## **USA TAKES TOP THREE AT THE FEI WORLD EQUESTRIAN GAMES™ TRYON 2018 FEI CRI 3\* REINING TEST EVENT**

The all-American podium stood tall after the completion of two days of FEI CRI 3\* competition hosted at Tryon International Equestrian Center (TIEC) in Tryon, North Carolina, alongside the first installment of the Carolina Classic at TIEC. The week served as the eighth and final Test Event ahead of the FEI World Equestrian Games™ Tryon 2018 coming to the venue this fall, from September 11-23.

FEI combinations took to the newly constructed Indoor Arena, located at the main entrance of TIEC, to test their skills against some of the discipline's biggest names. The first day of competition saw 22 competitors contest the USEF Selection Trial First Go on Thursday, May 10, before welcoming back 20 of the original entries. Ultimately, Jor-

dan Larson (USA) and Dan Huss (USA) both walked away with the blue ribbon, tying on a composite score of 450.

*Dan Huss and Ms Dreamy*

Huss entered the second round sitting in first place after scoring 224 points aboard Frederick Christen's Ms Dreamy, a 2010 Quarter Horse mare (Magnum Chic Dream x A Gal With A Gun). Larson improved upon his first-round score of 222.0 to share top honors riding ARC Gunnabeabigstar, a 2011 Quarter Horse stallion (Gunnatrashya x Wimpys Little Chic) owned by HDC Quarter Horses, to an impressive second-round score of 228. The young Cade McCutcheon (USA) followed just behind on a total score of 446 points aboard Custom Made Gun, a 2011 Quarter Horse stallion (Colonels Smoking Gun x Custom Made Dunit) owned by McQuay Stables, after receiving a 222.5 in the first round and a 223.5 in the final competition.

All three riders were hoping to return to represent the United States at the FEI World Equestrian Games™ (WEG) in September and Huss commented that he's been waiting for the right horse to come along in order to pursue contention.

"Basically for me, I was just waiting for the right horse," he explained. "I usually share [Ms Dreamy] with a Non-Pro, but obviously the mare is too old to do the derbies, so Fredrick [Christen] said I could show her at the FEI level. It would mean a lot to me to represent the U.S. I came with the intention of winning here. I'm not a guy that has a big ego, but I wanted to win here and I want to win at the WEG. I have some room to improve yet and I'd have to beat my fellow teammates because they're tough."

Huss, of Scottsdale, Arizona, complimented the TIEC show organizers for hosting the venue's first reining event. "I think Tryon did a great job hosting their first reining competition. From what I understand they're putting stalls in here in the Indoor Arena, so it'll all be under one roof and I think it'll be pretty nice."

*Jordan Larson and ARC Gunnabeabigstar*

Larson, a seasoned WEG competitor based in Valley View, Texas, echoed Huss' sentiments about what a USA-hosted Games means, stated, "It's awesome to have the WEG return to the US. It's really cool to be able to represent our country here at home. It was awesome to go to France, but there's even more pressure I think to represent well here, so we've got our work cut out to get ready for the next one and be even better."

Commenting on his significant improvement in score between the first and second round, Larson had nothing but

praise for his mount. "This horse is a good one," he emphasized. "He's been really good to me. It seems like he keeps getting better and better and when it counts he's at his best. In the first round I tried to play it safe and he was kind of messing around with me a little bit, but when I call on him for everything he is great."

The pressure of the USA team selections definitely weighed heavily on all competitors' minds, Larson explained, "There's always a lot of pressure. We have really high expectations of ourselves and because we're hoping to be on the team to represent the USA, the pressure goes up," he admitted. "But, that's what we thrive on, so we have fun doing it."

Cade McCutcheon and Custom Made Gun

Cade McCutcheon, whose 18th birthday was a few short weeks following competition, was also looking for the chance to represent his country, with his sights set on being the youngest reining competitor to ever compete in the history of the WEG.

