# USA REINING PROVIDES PATHWAY FOR YOUTH REINERS TO COMPETE INTERNATIONALLY

USA Reining has teamed with the US Equestrian Federation to create opportunities for young reiners to represent the United States of America in International Competition. The FEI Reining World Championships for Junior and Young Riders are set for July 9-13 at the CS Ranch in Givrins, Switzerland, give riders worldwide a chance to ride on a team for their country. For the team members this is a thrilling, expense-paid experience plus it provides a key stepping stone

in the reining pathway from grassroots to the FEI World Equestrian Games.

In the USA, different venues have become qualifying events for this with added money sponsored by USA Reining. Two of the qualifying events have already taken place. At the first, held at the Buckeye Bash April 4-7 in Springfield, Ohio, Sam Flarida won the CRIJ3 with a score of 74 on Footwork Revolution. Also qualifying were Emilia Reutimann, Jacob Zimmerman, Gabriella Kammerer, Isabella Tesmer, Abgail Ehringer, Jessica Batton. In the CRIY3 Caroline Gute Topped the field on Tricked Out Truck. Joining her to qualify were Emily Opell, Caleb Sturgeon and, Taylor Zimmerman.

The next event was held at the National Reining Breeders Classic in Katy, Texas April 14-21. On Friday in the CRIJ3, Emma Lane rode Gunner Gump to top the field, which include qualifiers Raeanne Thayn, Elena Wuorimaa and

Carlee McCutcheon. Emma Cohen won the CRIY3 on Top Haida leading a set of qualifiers that included Emilia Reutmann, Chalyce Head, Celeb Sturgeon and Margaret Sue Dunn.

On Saturday in the CRIJ3 Margaret Dunn rode Spooks Smoken Wimpy to the high score of 142 to top the field. In the CRIYR Sam Flarida scored high again on Footwork Revolution with a score of 146.5 to lead the field, which also included qualifiers Emma

Lane, Cade McCutcheon, and Madison Gustin.

The opportunity to compete in a setting similar to the WEG is priceless for these Junior and Young Riders and expenses for the team are paid by the USEF. From the qualifying process all the way through the competition this is the first real taste of competition on the world stage for many of these riders and helps them to gain the experience they will need if they decide to pursue a spot on a WEG team in the future.

