TOM MCCUTCHEON VIRTUAL HORSE HELP AND WORLDWIDE SLIDE

They Were GREAT Separately

Together they are Your Complete Source for News & Learning

Tom McCutcheon and Cheryl Magoteaux Cody announced February 1 that they have merged their two media companies - Virtual Horse Help and WorldWide Slide.

“We expect a very successful future for these combined entities,” noted Cody. “Separately they were both extremely effective media entities but together they impact an incredibly broad cross-section of the reining world.”

McCutcheon agreed, “We are very excited about the growth potential with this partnership.” He continued, “Mandy and I have worked with Cheryl on several successful ventures in the last twenty years and we are all looking forward to taking this to the next level.”

Established in 2010, Virtual Horse Help is one of the leading event coverage and industry news organizations in the reining and equestrian community. Viewers from over 40 countries have online access to reining industry events, competitions, highlights, results, athlete interviews and insights from today’s leading reining professionals. It garners

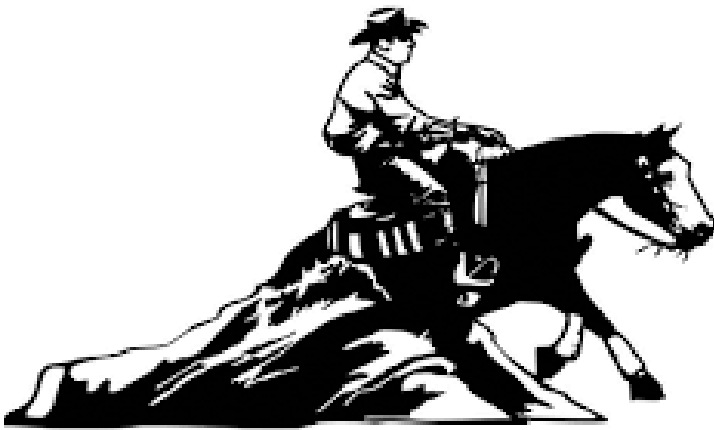

more than 25,000 monthly website views, 25,000 plus Facebook fans, and a monthly online organic reach of more than 345,000 hits per month.

Pro Management, for decades the leading public relations and management company for the reining industry, began WorldWide Slide in 2014. Sent every other Wednesday, it carries all the news of the reining industry FREE to more than 24,000 email addresses throughout the world. Pro M has worked with the giants in the equine industry and owner Cheryl Cody is an award-winning author and photographer as well as runs the National Reining Breeders Classic, Tulsa Reining Classic, and Southwest Reining Horse Association plus serves on the Board of Directors of USA Reining.

Now the two entities have teamed up to become the most effective media entity in the reining horse world. Each carries news from the reining world and together keep reiners updated on current events through direct Eblasts, social media, online learning and news videos and more. For advertisers they create a targeted and effective route to the reining audience.

Equestrians everywhere have FREE access to all of the interactive features of Tom McCutcheon's Virtual Horse Help and to WorldWide Slide by becoming a member at <http://www.virtualhorsehelp.com/> or at <http://www.worldwideslide.com/>.

Headquarters for both entities will now be in Pro Management offices in Byars, Oklahoma.

REINER PREDICTIONS: WHO WILL WIN THE SUPER BOWL?

Reiners can agree on many things – but maybe not the Super Bowl! There is definite diversity in top reiners' picks and preferences on who will win Super Bowl 51.

Whether your choice is New England or Atlanta to be the winner – you'll find someone to agree with here.

Tom and Mandy McCutcheon were a unified household. Mandy noted, "Patriots – gotta support my crew at Smart-Pak!"

In the Fappani family, there is diversity. It's Matt Ryan all the way for Andrea Fappani and Julio Jones for Tish – so they are Falcons this year!!! Tish noted, "Luca is with us but Jeremy always has to be different so he will be rooting for the Patriots!"

Sarah Locker said, "While I am not a huge NFL fan, my pick for the Super Bowl is the Atlanta Falcons! Going to school in Georgia created a little bit of loyalty from me to

their pro-teams. I will however also be cheering for a couple of former UGA football players that play for the Pats. " Like most, Sarah has a favorite "go-to" food for Super Bowl Sunday. "As far as what I will be making to eat... Buffalo chicken dip and corn dip. Those are my go-to party foods!"

