Mo.) and Wimpys Show Stopper, his own 2006 Quarter Horse gelding, went off pattern, resulting in a score of zero. However, the team's scores were high enough to finish in a respectable fourth place with a score of 637.5.

"Our young riders were primed and ready but were plagued by more than their share of bad luck. Dani, Gabriella, Cade, and Jack's preparation and execution were outstanding, but things didn't come together as we hoped," Jeff Petska explained. "Sometimes we learn more about ourselves in defeat than in victory. I leave inspired by the horsemanship, class, and maturity of this group of junior and young riders. The future of reining is in very capable hands! It was an honor to be here with the fine people that make up the USEF family."

GUNNERS SPECIAL NITE BECOMES MILLION DOLLAR SIRE!

Unofficially Gunners Special Nite crossed the National Reining Horse Association Million Dollar Sire mark in early August!

Gunners Special Nite is by National Reining Horse Association \$8 Million Sire Colonels Smoking Gun (Gunner) and out of Mifs Doll by Mifillena. Always a crowd favorite, he is one of the most decorated and recognizable horses in the reining world. With more than \$235,000 in earnings, he has excelled in the most elite reining competition. He was the NRHA Futurity Open Reserve Champion and Intermediate Open Champion, and a top placer in multiple NRHA and NRBC Open Derbies.

But it was on the international stage that he became an even brighter star! Tom McCutcheon and Gunners Special Nite dominated 2010 World Equestrian Games competition, taking both team and individual gold. Gunners Special Nite was then chosen as the United States Equestrian Federation's 2010 Horse of the Year – the first western horse in history to receive that honor.

Now as a sire, he continues to be a standout, reaching this new milestone, after only have 3 foal crops of performance age. For Tom McCutcheon, Gunners Special night has always been a special horse.

“He’s been such a big part of my life – winning the Gold

Medal was a huge milestone in my career.”

According to Tom, he’s always had confidence in the horse’s ability and mind. ‘He could ‘one’ every maneuver and I was always confident that he would be a breeder. It’s great to have that validated by him hitting the million dollar mark.”

Owner Sarah Willeman was equally excited about the huge milestone. She said, “Thanks so much to Tom and Mandy and the team – and to everyone who’s bred to our stallion and raised and shown his offspring. It’s such a thrill to own this incredible horse and see his exciting offspring make their mark in reining. Looking forward to the future!”

The pivotal earnings that pushed him over the top came from Frances Mercier riding Starry Special Nite for owner Erin McFarland, winning over \$3,400 at the Aug. 2 – 6, 2017 Mid Atlantic Reining Classic & Virginia Reining Horse Association Summer Slide. Entered in the Open Derby, they tied for 4th in the Level 4, finished 3rd in the level 3, and were Reserve Champions in the level 2 and 1.

REINING AUSTRALIA 2017 GOLD BUCKLE FUTURITY AND NATIONAL CHAMPIONSHIPS

The Reining Australia 2017 Gold Buckle Futurity and National Championships will be held Sept. 19 – 23 at the Australian Equine and Livestock Events Centre at Tamworth in New South Wales. A webcast of the full show program will be available from Sept. 20 – 23 at australianequinenetwork.com.au.

There will be full live commentary for the Gold Buckle Futurity starting at 5:00 pm on Friday, Sept. 22 and also for the Reining Australia National Derby from 3:00 pm on Saturday, Sept. 23. The venue has a world class 40 m x 80 m indoor arena with extensive high quality stabling and camping facilities. Tamworth is a prosperous regional city of 40,000 residents and is centrally located to the majority of our competitors.

Many will travel for two days or more to get to the show. Judging will start on Tuesday with entry-level Green Rider Level 1 and Level 2 classes. The Green Rider program was inspired by NRHA's Green Reiner initiative and is designed to introduce riders to reining competition. There were 25 nominations in these classes in 2013 followed by a steady rise every year to 60 nominations in 2016. Organizers anticipate great support for this event in 2017 and have set aside the entire Tuesday show schedule to accommodate it. This is the only opportunity for a Green Rider to run for a national title and buckle and some competitors will travel up to 1,000 km to Tamworth for just this one class.