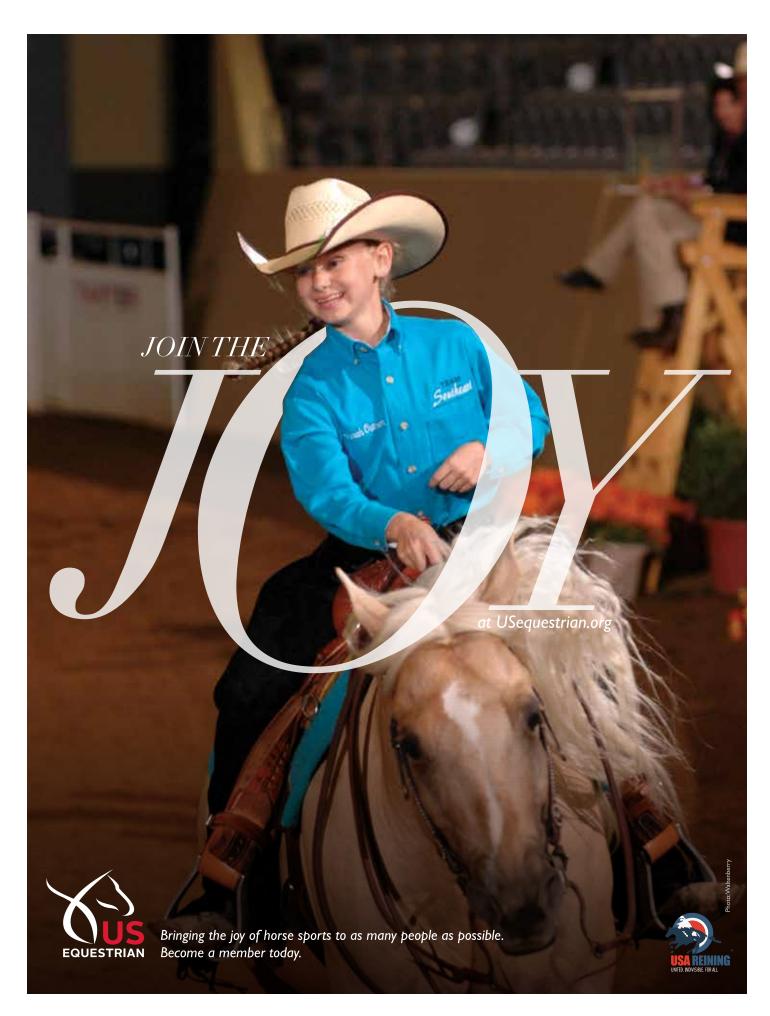

There is still time to qualify – with two important events ahead:

#### **Elementa House of Champions**

### **JERSEY COMES HOME!**

The great Yellow Jersey, the gorgeous palomino stallion with an impressive show record, whose career advanced between the reins of six different riders all the while maintaining excellent results, is coming home - or, at least, to the country, Italy, where his fame as a great athlete was initially established. The news is as fresh as it comes: the prestigious Elementa Centre will now be home to the 'golden' Champion who is due to arrive in the coming weeks. Thus, the Facility adds a second World **Equestrian Games Gold Medalist** to its collection of "happy" horses - because welfare is the top priority that Cecilia Fiorucci, owner of the magnificent Centre near Rome, has for her equine guests.

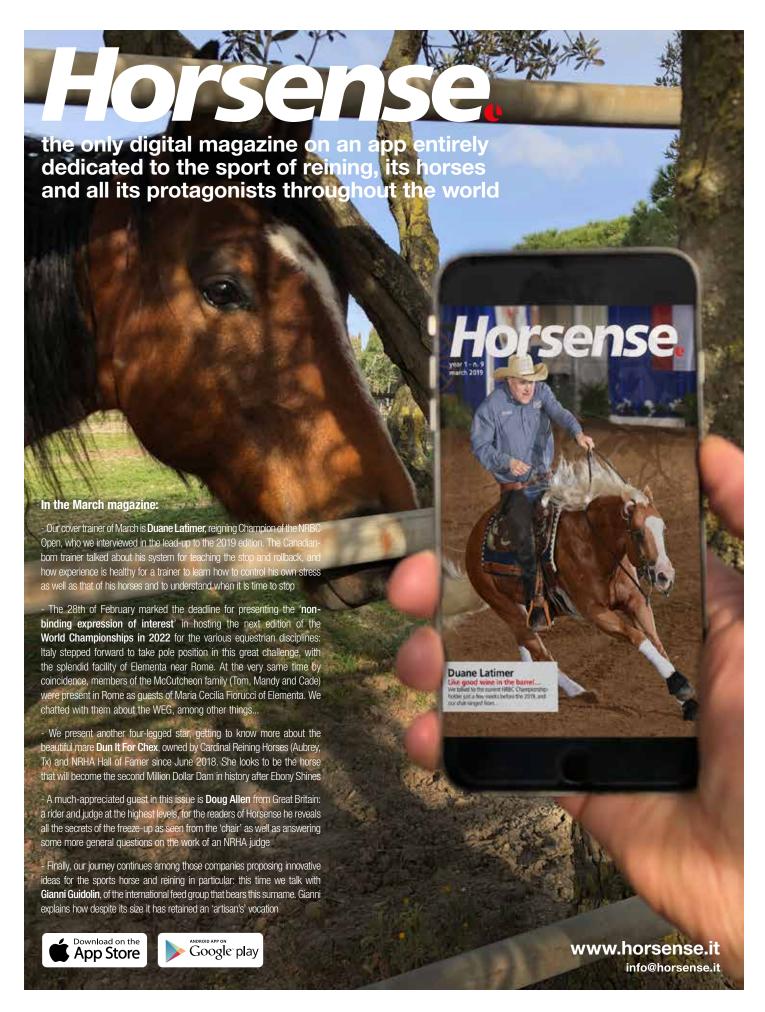

and son: respectively Mandy and Cade McCutcheon: "Cade and I owe so much to these two horses and it was extremely difficult for us to see them go," said Mandy. "However knowing they are with Cecilia and her amazing staff makes it easier for all of us. We visited them last February at their beautiful facility and this is how we knew it was the best decision for Jersey to join the team at Elementa. Both Custom and Jersey will have the best care and be able to continue great breeding careers with the first class work of E-Genetics."