Joe Schmidt noted, "I am for New England!"

Dr. Bill Rhoads said, "Atlanta – looks like it is going to be hard to stop their offense. I read somewhere that Tom Brady has more super bowl experience than the entire Falcons team. It is time for some new kids to get a ring!"

Shannon Rafacz said, "I'm afraid the Patriots will win but I'm rooting for Atlanta!"

Casey Hinton agreed on that point. "I think Patriots will win, they have the experience it will be close as Falcons have lots of speed on defense."

INAUGURAL NRHA EUROPEAN SUMMIT IS HELD

The first National Reining Horse Association (NRHA) European Summit was held in Brussels, Belgium, on January 16-17. Thirty-two representatives, from thirteen European countries (Austria, Belgium, Finland, France, Germany, Great Britain, Hungary, Italy, Poland, Spain, Sweden, Switzerland and The Netherlands), met in the capital of the European Union and, once it was time to adjourn, unity was the key word.

The summit brought together NRHA European Affiliate Council members, NRHA professionals, NRHA judges, non professional riders, owners, breeders, event sponsors and show organizers. Welcoming those taking part in this historical meeting was NRHA Vice President, Mike Hancock, along with NRHA Senior Director of Events, Shianne Megel, NRHA Manager of Competition and Education, Samantha Oldfield, and NRHA Senior Director of Publications, Simona Diale.

A long-term program for reining in Europe was the intent and thanks to the expertise and input of those present, it was possible to look at the sport in Europe from all angles with four main goals: uniting the European reining affiliates, better communication at all levels, growth and promotion of the sport with a focus on youth activities, and the restructuring of the NRHA European Affiliate Council according to the NRHA Governance structure.

“I believe the outcome of the summit was very positive,” said Mike Hancock at the conclusion of the meeting. “An important number of projects are in the works, thanks to the enthusiasm and will to work of all those present. I am certain that the outcome will further promote our sport in Europe thanks to the foundation laid during this historical occasion.”

A special meeting of the NRHA European Affiliate Council was convened. The agenda consisted of discussions regarding the Council structure and the European Federation of Reining Horse Associations (EFRHA). At the conclusion of the meeting a new structure had been approved with a task force appointed to oversee the details of the transition, and a vote to not support any further work concerning EFRHA.

Founded in 1966, the National Reining Horse Association is a nonprofit association dedicated to promoting and encouraging the development of and public interest in the sport of reining. Its focus is on developing and maintaining suitable standards of performance and judging and in providing a fun filled, family-oriented atmosphere. AMERICAN
HORSE COUNCIL

On February 13th at 3:00 pm ET, the American Horse Council will host its first quarterly webinar for 2017 on "Climate Change."

"While the cause of climate change is of course a debated subject, there is no debate that climate change effects animals, sometimes drastically," said AHC President Julie Broadway. "We wanted to educate people on understanding how your horses may be effected by these climate changes, and how you can be better prepared to keep your horses safe and comfortable with these changes."

David Herring, Director of Communication & Education at the NOAA Climate Program Office will be the featured speaker. Mr. Herring will discuss how they see changes in the weather affecting not only horses themselves, but also the areas in which they live, show, and are ridden. "Severe thunderstorms, tornadoes, and record-breaking snow and rain have devastated farms around the country recently," said Mr. Herring. "We want people to be aware of how these potential changes in the climate can drastically affect their animals and their well-being."

SPEAKERS FOR AHC'S FIRST QUARTER WEBINAR ANNOUNCED

Primary topic to focus on climate change and equines

Dr. Karen Davison, Equine Nutritionist and Director of Purina Animal Nutrition's Equine Technical Services team will give an overview of how horses nutritional needs change with the weather. "It's important to be able to teach people what we currently know to be the best ways to feed horses," said Dr. Davison, "With changes in the weather that are sometimes drastic, we are learning and investigating new ways to be able to feed horses better."

Also being spotlighted will be the Back Country Horsemen of America (BCHA), with Jim McGarvey, Executive Director of BCHA giving an overview of the work that they do. Most recently, the AHC worked with BCHA toward the successful passing of the National Forest System Trails Stewardship Act. Finally, AHC's Director of Health & Regulatory Affairs Cliff Williamson will give a short overview on regulatory issues that the AHC is currently working on.

