## REINERS NOT ONLY HELPING REINERS

The 2018 NRHA Futurity held at State Fair Park in Oklahoma City November 22 through December 1 attracts hundreds of reining enthusiasts. Along with these owners, trainers, and exhibitors come their horses travelling from all over the world. With so many horses centered in one place, on-site veterinarians are a must and that was a lucky thing for the Magdaleno family who was moving with their two horses, Gents and Valentine, from Indiana to Arizona.

their destination. At around 4:30 am, the horse trailer disconnected from the truck, hit a guardrail and rolled over three times leaving Gents and Valentine stuck in the trailer laying on top of each other until first responders came on the scene to cut the trailer open and extract the horses.

The Magdalenos were pushing through the night toward

Before the first responders left, one of them told the Magdalenos that there was a large horse show going on a couple of miles away where they might be able to find help. The family moved toward the horse show and found themselves stranded in a strange city with two U-Hauls, two horses, and

no horse trailer.

NRHA Professional Bud Lyon was returning from an early morning interview with a local TV station at about 8 a.m. on Saturday, November 24 when he saw something odd, “There was a U-Haul truck and there was a smaller, cross-over SUV with a U-Haul trailer behind it. One of the family members was holding two horses. There was some luggage on the ground and hay and water out for the horses.” Lyon said that the scene just didn’t look right so he pulled in and asked if they needed help.

The Magdalenos explained their plight, and asked Lyon to examine their horses. He said, “To the naked eye, they looked like they had some minor lacerations and abrasions, but in general, they seemed to be doing okay. Then I asked them if they would like me to get a veterinarian to come help them and offer a more thorough analysis from their perspective.” The family readily agreed and Bud returned to the show grounds where he alerted the NRHA and Equine Sports Medicine.

Equine Sports Medicine responded to the emergency and the team went right to work. One of the horses had a wound on its head that required cleaning, and a broken tooth that had to be extracted. They treated many other minor lacerations and bruises, and provided antibiotics to prevent infection and anti-inflammatory medications for pain. Veterinarian Lena Littmann said, “Both of them were doing fine for that horrible accident.”

Equine Sports Medicine, based in Oklahoma City, provided their services free of charge. Littmann said, “We were

just happy to help them. I mean imagine having such a bad accident yourself on a road in the middle of nowhere where nobody is around and no horse people. That would have been really bad for those people. They were really happy we could help them.” She added, “It was a pleasure for us to [help]. It is not just our job, it is our passion.”

The rest of the community rallied together to provide what was needed. State Fair Park employees brought a skid steer out to load the large square bale that the Magdalenos had rolled out in the parking lot for their horses. NRHA, together with State Fair Park, offered stalls for the horses until the family could make other arrangements, and an anonymous individual loaned them a trailer to finish their journey.

The Magdalenos arrived safely in Arizona and their horses should recover fully from their injuries. The family will never forget the generosity that they experienced in Oklahoma.

Deandra Magdaleno said, “This has been so hard; these horses are our babies. As much as we didn’t want this to happen, we couldn’t feel more fortunate for it to have happened in Oklahoma City right by a horse show. The continuing generosity of Oklahomans and the horse industry is amazing. We are happy to be home, the horses are happy to be home; they are rolling around and feeling good. We were planning to head back to Oklahoma December 1st to return the horse trailer we borrowed but approached someone with an Oklahoma tag and asked if they were headed that way. They were and graciously hauled the trailer back to OKC. We just feel grateful for everything and everyone.”

## NRHA STATEMENT CONCERNING 2014 FEI COOPERATION AGREEMENT

### Door still open to possible new agreement concerning reining in future

Following months of ongoing discussions and negotiations involving all parties, the Federation Equestre Internationale (FEI) Bureau, at its November 16, 2018 meeting in Bahrain, chose to terminate the 2014 Cooperation Agreement with the National Reining Horse Association (NRHA) and the American Quarter Horse Association (AQHA) effective November 19, 2018.

This 2014 Cooperation Agreement, for the most part, was first put together to cover such reining competitions as the World Equestrian Games and a small number of other horse shows, primarily in Europe, and reining demonstrations at Olympic-related events. NRHA leaders had offered to travel to FEI in January to negotiate a continued relationship. However, FEI chose to decline the opportunity and terminated the agreement.

Among the provisions FEI required was: "A competition which is specifically organized for horses of 7 years and older is required under the FEI Regulations to be held under the authority of the National Federation of that country and to be entered into the FEI Calendar for International events." This would mean all NRHA reining classes held specifically for horses 7 and older would also need to be FEI-approved, run under FEI rules, and be held in accordance with the respective National Federation. NRHA Vice President Mike Hancock further explained the impact, "After discussions

with show management teams, we discovered how complex and expensive this would be for them. In the end, we felt it would be more detrimental to the growth of older horse competition to move forward with this concept. However, we are hopeful to discuss other opportunities for future growth and mutual benefit with FEI."