The 2017 Continental Affiliate Championships proper start on Wednesday morning with the Novice Horse Open and Non Pro, Level 1 and Level 2 classes, run concurrently. This is another big event in the show. There were 75 runs

in 2016 and more are expected this year. Reining Australia schedules at least one feature event every day of the show. The feature event on Wednesday is a Snaffle Bit Futurity, added to the National show program this year by popular demand. The inaugural class will have just two divisions,

Instant Quotes • Vetted Drivers • Premium Service

Equo! Simply the easiest way to get around!

www.ridewiththequo.com

Open and Non Pro, with a plan to expand the options for competitors in future years. Thursday begins early with the Rookie Level 1 and Level 2.

After the judge deals with this big event, there will be a late lunch break before the Freestyle commences at around 2:00 pm. After the Freestyle, Thursday's feature classes, the Open and Non Pro, will run concurrently. Competitors in the Continental Affiliate Championship Non Pro are also entered in the Michelle Halliwell Memorial Non Pro class. Michelle was a great Non Pro competitor and a much-loved member of the Australian reining family. In addition to the prize money and NRHA buckle, the Non Pro champion receives a unique silver buckle sponsored by Michelle's friends and family in her memory. The winner's name is added to the Michelle Halliwell Memorial Trophy. It is a great honor for a Non Pro to join this elite group.

Friday's program opens with the Intermediate Open, Intermediate Non Pro and Rookie Professional classes, run concurrently. Next is the stand-alone Prime Time Non Pro class, always hotly contested at the National show. The Short Stirrup and Youth events complete the day program

on Friday. The feature competition on Friday evening is the 2017 Gold Buckle Open Futurity. This is the premier event for Australia's young horses. Excellent scores in the various regional futurities throughout the year indicate that the 2017 Gold Buckle Futurity will be a tough competition with outstanding performances.

A total of nearly \$40,000 in prize money is up for grabs, not to mention the prestige that goes to the winning horse, its owner, its trainer and its breeder. Saturday is the last day of the National show. The program starts with the concurrent Limited Non Pro and Limited Open classes then steps it up a notch with the 2017 Reining Australia Non Pro Futurity. The Non Pros will run their young horses for buckles, prizes and nearly \$10,000 in total prize money across Limited, Intermediate and Open divisions. The Welcome Ceremony follows while the dust is settling and we are gathering our strength for the high-octane finale, the 2017 Reining Australia National Derby. Don't miss this event. Nearly three hours of speed, spins and stops will showcase the best 4-, 5- and 6-year-old horses and their Open and Non Pro riders as they compete for the National title and a total of nearly \$20,000 in prize money across three divisions each.

2017 REINING BY THE BAY BRINGS TOGETHER SAND, SURF AND SEA

Provided by Brumley Management Group

The excitement of Reining by the Bay draws competitors away from scorching temperatures throughout the Country. The San Francisco Peninsula's coastal fog and ocean breezes are welcomed by all. "Uniqueness" is the adjective most used to describe this premier event. The Bay Area's attractions are incredible. The Horse Park is about 30 minutes south of San Francisco and just 30 minutes to the west is the quaint coast-side town of Half Moon Bay. The Horse Park itself is located next to Stanford University and the Silicon Valley and all of its offerings.

With so many fantastic sites close by the Horse Park,

many attendees take time to visit San Francisco, view the Golden Gate Bridge and enjoy fantastic seafood dishes at renowned restaurants. One trip to Reining by the Bay cannot cover all that the San Francisco Peninsula has to offer.

NRHA Professional Martin Meuhlstaetter from Scottsdale, Arizona states, "If this was an AQHA show with no money or prizes we would still attend."

