JOHN HOYT – THE INDUSTRY LOST A LEGEND

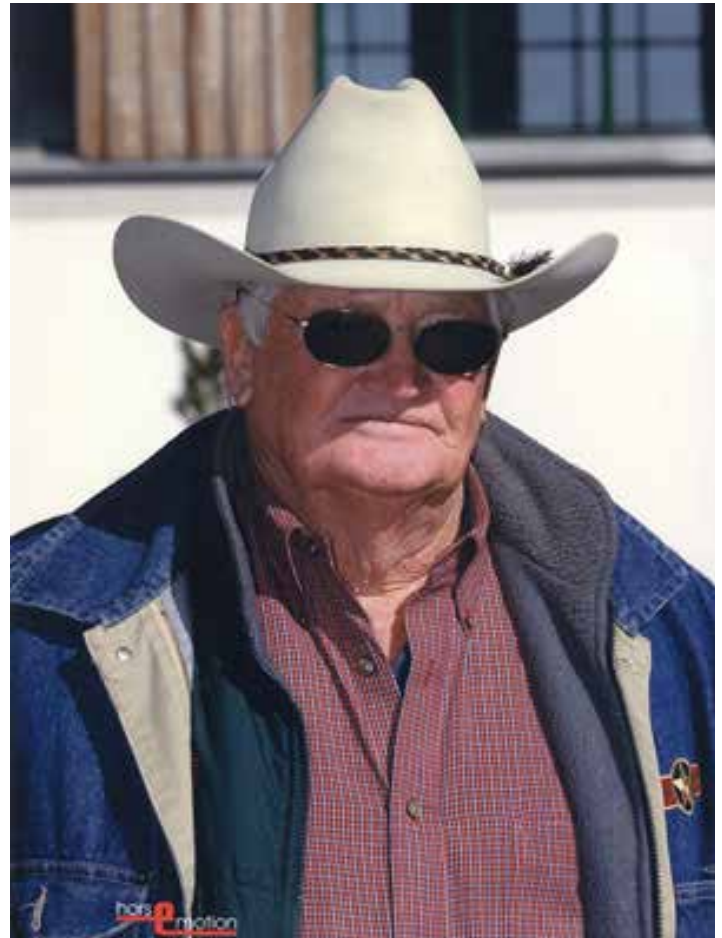

The entire reining community and western horse world was saddened to hear of the passing of John Hoyt on the morning of December 20, 2016. He was surrounded by family and friends in his cabin in Texas.

Talented, outspoken and beloved and admired by many in the reining community, Hoyt was a legendary horseman who influenced many of the industry's top riders. Al Dunning summed up Hoyt's influence on reining and other western disciplines by saying, "John was the Dale Wilkinson of the West!"

NRHA Judge and long-time friend Greg Darnall added to that opinion saying, "He's the John Wayne of the horse training business. He backs away from nothing." Hoyt was well-known for his ability to mentor others with blunt honesty and to get extraordinary performances out of ordinary horses.

Hoyt, a native Californian, was inducted into the NRHA Hall of Fame in 2010 after a decade-spanning and award-winning career. His accomplishments include more than \$49,300 in NRHA earnings and multiple AQHA World Championships. Hoyt qualified for 21 AQHA World Championship Shows in a row. He was the 1986 NRHA Futurity Limited Open Reserve Champion on Okies Sure Bet. In 1988, he rode Lady Kiper to win the Intermediate and Limited Open ancillary classes at the NRHA Derby.

A celebration of life is planned, with time and location to be announced. To read remembrances of John or to post your own personal memory, visit John's [Facebook page](#).

As a performer, Custom Crome won the 1993 NRHA Open Futurity with NRHA Hall of Fame Inductee Mike Florida at the reins. Throughout his show career Custom Crome earned nearly \$110,000 and was inducted in to the NRHA Hall of Fame in 2009.

SMART SPOOK HITS MILESTONE NUMBER FOUR!

It has been a year of milestones for the NRHA during its 50th anniversary as an association. With the help of 13 money earning offspring in the NRHA Futurity Finals, Smart Spook helped write in another milestone this historic year by becoming NRHA's newest \$4 Million Sire.