The Aubrey, Texas, native ran the stallion Custom Made Gun, whom his family raised and his grandparents own, to third place after putting in a near perfect round. "It means a lot to come here with the likes of Jordan [Larson], Casey [Deary], my dad [Tom McCutcheon], Shawn [Florida] - I've never had to do that. I've always been in the Non-Pro, which isn't easy, but it's easier than this. It meant a lot and it was a big honor to just show here, and a bigger honor to be where I'm at."

Riding beside his father, WEG Gold Medalist Tom McCutcheon this week, the young talent commented, "It's a cool deal being a third generation reining competitor. Not a lot of people can say that. I just hope I do as well as they did if I make it on the USA Team. It means a lot to me to be able to do this sport with my family. It makes it way more fun, and they have the experience that will help me get through the team and the individual phases."

Further discussing his family legacy, McCutcheon also noted the incredible accomplishments of his multi-generational equestrian family. Despite being the youngest rider in the FEI CRI 3\* this week, McCutcheon commented on the benefit of the experience as he looks towards a bright future.

McCutcheon said, "Maybe there's a little more pressure coming from a reining family, but I don't think very much. My parents don't put any pressure on me, and it wouldn't make a difference to them if I marked a 208 or a 220, as long as I'm having fun."

## PETER DEFREITAS RIDES SWEET DAISY SURPRISE TO CAROLINA CLASSIC DERBY OPEN CHAMPIONSHIP

The 2018 Carolina Classic Reining Derby was held at the Tryon International Equestrian Center (TIEC) in Tryon, North Carolina on May 18-23 in conjunction with the USEF Reining Selection Event. Previously held in Williamston, North Carolina, the 2018 Carolina Classic Derby was the first reining event ever hosted at the 1,600 acre facility in Tryon. While the venue may have changed, the competition remained as fierce as ever.

As the dust settled after the Carolina Classic Open Derby, Peter Defreitas on Double Run Farm's Sweet Daisy Surprise emerged as the Open Champions. The daughter of Hang Ten Surprise and Sweet Ginger Chic had a difficult start having overcome two different surgeries, one as a 2-year-old and the second as a 4-year-old.

Defreitas explained, "She hasn't had a really easy time of it, but the lady who owns [Double Run Farm], Monica

Watson, she's really great about sticking with one if you think its going to be a nice horse. That mare has always had a really, really good mind set. Obviously, it's been worth it to wait on her."

With limited showing, Defreitas brought her to the Carolina Classic only to show her in the Novice Horse classes. Sweet Daisy Surprise was indeed a surprise when Defreitas made a last minute decision to enter the 5-year-old sorrel mare in the Derby and won the \$4,941 check with a 218!

"She was very good. She circled really good. I was really pleased with her stops. She ran down there and drug her butt," Defreitas said. "Her turns are probably her weakest maneuver, and I think I zeroed both turns, or I may have plus-halfed her first one. Over all I was really happy with her."

## Vazquez and Gates Tie for the Level 3 Open Championship

Alejandro Ortis Vazquez and Jeremy Gates tied for the Level 4 Reserve spot and the Level 3 Open Championship, each scoring a 217 and \$5,948. Vazquez rode Ruf Juice (Smart Like Juice x Ruf Catayst). The 6-year-old mare is owned by Smart Like Juice, Inc. Jeremy Gates rode Ingrid Rund's mare, Watchitgalsgottagun. The bay is a 6-year-old mare by Spooks Gotta Gun out of Valentine Whiz.

Vazquez said, "The mare felt good during the run. She felt prepared and ready. Whatever I told her to do she did it. She was very focused. She is a very talented mare."

Vazquez got his start in Rancho El Fortin where his father worked. He started getting lessons from the reiners there along with his brother. He is grateful for those early lessons as he enjoys his present successes. He hopes to achieve another title in June at the NRHA Derby.