In its 18th year as the California Reining Community's all-time favorite show, Reining by the Bay offers world class competition as well as a beautiful setting for spectators.

TULSA REINING CLASSIC

Annually, Reining by the Bay pays out in excess of \$250,000 in cash and prizes ensuring its residence on the Top Ten of the National Reining Horse Association Annual Leading World Wide Events List.

The Lucas Oil Open Derby is one highlight of the event. The Bay Arena is 150' wide by 300' long. The footing is meticulously prepared and groomed to provide the most optimal footing for tough competition. The surface provides competitors' need to achieve the high scores witnessed by the excited crowd. This year a new record for the event was achieved.

NRHA 4 Million Dollar Professional Andrea Fappani took a clean sweep of the Lucas Oil Level 4 Open Derby winning 1st, 2nd, and 3rd on his three mounts.

The palomino mare Wimpys Little Tag (Whiz N Tag Chex x Wimpys Little Chic) showed off her exceptional talent those bloodlines gave her by marking a 227.5 for owner Freddie Brasfield from Tennessee and a paycheck of \$12,929. Thebettertohearuwith (Spooks Gotta Whiz x Chex Out The Cowgirl) owned and raised by Bill Coburn took the Reserve Championship with a score of 226.5 and a paycheck of \$8,888.69, followed by Rancho Oso Rio's entry Spooks Show Time marking 223.50 and received a paycheck of \$7,676.59. Total Fappani winnings for his Trifecta sweep \$29,494.28!

"Reining by the Bay is always a great show for our team, but this year was even better" states Fappani. "All three of my Derby horses showed great and gave me everything I asked them to."

Ricky Nicolazzi, another rider from the Fappani team, aboard Dunnits Special Nite (Gunnars Special Nite x Dun It For Chex) tied for Reserve in the Level 3 Open Derby and Champion in the Level 2 Open Derby winning \$5,683.60 for owners Rancho Oso Rio. Tom Foran riding Walla Walla Starbuck for Sleipner, LLC was the rider who tied with Nicolazzi.

"Reining by the Bay has always been one of our favorite shows since its inception," comments Foran. "The arena is huge with great ground so you can really showcase a horse. You have to really put a run together as the competition doesn't get much tougher. My Derby horse (Walla Walla Starbuck) has shown great all year. He felt honest everywhere. He is one of the nicest horses I've ever had the pleasure to train and show."

The Protect The Harvest Non Pro Derby also boasted some impressive runs. Kim Muehlstaetter from Scottsdale, Arizona took home the Level 4 Championship aboard her home grown mare Tinselchex (Hollywoodstinseltown x Nu

Tuf Lil Chex) with a score of 219.5 and winning a paycheck of \$5,899.43. Meuhlstaetter is no newcomer to the winner's circle at Reining by the Bay. She has had multiple championships in the Derby and Futurity divisions. Kim duplicated her success this year by taking the Level 4 Non Pro Futurity Championship aboard Spooks Grand Slam (Spooks Gotta Whiz x Shiney Diamond Lady) besting her Derby score by one point marking a stellar 220.5.

"Reining by the Bay is a great venue to prepare a 3 year old," comments Meuhlstaetter. "I like to show my Futurity horse in a big pen for the first outing, giving them more time to relax between maneuvers. The show pen at Reining by the Bay provides the perfect atmosphere. I was thrilled with how well he (Spooks Grand Slam) showed for me here."

The Meuhlstaetter name hit the top of the Level 4 Open Futurity Championship as well as. Kim's husband Martin rode Spookneedsacocktail (Wimpynedsacocktail x Snap Crackle Spook) to a score of 219.5 to take the win for owner Tami Schiltz. The Meuhlstaetter winnings did not stop there. Martin tied with Gabe Hutchins entry Xtra Wimpy Voodoo (Shiners Voodoo Dr x Wimpys New Pal) owned by Tamarack Ranch, for Reserve in the Level 4 Open Futurity aboard Bullets Whizzen By (Spooks Gotta Whiz x Docs Lil Bullet) and owner Michael Garnett, both marking a 217.5. This year was Hutchins first time attending the event.

