The National Reining Horse Association (NRHA) has concluded its second annual Winter Meeting with great success. Held February 8 - 11 in Fort Worth, Texas, this year's event was full of activities, meetings, and banquets to position the association for continued success and to celebrate its members.

Wednesday kicked off the second NRHA Professionals Summit presented by NRHA Corporate Partner, Merial. Professionals from across the country gathered to strengthen their knowledge in managing their businesses, equine joint health, and media relations. Additionally, they learned more about Time To Ride and how it can connect their business with horse lovers. Gabe Hutchins, NRHA Professionals Committee Chair, had this to say about the summit, "The summit is a great tool for Professionals who want to run a better business. The horse business is very competitive, and the summit is a great way to give our Professionals something extra to set ourselves apart from the rest."

NRHA Committee meetings started Thursday morning and continued through Friday. The National Reining Horse Youth Association (NRHyA) participated in their leadership development seminar on Friday and Saturday. In three sessions, youth members of all ages gathered to strengthen their leadership skills and network with other NRHyA members. Additionally, the first in-person show secretary and management seminar was held with great attendance.

As Friday night arrived, NRHA members

NRHA'S 2017 WINTER MEETING CONCLUDES

gathered to honor those who have made a significant impact on the reining horse industry. During the celebration Carol Rose, Rosanne Sternberg, and Smart Like Juice were inducted to the 2017 NRHA Hall of Fame. NRHA member Tim Katona received the Dale Wilkinson Lifetime Achievement Award. Katona is credited with helping form the NRHyA and was the first youth committee chair.

The NRHA Board of Directors met Saturday discussed a variety of different topics and received updates from the committee meetings held earlier that week. Topics of discussion included:

The NRHA Board held its first reading of 2018 rule change proposals during the Winter Meeting. The directors will discuss the proposals again and hold a vote during their May 2017 meeting. In the meantime, members are encouraged to read the proposals online at NRHA.com and in the March issue of the NRHA Reiner magazine. Member comments also can be submitted on the "members-only" section of NRHA.com through April 10.

The 2017 NRHA Futurity Conditions were amended to create a structured Semi Finals with a guaranteed payout in the level 4 division of the Open Futurity. Additionally, all late entry deadlines were extended to oneday prior to the 1st go-rounds at 5:00pm. Additional information can be found in the 2017 Futurity Conditions at nrhafuturity.com.

Jerry Nicholson from The Jockey Club Technology Services presented the Board with an update on the information technology project including its functions, progress, and timeline of completion. The 2017 NRHA Derby schedule was presented and approved by the Board of Directors.

The Board established a task force to review the NRHA Nomination Program and the NRHA Futurity payouts.

The Board approved for elections to be held October 1 through November 1, 2017. Two Director-At-Large seats on the Executive Committee and one Director seat for each or the following regions are to be elected during that timeframe: East Central, South Central, North Central, Northeast and Northwest. The point scale used to calculate Green Reiner eligibility was clarified and approved to use the points as published in the 2017 NRHA Eligibility Policy.

Many other recommendations and changes to enhance NRHA were discussed and approved.

After a successful day of meeting, the 2016 NRHA award recipients were honored at the banquet. If the work accomplished at this year's NRHA Winter Meeting is an indicator of how successful 2017 will be, it is safe to say the association is off to a great start.

BE A PART OF USA REINING

Most people know that USA Reining is the route for top reining athletes with an eye on a qualification for the World Equestrian Games. But many don't understand how USA Reining, the United States Equestrian Federation (USEF) and the Federation Equestre Internationale (FEI) all work together.

Every country that is involved in FEI international equine competition must have a national federation that organizes and represents its athletes. For the United States, that is the USEF, currently rebranding to US Equestrian or USE. Within the USE structure, the different disciplines, from jumping to reining, are represented by an affiliate. In the case of reining, that is USA Reining.

It's often asked why NRHA can't serve that function and that's an easy answer. NRHA represents reiners worldwide, not solely those in the United States. For more info visit the USA Reining Facebook page or go to the website at <u>www.usareining.us</u>.

MORE ON USA REINING

Besides being part of the organization to participate in and promote TEAM USA in international reining

competition, USA Reining is on the grow. In 2017, there's more than ever! If you compete in USA Reining Shows, you earn the chance for year-end awards and championship titles in each of these categories of Open, Amateur, Youth 19-21, Youth 14-18, Youth 13 & Under, Para Reining Grade 1, Para Reining Grade 2, Para Reining Grade 3 and Para Reining Grade 4.

Plus, in 2017 the USA Reining Merit Awards are beginning. This is a cumulative continuing program which allows exhibitors to be awarded for accomplishments over multiple years with points earned at regular USA Reining-approved classes. Points will be earned in Open Reining, Amateur Reining, Youth 19-21, Youth 14-18, Youth 13 & Under, and USA Para Reining Grades 1-4 at all approved USA Reining events.

When an exhibitor has accumulated a total of ten points in a division in this program (lifetime), he or she will be recognized as a USA Reining Competitor of Merit. That will be recognized by a Certificate and a Competitor of Merit Award.

When an exhibitor has accumulated a total of 50 points in a division in this program (lifetime), he or she will be recognized as a USA Reining Competitor of Distinction. That accomplishment will be recognized by a plaque and a Competitor of Distinction award.

The point system is simple - for every 2 horses entered one point will be given; for example in a class with 6 horses, first would get 3 points, second would get 2 points and so on.

One small change can make all the difference

If your horse needs to be more relaxed

If your horse seems to stay sore

If therapies don't seem to help or results only last a few days If your mare tends not to work as well during heat cycles

COMPOSURE MG can help!

The RESULTS can be ASTONISHING!

We've seen dramatic changes in horses - If your horse needs to be more relaxed - If your horse seems to stay sore If your horse resists going into the arena - If therapies don't help or results only last a few days If your horse seems stiff or muscle sore or is cramping.

Many have heard that Magnesium can have a calming effect, then tried a supplement with little results. This is the R&R Difference. R&R Composure MG is made in Germany through a *globally patented process* that makes it *SIX TIMES more bio available than any other type of magnesium supplement*.

Signs of magnesium deficiency can vary from horse to horse and intensity may also vary. Some show daily signs while others only show signs during competition or stress.

Many magnesium deficient horses do not appear to benefit from chiropractic adjustments and other therapeutic treatments or the treatments don't last more than a few days before tension and soreness resume. Correct a magnesium deficiency or increase magnesium to quiet anxiety or to balance the calcium:magenesium ratio. With no drugs, you can have a calmer and more relaxed horse. Plus the muscle recovery benefits are equally powerful and important.