Gates stated, "This was just the second time we've shown her this year. She circled good, and turned really big for me. Her biggest maneuver is her turns, she can really turn. Ordinarily, she's a good stopper. I just don't know what her deal was this weekend. She didn't quite stop like she normally does,"

The duo has a derby coming up in June in Syracuse, New York, where the versatile mare's owner will likely show her in the Green Reiner classes while Gates shows her in the Open derby. Gates explained, "[Ingrid Rund] just started showing her last year. It's funny because that mare just

packs her owner around pretty well. She don't really go anywhere with her. She [Ingrid] doesn't have to hold her back or anything. The mare just kind of goes around and does her thing and comes out. That mare has been really good. She was reserve World Champion last year in the Novice Horse level 2. This is the mare's second time winning the ABI Level 3 Derby, and I think she won it as a 4-year-old two years ago. She won it again three years ago. This will be her third year winning the Level 3."

*Tricia Tillman rode Boomin In Lace to the Open Levels 1 and 2 Derby Co-Championships.*

Pelletier rode Parker Minchin's horse, Conquered This Town (Hollywoodstinstown x Conquistadors Sandy). Pelletier said, "The horse is a 5-year-old. This is basically his first showing year. He circled good for me, and he stopped real good; he was right there with me. He is very good minded, and he always tries really hard. He's always been really easy to train and get along with. My customer bought him as he was turning three. I rode him as a three-year-old here, and he got a little injury, so we basically had to keep him off a year. We just started him back showing this year."

Pelletier plans to take the horse to the Mid Atlantic show in July and show him in the derby.

Tillman was mounted on her mother, Kimberly Tillman's mare Boomin In Lace (grade). Tillman, at just 18 years old, was pleased with her family's mare as she said, "The mare was very good. She tripped in her second stop which cost us half a point, which was a point and a half off of our total score, but at the

same time, it couldn't be helped that she tripped – it's not her fault. There was one or two other things that could be cleaned up otherwise, and the fact is that we still had room for improvement yet we still won is encouraging going on to our next derby."

The win was even more significant to Tillman as she explained, "This was my first Lawson, so it is extra special that it was on our mare and at the Carolina Classic – it's such a significant show that they had it at Tryon. It will be forever remembered for sure."

Morton piloted ARC Shesa Walla (Walla Walla Whiz x Hickorys Holly Cee) owned by Misty Yelton. Morton said, "The mare showed really good. I had a one point penalty whenever I wound down my right small slow to a stop before I spun – she changed leads right in that stride. I went harder after that trying to make up for it, and she hung with me the whole way!"

## **Jose Vazquez on Like Shiner Wins the Non Pro Derby Championship Mariana Vazquez Tops the Level 3 Non Pro Derby**

"She's the nicest horse I have ever ridden." Jose Vazquez said of the 6-year-old daughter of Smart Like Juice and Wind Her Up Shiner after winning the Carolina Classic Non Pro Derby and Non Pro Prime Time Derby Championships on her. Just three weeks prior, he also won the NRBC Non Pro and Non Pro Prime Time Derby Championships on her.

Vasquez continued, "She was really, really good this weekend. I went out there and she performed the way all

the horses should perform, but sometimes they are not all that easy! She is one of the very nicest horses that I have raised! I showed her mother, and I showed [almost] all of her brothers and sisters. We got 21 babies out of that mare, and full siblings. With a full sister, I won the NRBC. With a full brother, I won the [NRHA] Derby. So far they have won about \$750,000. They are doing pretty good. You never know what will happen, but we got one of the best in the herd. feel really good about it. She will probably be in the [NRHA] Derby because she had never been sore or anything anywhere. One of the hardest parts of the business is to keep these horses sound and performing at this level.”

Vazquez went on to say how he generally only rides a horse two or three times before a show, as he admits with a laugh, “Sometimes I am better off not to ride them too much, so I don’t mess it up!” He rode Like Shiner once 2 weeks before the show, and then just one or two more times before he showed. Vazquez earned 223 points and a \$2,685 check.

Vazquez enjoyed a big lead as draw number 13 - that is until his daughter entered the pen as the last rider and gave him a run for his money! Mariana Vazquez rode Wimpy Little Tejano to a 221 and the Level 4 Non Pro Reserve title and the

Level 3 Non Pro Championship. The 6-year-old buckskin by Wimpys Little Chic out of Tejana Chic aided Mariana in earning a total of \$4,252.