Other provisions included but were not limited to FEI stewarding requirements, medication regulations, and that any FEI penalties imposed on horses, owners, officials, riders, etc., be accepted and enforced by NRHA (even if they disagreed with the FEI penalty determinations). NRHA has established its own rules and guidelines in these areas to protect the welfare of the horse at all times during NRHA events. The safety and well-being of reining horses is the utmost priority for NRHA, and it will continue to take appropriate measures to maintain and enforce those rules, including its own set of medications rules and penalties.

The Notice of Termination of the 2014 Cooperation Agreement was received by AQHA and NRHA via an email from Sabrina Ibanez, FEI secretary general, on November 19. The letter did leave open the possibility of a new agreement with FEI in the future. The termination does not appear to impact FEI National Federations, such as US Equestrian, and their ability to host FEI reining events.

Even as the future of the FEI World Equestrian Games is being questioned, NRHA believes reining is on strong footing with members in approximately 40 countries. This includes a well-established membership in Europe who have helped solidify the expansion of reining and the NRHA European Futurity and Derby.

Founded in 1966, the National Reining Horse Association is a nonprofit association dedicated to promoting and encouraging the development of and public interest in the sport of reining. The focus is on developing and maintaining suitable standards of performance and judging and in providing a fun filled, family-oriented atmosphere.

# FEI TERMINATES COOPERATION AGREEMENT

**AQHA does not feel it has breached the terms of the agreement and welcomes continued dialog with FEI.**

On November 19, the American Quarter Horse Association was notified that the Federation Equestre Internationale terminated its Cooperation Agreement with AQHA and NRHA due to breach of agreement terms regarding age divisions, reciprocity and steward/drug regulations. As discussed below, AQHA does not feel it has breached the terms of the agreement and welcomes continued dialog with FEI.

To begin, reining became an FEI discipline in 2000 and was first recognized as a sport in 1949 by AQHA. AQHA is proud of the reining industry and the growth of this US-based sport worldwide. The American Quarter Horse is the ideal horse for reining, and breeders have taken pride year after year in the genetic base of the horses that are bred for and excel in reining.

Pursuant to the Cooperation Agreement, all events specifically organized for horses 7 years of age and older are to be held under the jurisdiction of FEI. AQHA does not offer a class that is specifically organized for horses 7 years of age and older. At AQHA events, American Quarter Horses in the open division compete in junior reining (ages 5 and under) or in senior reining (ages 6 and older).

With respect to the welfare requirements addressed by the Cooperation Agreement, AQHA's regulations and practices, in particular those associated with stewards and drug testing, are consistent with and meet such requirements. Simply put, our top priority as an association of horsemen is the health and welfare of our sport and of this great animal.

The Association has taken and will continue to take the appropriate measures to ensure the safety and welfare of the horses competing at AQHA-approved events.

AQHA actively implements measures to protect American Quarter Horses competing in reining and all disciplines. AQHA began drug testing in 1973, establishing itself as a leader in welfare among equine breed associations. The drug-testing program is designed to ensure that horses

competing in AQHA-sanctioned competition are doing so in a manner that will promote the safety and well-being of all horses competing and ensure the enforcement of fair and equitable rules and procedures. In each instance that FEI has notified AQHA of a penalty imposed by FEI as a result of a drug violation, AQHA has afforded reciprocity.

In addition, the AQHA stewards program plays an important role in advocating for the horse and helping to safeguard fair competition. Stewards help to ensure that legal tack and humane practices are used and appropriate conduct

## SLIDER'S NIGHT OUT HONORS 2018 HALL OF FAME INDUCTEES AND DALE WILKINSON AWARD RECIPIENT

### William Shatner Receives the 2018 Dale Wilkinson Lifetime Achievement Award

Canadian native, William Shatner needs no introduction. He is a well known actor, author, producer, director, and singer. He is perhaps best known for his role as Captain Kirk in Star Trek, and more recently, he co-starred with Sandra Bullock in Miss Congeniality and its sequel.

Through his varied work, Shatner has earned a variety of awards including two Emmy Awards, one Golden Globe Award, Goodreads Choice Award, and even a NASA Distinguished Public Service Medal. At the Reining Horse Foundation Slider's Night Out held during the NRHA Futurity, he was awarded with the prestigious Dale Wilkinson Lifetime Achievement Award.