"Reining by the Bay is one of the best shows I have ever attended," stated Hutchins. "The arena and atmosphere make an experience you will never forget. With the experience that Brumley Management has running horse shows, it's one you have to attend!"

Tom Foran was also in the money on his Futurity entry Gunna Sail Away (Gunnatrashya x Sailing Spark) which the pair marked a 216.50 to win the Level 2 and 3 Open Futurity. "This year I was fortunate to get to show a 3 year old by Gunnatrashya, (Gunna Sail Away). Austin Roush started him and did a great job. He just keeps getting better and better," remarks Foran.

The SmartPak Non Pro Maturity is a fantastic opportunity for horses 7 years of age and older to shine. This year was no exception. Keri Blackledge and her horse Gettinaway Whiz It (Topsail Whiz x Getaway Lark) swept away with the Level 2, 3 and 4 division Championships. Robyn Schiller and her horse Plenty Of Guns (Dun It Gotta Gun x Plenty Of Rest) were Reserve champions in the Level 2, 3, and 4 and Champions in the Level 1.

Schiller had high praise for her ten year old gelding. "He (Plenty Of Guns) is super consistent and fun to circle," comments Schiller. "He knows his job, so all we do is keep him fit. We had the best run ever in the first slate of the Non Pro

classes and taking the Non Pro High Point Championship. Overall a fantastic show for us!”

Morris Kulmer is no newcomer to the winners circle and his gelding Dreamy Little Sailor (Magnum Chic Dream x Enjoy A Lena) has been right there with him. Dreamy’s NRHA life-time earnings exceed \$119,376.00, a remarkable accomplishment for this little gelding with a big heart. Morris and Dreamy took the Championship in the Smart-Pak Prime Time and Masters Non Pro Maturity. This is the second to last show for Dreamy. The fifteen year old gelding will be retired after the 2018 AQHA Select World Show.

The coveted Bob’s Custom Saddles High Point Trophy Saddles are always an event favorite. This year four saddles were awarded in the Ancillary divisions; Prime Time Non Pro, sponsored by Cow Dog Saddles, Limited Non Pro, sponsored by Bob’s Custom Saddles, Rookie Level 2, sponsored by Rhodes River Ranch and DRHA Rookie, sponsored by Rancho Oso Rio. It took two consistent runs to claim these victories and the winners were beside themselves with delight. Ashley Jackson and Smart Like Steady (Steady Tradition x Bar S Docs Gay Bar) a 2005 gelding won the Limited Non Pro High Point Championship, marked a 73 in slate one. Laura Johnson and her 2010 model Vintage Sparks (A Sparkling Vintage x Chic Hickory Doc) kept it consistent and won the Prime Time High Point. Revolutionic (Einsteins Revolution x Nics Whiz) with rider Megan Lynch won both the Rookie Level 1 and 2 High Point Championships and took home the Level 2 High Point Bob’s Custom Trophy Saddle. Newcomer to the winners circle Paige Pastorino and Taylor Made Magnum (Magnum Chic Dream x Beaus Liberty Belle) swept her competition winning both slates of the DRHA Rookie and taking home her first trophy saddle as DRHA High Point Champion. Paige’s mother Dana was excited to say the least. “We had an amazing show. Paige accomplished her goal of winning her first saddle, and my three year old Mister Nicashine was Reserve in the Level 2 Open Futurity with our trainer Ollie Galligan.

“It’s such a fun and well managed show with great footing. We are really looking forward to next year,” states Pastorino. “I’d like to thank Galligan Performance Horses for getting us here.”

An avid fan and participant at Reining by the Bay, actor William Shatner had an impressive ride in the first slate of the Non Pro divisions marking a 71 aboard KR Electrified (Jacs Electric Spark x Faded Lac) winning the Masters division, tying for third in the Intermediate Non Pro and Prime Time Non Pro, and tying fourth in the Limited Non Pro.