Mariana said, “I was having trouble with him before this show so I’m really happy that everything went good here. My dad told me to just go in and make a nice clean run – not to do anything too big. So I just went in and tried to keep everything really clean, and stay out of the penalty box, and we did well.” Mariana added, “This horse is really special to me because he is the first horse that got me qualified for the Level 4. He is such a good minded horse. When you ask him to do anything, he will do it! I’m hoping we do good for the rest of the year.”

Mariana plans to show Wimpy Little Tejano at the upcoming NRHA Derby in June.

## **Alicia Rapp on Magnificent Dreamer Wins the Non Pro Levels 1 and 2 Derby**

With just a few Aged Event classes under her belt, Alicia Rapp and her big chestnut, Magnificent Dreamer slid in to win the Non Pro Derby Level 3 Reserve Championship and both Championships in the Levels 1 and 2. They scored a 215.5 and won a combined total of \$3,023.

Rapp said, “My horse turned really nice, he really ran down and stopped great. I really got turned over my hocks, and my rollbacks were good. I wished I had a little bit more in my circles, but it is something that I have been working on, so I’m going to continue to work on that up to the [NRHA] Derby. The rest of my run really was put together nicely. [Magnificent Dreamer] stayed right with me, and I felt like

*Alicia Rapp and Magnificent Dreamer slid into the Levels 1 and 2 Non Pro Derby Championships.*

he listened to me basically the whole time.”

Rapp feels like Magnificent Dreamer is a good fit for her as she said with a laugh, “He is big and lazy! He is 100% my type of horse. I definitely have to push him in his circles, and you’ve got to wake him up before you go in the pen. He definitely has no problem running and getting to a stop and rolling back, but you have to ask him for everything. He is

not going to give you anything. That’s how I prefer one. I’d much rather push one than ‘whoa’ one.”

She added, “My horse is very special to me so any win that we accomplish together, is obviously a very special

win.”

Rapp looks forward to taking Magnificent Dreamer to the NRHA Derby with the singular goal of making it to the finals so she can run through the gate at Oklahoma City.

Graycen Hess won the Non Pro Level 1 & Level 2 Reserve Championships on Chromed Olena, a 6-year-old gelding by Cromed Out Mercedes out of FS Smart Dot Chic. The duo scored a 215 to earn \$1,189.

### Christen on Xtra Voodoo Step Takes the Masters Non Pro Title

Fredrick Christen purchased Xtra Voodoo Step from Xtra Quarter Horses last year at NRBC and is feeling fortunate to have her after winning the Non Pro Masters Championship and reserve in the Non Pro Prime Time Derby. The 6-year-old sorrel mare is by Wimpys Little Step out of Voodoo Chic. Christen piloted her to 215 points and a total of \$1,665.

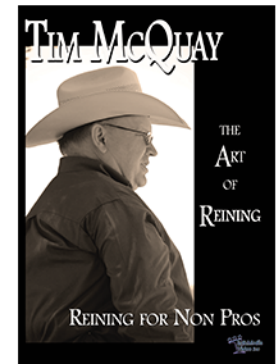

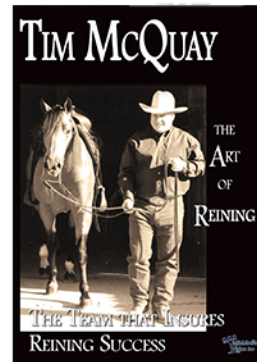

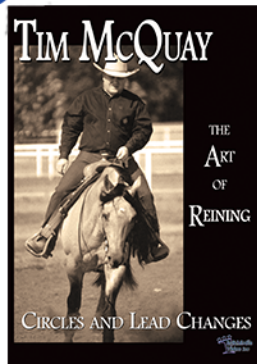

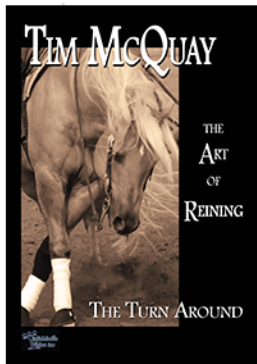

Frederick Christen and Xtra Voodoo Step won the Masters Non Pro Derby Championship.