After purchasing some land in the Sierras of Southern California, a friend suggested that Shatner buy a horse. He bought the horse that his friend suggested, and in Shatner's own words, "Like when you eat one potato chip, if you buy one horse, you have to have more. So my career as a horseman began."

Shatner has a long list of accomplishments as an owner,

breeder, and exhibitor in the equine industry with both Saddlebreds and Quarter horses. He has spearheaded multiple fundraisers and Equine Charity organizations perhaps the best known being the often star-studded Hollywood Charity Horse Show held each year in California. He generously supports multiple other equestrian events and organizations.

Upon receiving the award, Shatner said, "Having horses and being a part of the horse world has been a life saver. My

wife, Elizabeth, is a former horse trainer and competes in the same areas as I have. It's been an extraordinary experience."

The Dale Wilkinson Award is named for one of the founding members of the NRHA and the first inductee into the NRHA Hall of Fame. The legendary reining trainer will forever be known as the "father of reining."

## Bill Bradley Inducted into the NRHA Hall of Fame

The late Bill Bradley enjoyed a long history with the NRHA and its affiliates. He was a Lifetime NRHA Non Pro Member who served as President of the association in 2005. He also served on the NRHA Board of Directors and

was key in the establishment of the Reining Horse Foundation which put on the Sliders Night Out during the NRHA Futurity where he was honored for his induction into the Hall of Fame. His friends and family continue to donate to the Reining Horse Foundation in his memory.

Bill was described as being passionate about the reining horse industry. He has a vision and was willing to do everything in his power to see it through. He would head committees, donate generously, and work countless hours to see his visions realized. His passion was contagious and now fills his step-daughter, Gabriella (Boo) Kammerer who along with her mother, Gloria, stood in place of Bill at Sliders Night Out.

Boo spoke for her family when she said, "This means so much. He worked really hard in the business in helping it, and starting, and sponsoring the Reining Horse Foundation. He would be very proud for this moment right now." Then she fought back tears as she spoke for herself, "I am honored as he was my stepdad, my coach and my best friend and I looked up to him. It means a lot!"

## 2018 NRHA Hall of Fame Inductee Dun It For Chex

At Sliders Night Out during the NRHA Futurity, Dun It For Chex was honored for her induction into the NRHA Hall of Fame. The grey mare is by NRHA Hall of Fame Inductee and NRHA \$6 Million Sire Hollywood Dun It out of Silver N Blue Chex.

Now at 22-years-old, Dun It For Chex is still a beautiful mare with large expressive eyes, a long, graceful neck, and strong legs. She was started by Oldenburg Farms but suffered an injured early in life. The promising mare was never shown however her career as a broodmare has been extraordinary with offspring earnings nearing \$1 million.

Through a friend, Joao Marcos heard that the Oldenburgs had forty-five horses for sale that they wanted to sell as a

group. Stirred by the dream of becoming one of the largest breeders in the United States and possibly the world, Marcos bought the horses - one of which was Dun It For Chex.

When Cardinal Ranch purchased the mare, she came with a suckling colt by her side. That colt was Dun It For Whizkey, earner of over \$214,000 and standing at Cardinal Ranch. After having produced 21 performing foals by eight different stallions - 19 of which are money earners - the mare is living in luxury on Cardinal Ranch.

"I remember Tim McQuay talking to me about her and said it doesn't matter what horse you breed with her, it will be a champion. She is amazing." Marcos said, and then continued with, "We are treating her well. She is too old to

Marcos thanked the Reining Horse Foundation, the NRHA, and the committee that voted for his mare. He also thanked God for choosing him to own her.

The NRHA Hall of Fame is a project of the Reining Horse Foundation. It was created as a continuing acknowledgment of some of the key individuals who have contributed to the growth of NRHA. Some of these individuals are human and some are equine. All have been exceptional in their individual accomplishments and exceptional in their contribution to the sport of Reining. The NRHA Hall of Fame display can be visited in person at the NRHA headquarters in Oklahoma City, Oklahoma.

Sliders Night Out is a fun evening to celebrate the NRHA Hall of Fame but also to raise funds for the Reining Horse Foundation which is the charitable arm of NRHA. The Foundation's mission is to care for the reining community while honoring the sport's legacy. **Where do you see yourself in five to ten years?**  
In the 14-18.

**If you could ride any horse in the industry, who would it be?**  
The horse I have now.

**What is his name?**  
Domingo. [Stepinoutin-hollywood]

**What's your favorite thing about him?**  
He's easy to ride.

**Do you have any advice for younger kids starting in reining?**  
Don't be nervous when you show and be confident when you ride.

**Do you get nervous when you show?**  
Not really.

**How do you do that?**  
I just know my horse really well.

*Becca Schaffhauser*