Smart Spook is a six-time Gold Medalist in the Federation Equestrian International (FEI) World Reining Masters competition.

Smart Spook's 13 offspring made over \$162,300 collectively during both nights of the 2016 NRHA Futurity finals.

One small change can make all the difference

If your horse needs to be more relaxed

If your horse seems to stay sore

If therapies don't seem to help or results only last a few days

If your mare tends not to work as well during heat cycles

COMPOSURE MG can help!

The RESULTS can be ASTONISHING!

We've seen dramatic changes in horses - If your horse needs to be more relaxed - If your horse seems to stay sore
If your horse resists going into the arena - If therapies don't help or results only last a few days
If your horse seems stiff or muscle sore or is cramping.

Many have heard that Magnesium can have a calming effect, then tried a supplement with little results. This is the R&R Difference. R&R Composure MG is made in Germany through a *globally patented process* that makes it **SIX TIMES more bio available than any other type of magnesium supplement.**

Signs of magnesium deficiency can vary from horse to horse and intensity may also vary. Some show daily signs while others only show signs during competition or stress.

Many magnesium deficient horses do not appear to benefit from chiropractic adjustments and other therapeutic treatments or the treatments don't last more than a few days before tension and soreness resume.

Correct a magnesium deficiency or increase magnesium to quiet anxiety or to balance the calcium:magenesium ratio. With no drugs, you can have a calmer and more relaxed horse. Plus the muscle recovery benefits are equally powerful and important.

FEI ANNOUNCES CANDIDATE CITIES FOR WORLD EQUESTRIAN GAMES 2022

Two cities have been announced as official candidates to host the FEI World Equestrian Games™ 2022. Lexington, Kentucky and Šamorín, Slovakia have both been selected as potential hosts for the FEI flagship in six years' time.

“We are very happy to have two such strong official candidates for the 2022 FEI World Equestrian Games,” FEI President Ingmar De Vos said. “Both the Kentucky and Samorin venues have the infrastructure in place already to host the Games, which is one of the biggest events on the global sporting calendar.

“The last edition in Normandy two years ago attracted more than half a million spectators and a worldwide television audience of 350 million, delivering a significant economic impact to the French economy.

“There's no doubt that these Games are a huge undertaking, but we believe both Šamorín and Kentucky have the capability to host spectacular Games and we look forward to working with them through the further stages of the bid process over the next year.”

The next phase in the decision-making process for the 2022 Games will include site visits between January and May 2017, with a deadline of June 2017 for submission of

the Candidates' complete bid and signed host agreement. The Candidates will make formal presentations to the FEI Evaluation Commission in the third quarter of 2017, with the final FEI Bureau decision and allocation of the Games in November 2017.

The FEI World Equestrian Games, held every four years in the middle of the Olympic cycle, combines eight World Championships at one event. The FEI disciplines - Jumping, Dressage and Para-Equestrian Dressage, Eventing, Driving, Endurance, Vaulting and Reining - are all included on the competition schedule.

The inaugural FEI World Equestrian Games™ were hosted in Stockholm, Sweden in 1990. Since then the Games have been staged in The Hague, Netherlands in 1994, Rome, Italy in 1998, Jerez, Spain in 2002, and Aachen,

glass that can be used either for wine or cocktails.”

The Tamarack Ranch Open Draw party will be held in the Texas Children’s Hospital Arena Club upstairs in the Great Southwest Equestrian Center Coliseum. NRBC President Tom McCutcheon noted, “We are excited to welcome Tamarack Ranch as the sponsor of this special night.”

Tamarack Ranch was established by Pat and Suzy Simar. Located in Oregon’s mountainous northeast corner, it began with a love of horses first in the form of riding and ranch horses. When that progressed to a desire to do something competitive the Simars began with the local trainer Matt McDowell. Reining had great appeal and goal one was to establish an exceptional set of broodmares.

A few years ago Hutchins sold some horses to the ranch. From that a business relationship began and grew to Gabe keeping over a dozen Tamarack Ranch horses in training. Creating a training facility at the ranch in Oregon was the logical next step that led to Gabe moving to Oregon to run the facility.