Christen said, “I’ve gone after high scores, and I knew I had to hang it out there. Fortunately I did, because we had a couple of bobbles, and I was still able to end up in

pretty decent money. She is pretty hooked right now, so she will have some well deserved time off between now and the [NRHA] Derby. It was fun running behind Jose. I did the best I could, you know with a couple of bobbles. The mare is great, and I’m fortunate to own her.”

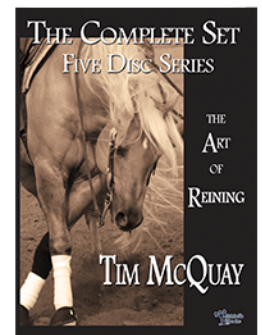

Reserve in the Masters went to Michael Hancock and Nics Custom Dually who scored a 213.5. Nics Custom Dually is a 5-year-old gelding by Mister Nicadual out of Custom Whizzer. The horse and rider team earned \$728 for the title.

# THE FEI WORLD EQUESTRIAN GAMES™ TRYON 2018 ANNOUNCES THE OFFICIAL MASCOTS OF THE GAMES

Organizers for the FEI World Equestrian Games™ Tryon 2018 (WEG) are pleased to announce the official mascots for the Games, two adorable miniature horses named Star and Huck.

Star and Huck were adopted in 2016 by Mark and Katherine Bellissimo, managing partners of Tryon Equestrian Partners, after being rescued by the Peeps Foundation, an organization dedicated to rescuing miniature horses and giving them a forever home. The duo has been inseparable ever since adoption, and have been regular fan favorites at the Tryon International Equestrian Center (TIEC), where the WEG is being held this September, since they began attending events there in 2017.

As rising social media influencers, the minis have an official Instagram account, [@starandhuck](#), so fans all over the

world can follow their journey as the official WEG mascots. Part of Star and Huck's mascot training includes practicing the skill sets needed for each of the eight FEI disciplines, most of which are performed in a playful, comedic spirit as they strive to emulate their FEI horse role models.

Star and Huck are set to have a full calendar of public appearances as the newly-appointed official WEG mascots, including several in-person appearances at TIEC throughout the summer to interact with the local community. During the two-week event, the minis are scheduled to attend on Community Day, Monday, September 17, with other potential dates to be determined.

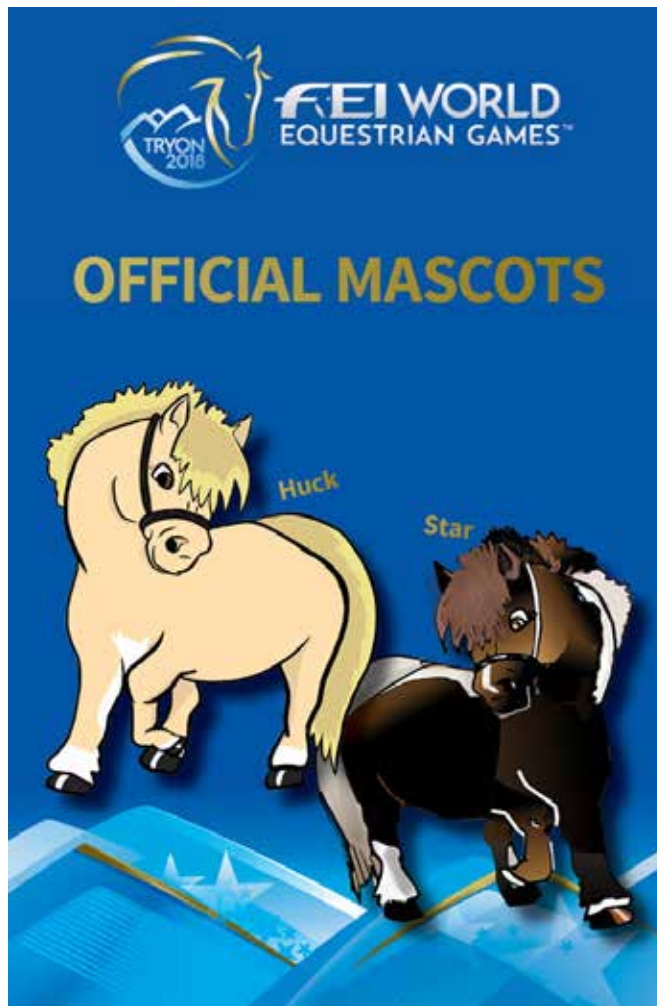

“We are delighted that two of our four-legged family members will be able to partake in the Games,” said Katherine Bellissimo, Chief Marketing Officer and Partner of