When asked what he thought of the show Shatner’s response was “One of the greatest shows in the country! I will be showing here every year as long as I am still breathing.”

When asked what is in store for Reining by the Bay next year, co-producer Amanda Brumley had some exciting news. “After the event this year we had a meeting of the Board of Directors. We discussed the challenges of this event for exhibitors; primarily it is more costly to attend due to its location. The San Francisco Bay Area is not an inexpensive place to stay. Even though we do our best to negotiate discounted hotel rates, we cannot compete with locations that are not on the world’s most popular places to visit list. Keeping that in mind, we have made the decision to up the ante a bit by offering a \$100,000 Level 4 Open Derby and a \$30,000 Added Level 4 Open Futurity in addition to what is already being offered,” Brumley noted. “Also we have been researching other options for accommodations and found AirBNB.com to be extremely useful and economical, so we will be recommending this option to attendees next year.”

“2018 will be nineteen years since the Reining by the Bay’s conception and we want to encourage everyone to attend who has not had the opportunity to enjoy this amazing event,” notes Brumley. “You just have to experience it. Once you do, you’re hooked for good!”

Brumley Management Group, LLC produces annually four not-to-be-missed shows in premier locations. In addition to the Reining by the Bay in Woodside, California each July, Brumley Management Group also produces their March event Cactus Reining Classic Scottsdale, Arizona, the Wild Card Challenge, Las Vegas, Nevada in May and the world famous High Roller Reining Classic, Las Vegas, Nevada in September. 2017 NRHA EXECUTIVE COMMITTEE AND BOARD ELECTIONS

The National Reining Horse Association (NRHA) Executive Committee and Board of Directors are responsible for managing the business of the Association and for representing the best interests of its members and the Association as a whole. Each year, NRHA opens nominations and hosts elections for these important leadership positions.

The final deadline to nominate candidates passed on Aug. 2, so a complete slate of candidates now can be presented to the membership for consideration. Votes in this year's election (Oct. 1 – Nov. 1) will determine the names of:

Two members to serve on the Executive Committee as a Director-At-Large

One member per region to serve as a North American Regional Director (On a rotational basis, approximately half of the regions have this opportunity each year)

Eligible voting members will receive voting information via email prior to October

DIRECTOR-AT-LARGE CANDIDATES (TWO SEATS)

To begin staggered terms as described in the NRHA By-laws, the Board has approved that the candidate receiving the largest number of votes will have a two-year term. The candidate receiving the second largest number of votes will have a one-year term. Terms begin Jan. 1, 2018.

Four members were nominated by the NRHA Nominating / Governance Committee: Shane Brown, George King, Brian Welman and Joe Wolfe. An additional candidate, Tom McCutcheon, was nominated via the write-in process. Therefore, a total of five candidates are campaigning for member votes.

NORTH AMERICAN DIRECTOR CANDIDATES (ONE PER REGION) Directors will serve two-year terms beginning Jan. 1, 2018. North American Director elections will be held for the Northeast region featuring Kelly Hedges and Heather Powell. Only one candidate was nominated for the other four regions.

Therefore, no elections will be held these regions and these candidates will be elected by acclamation: East Central – Brett Walters, North Central – Larry Handley, Northwest – Jeanine Kern and South Central – Ann Salmon Anderman.

A View from the Judges Chair with Craig Schmersal

CRAIG SCHMERSAL JOINS TULSA REINING CLASSIC CLINICIAN LINE-UP

The Global Reining Sport Group announced in early August that NRHA \$3 Million Rider Craig Schmersal will be joining the line-up of clinicians at the Tulsa Reining Classic, scheduled for Aug. 28 – Sept. 3.

Craig, who also currently serves on the National Reining Horse Association's Judging Committee, feels strongly about the need for educating exhibitors and helping them learn the ins and out of the judging system so he is a great choice to teach this year's "View from The Judge's Chair" set for Friday, September 1 at 3 pm.