And while Custom Made Gun gave 18-year-old Cade the chance to become the youngest Gold medalist in the USA Dream Team and mark a top score in the 2018 WEG, Yellow Jersey has probably done even more

Yellow Jersey has won a Gold medal with Team USA as well as Individual Bronze at the 2014 Normandy WEG and before that won a team Bronze medal with the Italian squad in 2010 in Lexington. He is currently the only horse that has participated and won medals in two World Championships. In the prestigious location at Bracciano, he will be joining the now "Roman" Custom Made Gun, who brought home the same medals (team gold, individual bronze) from Tryon 2018. What makes this encounter even more extraordinary is that the riders on these two special occasions were mother

for Mandy McCutcheon. Indeed, this horse contributed greatly to making her the first woman and Non Pro to cross the threshold of two million dollars in Lifetime Earnings. He also accompanied her when she was the first woman and the first Non Pro to represent the USA at the WEG. "This was not an easy decision for Colleen and I," said Tim McQuay, Yellow Jersey's former owner and Mandy's father, "but knowing Jersey and Custom will have the best care and homes to live out their lives and breeding careers made it much easier for all of us. We currently have several Yellow

Jersey offspring we are looking forward to showing and can't wait to start riding the Custom babies."

Before being bought by the McQuays in 2014, Yellow Jersey had belonged to Bob Thompson and Lisa Coulter. Bob bought him after his trainer, Andrea Fappani noticed the stallion at the 2010 WEG where the horse was ridden by Stefano Massignan, who had guided Jersey to his first round of brilliant successes. In fact, while still under the ownership highest standard from this point of view. Therefore, we are of Eleuterio Arcese, currently the NRHA's only Two Million certain that our new guest will enjoy the optimum condi-Dollar Owner, and with Massignan in the saddle, Yellow Jersey garnered a host of triumphs: at the age of four, Italian Open Maturity Co-Reserve Champion and finalist at the Italian Open Derby; at five, NRHA European Futurity Open Champion, Italian Open Derby Co-Champion and Italian Open Maturity Reserve Champion. Then, after winning the Bronze medal at the WEG in Lexington, Yellow Jersey returned to the US, where he had been born in 2004, sired by NRHA 10 Million Dollar Sire & Hall of Famer, 2018 Equi-Stat #2 Reining Leading Sire and #3 All Time Reining Leading Sire, Wimpys Little Step out of Ms Clara Melody. Jersey had departed the US for Italy three years earlier after finishing among the Top 12 of Okla's Futurity between the reins of Brent Wright. In 2010, it was Fappani who showed Yellow Jersey in the \$100,000 Shootout and, despite the pair's short time together, they won, thereby significantly advancing the horse's annual NRHA earnings and enabling him to capture the title of 2010 NRHA World Open Reserve Champion.