Tryon Equestrian Partners.  
 “We’ve brought them to a few events here at TIEC and down in Wellington, Florida, and every time I am impressed at how they touch people’s lives. Their size and personalities makes them so approachable, and they thoroughly enjoy interacting with the crowds. It will be fantastic to have the two of them here for the fans to engage with during the WEG.”

In addition to their amusing personalities, Star and Huck are well known for their variety of flamboyant outfits, and will be adding to their already expansive wardrobe for the Games. They will sport discipline-specific outfits, as well as mini coolers to match the official WEG coolers, designed by Horseware Ireland.

Fans will be able to purchase a variety of Star and Huck merchandise, including a plush toy version of each mini horse along with a variety of other mascot-branded items that will be available online and on-site during the Games.

## Rein in Cancer is here to help!

**If you're in the horse industry and undergoing cancer treatment, you likely have a different set of needs than most. Even as your life is changing, there is still hay to buy, horses to be shod and vet bills, to name a few! We can help. Visit [www.reinincancer.com](http://www.reinincancer.com), fill out a simple application and we can send a check - often the next day after receiving your completed application.**

Rein in Cancer was established in 2008 and by 2011 had raised the funding to create the Shirley Bowman Nutrition Center at the Charles & Peggy Stephenson Cancer Center in Oklahoma City - where patients get free nutrition counseling while undergoing cancer treatment.

Our other important mission is to provide direct payment to members of the horse industry who are undergoing treatment for cancer. We are able to help cancer patients because of the generosity of horse people.

Thanks to their participation and donations, people who desperately need a boost can get it quickly, without red tape or long waits.

We thank the organizations and events that have partnered with us, donated to the cause or hosted Rein in Cancer Fund Raising events.

Thanks to Oklahoma Quarter Racing Association, Remington Park, AQHA, National Reining Breeders Classic, National Reining Horse Association, Tulsa Reining Classic, National Reined Cow Horse Snaffle Bit Futurity, All American Quarter Horse Congress, and more!

We also thank the individuals who give or who host Rein in Cancer Fund Raisers and the families who arrange bequests in honor of their loved ones.

Rein in Cancer is a 501c3 Nonprofit.

## HALL OF FAMER BECOMES NRHA'S NEWEST TEN MILLION DOLLAR SIRE

Not even five full months into the 2018 show season, and a fourth individual has crossed a historic National Reining Horse Association (NRHA) Million Dollar Milestone. The 2011 NRHA Hall of Fame Inductee, Wimpys Little Step has hit the record books once again, becoming the association's third Ten Million Dollar Sire.

Bred by Hilldale Farm, Wimpys Little Step is by NRHA Three Million Dollar Sire Nu Chex To Cash and out of Leolita Step. The 19-year-old stallion is owned by Mike and Michelle Miola's Silver Spurs Equine, LLC and stands at Xtra Quarter Horses, LLC in Purcell, Oklahoma.

Although he only competed for one year, "Wimpy" earned great success in the show pen and boasts NRHA Lifetime Earnings (LTE) of more than \$185,756. In 2002, the palomino stallion and NRHA Six Million Dollar Rider Shawn Florida took second place in The Tradition Level (4) Open Futurity in Lexington, Virginia. The pair went on to claim top honors at the All American Quarter Horse Congress L4 Open Futurity and the NRHA L4 Open Futurity.

Wimpy continued his success through his time in the breeding pen. The stallion has produced 18 NRHA Open and Non Pro Futurity Champions and 6 NRHA Open

Derby Champions. He also sired Wimpys Little Chic—a mare currently boasting NRHA's highest LTE with \$516,555.71. In the 2018 show season, Wimpy's offspring have earned more than \$26,000, helping to push the legendary stallion over the NRHA Ten Million Dollar Sire mark.