Craig said, "I'm excited to help our exhibitors understand what the judges are looking for and help explain the maneuver evaluations."

Colleen McQuay, President of Global Reining Sport Group, which produces the Tulsa Reining Classic, has known Schmersal for years and admires his contribution to

the reining world. "Craig is a long-time leader in the reining industry and we are fortunate to have him as part of our teaching team here at the Tulsa Reining Classic. I know the McQuay Stables group will be attending the session! "

Craig specializes in training, showing and selling Futurity and Derby horses. He's trained and shown multiple Futurity & Derby winners, nine world reining champions, and every one has had its own unique style. He prepares every horse as an individual and finds a way to maximize its strengths and minimize its weaknesses.

The seminar will be held at the Ford Truck Arena Exhibit Hall.

Participation in the Tulsa Reining Classic clinics, which are in their seventh consecutive year and are sponsored by the Global Reining Sport Group, is free.

From joint health to hoof health and beyond, supplements work best when they're fed consistently. After all, your horse's joints are under stress every day, even when they're not working hard. AutoShip is the smart subscription service that puts your supplements on auto-pilot, saving you time and stress while helping you take great care of the horses you love. "Now we're excited to expand the program to customers who put buckets and bags on AutoShip because they're also taking great care of their horses by ensuring their horse never runs out of his or her supplements."

SmartPak understands that commitment can be scary, so

You can change your supplements, payment details, and delivery information as often as you'd like. And you don't just have to take SmartPak's word for it – horse owners like you are raving about it, too:

"I highly recommend SmartPak for anyone looking for supplements. Great prices and shipping options. AutoShip also ensures my horse is on an uninterrupted feed schedule!" – Emily C. from West Branch, MI

AQHA TERMINATES INCENTIVE FUND PROGRAM

Published by AQHA

As a means to conclude the program, the American Quarter Horse Association Incentive Fund will not accept foal nominations past 2018 and, effective immediately, will no longer accept stallion nominations.

“The AQHA Incentive Fund was a landmark program for the equine industry, having paid out more than \$80 million in its lifetime,” said AQHA Chief Show Officer Pete Kyle. “The fund was so successful that it became a model for many others. However, multiple factors in the past decade contributed to the Incentive Fund’s decline.”

Ultimately, a lack of participation led the AQHA Executive Committee, at its July 2017 meeting, to approve the incentive program’s termination. The conclusion of the program will allow time and resources to move to the research and development of new potential incentive programs for competitors and breeders.

With no new stallion nominations coming in, the Incentive Fund should conclude in a few years.

“For owners and nominators wondering when the last payout will be made, we are looking closely at the financial reports for the Incentive Fund and will make a decision about that very soon,” said AQHA Treasurer and Chief Operating Officer Trent Taylor. “Preliminary examination indicates it will likely pay through the 2020 show season.”

Depending on the breeding and foaling year, stallion and foal nominators can apply for a nomination refund as follows:

Stallion nominators for 2017 breeding season – option

of refund or nominator may opt to remain in the Incentive Fund as it winds down

2017 foal nominators – option of refund if the nominator is still the recorded owner of the foal or the nominator may opt to remain in the Incentive Fund as it winds down

Nomination payments for stallions or foals made prior to 2017 are non-refundable; as such payments have already been allocated/distributed for payout years

Refunds must be applied for by September 30, 2017.

As stated above, 2018 foals may be nominated but only if the sire was nominated for the 2017 breeding season and such stallion nominator does not request a refund.

“To anyone who has ever nominated a foal or stallion, owned or shown an Incentive Fund horse, thank you for supporting the program,” Kyle said. “It was your support that made this the greatest incentive fund program in the equine industry.”

For questions regarding the Incentive Fund and its termination, read the AQHA Incentive Fund Q&A and Incentive Fund timeline.

To request a refund, contact Brianna Charles at 806-378-4535 or bcharles@aqha.org.