The webinar is open to both AHC members and non-members—we encourage everyone to attend! To register for the webinar, please [click here](#). If you have any questions, please contact Ashley Furst at afurst@horsecouncil.org. We look forward to having you join us for the first of our quarterly webinars!

One small change can make all the difference

If your horse needs to be more relaxed

If your horse seems to stay sore

If therapies don't seem to help or results only last a few days

If your mare tends not to work as well during heat cycles

COMPOSURE MG can help!

The RESULTS can be ASTONISHING!

We've seen dramatic changes in horses - If your horse needs to be more relaxed - If your horse seems to stay sore
If your horse resists going into the arena - If therapies don't help or results only last a few days
If your horse seems stiff or muscle sore or is cramping.

Many have heard that Magnesium can have a calming effect, then tried a supplement with little results. This is the R&R Difference. R&R Composure MG is made in Germany through a *globally patented process* that makes it *SIX TIMES more bio available than any other type of magnesium supplement.*

Signs of magnesium deficiency can vary from horse to horse and intensity may also vary. Some show daily signs while others only show signs during competition or stress.

Many magnesium deficient horses do not appear to benefit from chiropractic adjustments and other therapeutic treatments or the treatments don't last more than a few days before tension and soreness resume.

Correct a magnesium deficiency or increase magnesium to quiet anxiety or to balance the calcium:magnesium ratio.

With no drugs, you can have a calmer and more relaxed horse. Plus the muscle recovery benefits are equally powerful and important.

List your stallion in the Virtual Horse Help Stallion Gallery and multiply the benefits
New in 2017 – The Tom McCutcheon Virtual Horse Help Stallion Gallery

Tom McCutcheon's Virtual Horse Help has added a special new Stallion Gallery. For stallion owners, it's a high traffic (over 9,500 sessions a month) location that will showcase your stallion.

A stallion's unique presence in the Virtual Horse Stallion Gallery will feature a picture that scrolls on the home page of Virtual Horse Help. When users click on the stallion's image they can choose the "VIDEO" button to see a video of the stallion or choose the "ABOUT" button to read a bio and see info on him as well as links to his website, Facebook pages, etc. Or they can choose the "BREEDING INFO" button to see all the breeding information, pricing and terms, a copy of the breeding contract, contact information, etc. Readers can click to email directly or to download a breeding contract.

Participating stallions will also be featured in the World-Wide Slide bi-weekly news emails which go to nearly

20,000 email addresses – creating even more exposure. Each stallion listed in WorldWide Slide will link back to its Stallion Gallery Page so readers can access stallion videos and information with just one click.

Stallion owners will receive a unique link for their use. In other words, they can link back to the Stallion Gallery page from their own website or Facebook page or from other applications such as stallion auctions, etc. If someone asks for information on a stallion, owners can send them this link to view all the stallion's information in one place.

The cost is minimal for a ton of benefits. Get your stallion into the Virtual Horse Help Stallion Gallery today! For information and [rates](#), email to mteaux@gmail.com or call Cheryl Cody at 580-759-2572.

Stallion Gallery

List your stallion in The Stallion Gallery and multiply the benefits.

Here is what you get.

Your stallion's unique page in the Virtual Horse Stallion Gallery, featuring a picture of your stallion; choose the video button to see a video of your stallion or choose the about button to read a bio and see info on him as well as links to your website, Facebook pages, etc. Or choose the breeding info button to see all the breeding information, pricing and terms, contact information, etc.

Readers can click to email your address or click to download a breeding contract for your horse.

Participating stallions will be featured in WorldWide Slide's every-other-week emails and the individual stallion listing will link to its **Stallion Gallery Page**. That way readers can click from reading WorldWide Slide right to your stallion page.

Participating stallions will also be featured in Virtual Horse emails and on the Facebook pages for both WorldWide Slide and Virtual Horse, as well as the social media applications for those entities.

Plus, we'll post on social media whenever your stallion's foals do well at a show we cover. (You can also send us info)

You will be given a unique link for your use. In other words, you can link back to your Gallery pages from your own website or Facebook page or from other applications such as stallion auctions, etc. If someone asks for information on your stallion, you can give them this link to view all the information on your stallion in one place.

The cost is minimal for a ton of benefits. Get your stallion into the Gallery today!

Cost for the Virtual Horse Stallion Gallery