His most notable offspring include:

- Wimpys Little Chic (out of Collena Chic Olena): NRHA LTE over \$516,555
- RC Fancy Step (out of Sonita Wilson): NRHA LTE over \$364,454
- Wimpyneedsacocktail (out of Seven S Mimosa): NRHA LTE over \$280,379
- Wimpys Little Buddy (out of All Thats Dun): NRHA LTE over \$278,490
- CFR Centenario Wimpy (out of Miss Hollywood Whiz): NRHA LTE over \$173,740

# WHISPER BIT

It **DOES** look different - and it **WORKS!**  
You'd be surprised at the people who have a  
whisper bit in their tack room or trailer. People like  
**TIM McQUAY \* BOYD RICE \* CHARMAYNE JAMES**

Don't let the name fool you - this bit speaks volumes - and horses just keep winning in the Whisper Bit! Elite riders know that the Whisper Bit communicates clearly to the horse and allows guidance and correction without intimidation. It's forgiving of a rider's mistakes - even when nerves and adrenalin can make hands move a little too fast.

## NEW OPPORTUNITIES FOR NRHA - FUTURITY AND DERBY DATES

National Reining Horse Association Board members discussed several topics related to NRHA-owned events during their May 2018 meeting. Among those topics was the opportunity to secure more dates for the NRHA Futurity & Adequan® North American Affiliate Championship Show starting in 2019, as well as to shift the NRHA Derby up one week in the calendar.

### **Futurity Discussion**

The Barrel Futurities of America recently announced plans to move their December event, which has followed the NRHA Futurity since the 1980s, to the Lazy E Arena starting in 2019. This date cancellation opened up a very rare and time-sensitive opportunity to expand the dates for the NRHA Futurity.

Presented with an unusual offering, the board talked at length about many scenarios including pros and cons to the option. In the end, they were excited about the potential.

“Doors like this don’t open very often, so we took a good, hard look at how this could help us further solidify the event for the future. What could we do to help exhibitors, owners and fans have a better experience? What possibilities could we explore that we can’t today because we just don’t have enough days or hours in those days? Let’s take this opportunity and see what we can make of it for the sport and the horse,” said NRHA President Mike Deer.

NRHA Vice President Mike Hancock continued, “Since moving the Futurity to Oklahoma City, the schedule, number of entries, number horses and other needs have grown. We’ve not had the opportunity to expand the schedule based upon the fact that we were sandwiched in between two events. This opportunity allows us to have a clean canvas to develop the schedule that suits our expanded needs better than ever. Our aged events committee will now take this opportunity to fill in the blanks on what the schedule would look like.”

The date change can help NRHA address the following

needs and maximize the event:

- More time for general move-in
- More time to settle in horses after travel
- More time to familiarize horses with the facility prior to showing
- Starting the show later (i.e. several days later, not on Thanksgiving)
- More down time between go rounds
- More flexibility to adjust the schedule to avoid over-booked, long days
- Options to avoid class cross-over in the schedule
- More alternatives for fun, social parties and events that are a part of the NRHA Futurity experience
- More time for facility clean up before it is released to NRHA

The NRHA Aged Events Committee will consider these concerns and create a recommended schedule for the board to review at an upcoming meeting. The available 2019 dates, which include move-in days, are listed below.

### **Futurity**

- Previous Available Dates (Including move-in days):  
Tues. Nov. 26 – Sat. Dec. 7
- New Available Dates (Including move-in days): Fri.  
Nov. 29 – Sat. Dec. 14

### **NRHA Derby Dates**

In a similar situation, the week prior to the NRHA Derby became available starting in 2019. The board agreed to shift since it will separate the show further from the July 4 holiday. In addition, July is historically the hottest month in Oklahoma, so a move earlier in the year may help in that regard. The shift also allows an extra day to be used as needed for the best schedule possible. 2019 show dates are provided below:

- 2019 NRHA Derby (move-in included): June 13 – 23