Yellow Jersey continued to earn credit and money as an aged horse until 2014, closing his competitive career at the grand age of 10 having reached total career winnings of over \$153,000 in NRHA events as well as being AOHA Senior Reining World Show qualifier and receiving the AQHA Register of Merit (ROM). Despite going to the breeding shed relatively late, he has sired offspring that have earned over 164,200 dollars. The Top 5 performers among his offspring: The Star Jersey (\$36,444, 2018 High Roller Reining Classic Futurity Open L4 Reserve Champion with Craig Schmersal), Yellow Bug (+\$23,830, Half Arabian 4/5YO Reining Futurity Open Champion), New Jersey (+\$17,310, 3rd ARHFA World Championship Roping Futurity Heeling), Ruf Up My Jersey (\$12,503, 3rd Reining Southwest Futurity with Brian Bell), Lil Jersey (+\$10,000, Reserve Champion at the Tulsa Reining Classic L3 Developing Horse Futurity with Tim McQuay). In Europe, not to forget Arc Jersey Out (French Futurity 3-yr-olds Reserve Champion) and Arc Snap Chic (Austrian Futurity 3-yr-olds Reserve Champion), all of which were shown by Gennaro Lendi. Now, managed in Europe by E-Genetics, he will be able to further consolidate his talent as a sire.

"Yellow Jersey's long and healthy career is exactly what Elementa would like to see made possible for any reining

horse", explains Communications Director, Domenico Lomuto. "While it takes special mettle to do what he did, we would like to see the same conditions created everywhere for other horses to enjoy the same chance. It is clear that the wellbeing of our athletes depends on a long list of care and skills related not only to their training but also to their daily management. Elementa will ensure that Yellow Jersey, like all the other residents of our Centre, is guaranteed the tions to best express his potential as a sire".

### **USEF ANNOUNCES POSITIVE TESTS OF CANNABINOIDS (CBD)** WILL RESULT IN GR4 VIOLATIONS AS OF SEPTEMBER 1, 2019 From the US Equestrian Communications Department

Tasked with protecting the welfare of equine athletes and ensuring the balance of competition, the US Equestrian Federation (USEF) Equine Drugs and Medications Program consistently monitors new products and product claims. From time to time,

new products appear on the equine supplement market claiming to enhance a horse's performance. Over the last several years, cannabinoids have gained increased attention and have become nearly mainstream.

In 2018 Congress passed the Agriculture Improvement

Act, also known as the "Farm Bill", which defines "hemp" as both the plant Cannabis sativa L. and any derivatives of cannabis with less than 0.3% delta-9-tetrahydrocannabinol (THC). With the enactment of this bill, "hemp" is no longer considered a controlled substance under federal law, but THC remains a Schedule I drug with the Drug Enforcement Agency (DEA). The passage of the Farm Bill has created some potential confusion with respect to the use of these substances with competition horses.

USEF Equine Drugs and Medications Rules prohibit cannabidiols (CBD) and their metabolites. While hemp does not contain more than 0.3% THC, it does contain CBD. CBD, both natural and synthetic forms, are likely to effect the performance of a horse due to its reported anxiolytic effects. This substance is no different than legitimate therapeutics

that effect mentation and behavior in horses. It is for these reasons that USEF prohibits CBD and all related cannabinoids. Horses competing under USEF rules who test positive for natural cannabinoids, synthetic cannabinoids and other cannabimimetics will be considered in violation of GR4 beginning September 1, 2019.

It is important to note that analytical methods are being implemented to detect CBD and similar cannabinoids. Both USEF and FEI list natural cannabinoids, synthetic cannabinoids, and other cannabimimetics as prohibited substances. Caution is important when using these products as their composition widely varies and may not be representative of their label claims as there is no regulatory oversight from the FDA, nor guarantee of their safety in horses.

As published literature does not exist noting detection times of these substances in the horse, and because products can widely vary in their compositions and concentrations, detections prior to September 1 will receive warnings. They will be considered to be in "Prior" violation if there are additional detections of cannabinoids following September 1. GR411 Conditions For Therapeutic Administrations of Prohibited Substances does not apply for cannabinoids and medication report forms do not apply.

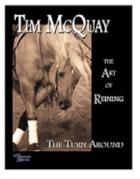

With regards to human use, any athlete who is subject to testing under the World Anti-Doping Code can refer to the regulations for human use of cannabinoids <u>here</u>.

# MS DREAMY INDUCTED INTO THE HORSE STARS HALL OF FAME

Frederick Christen's 2010 mare Ms Dreamy (Magnum Chic Dream x A Gal With A Gun; LTE \$179,169) has joined other outstanding equine members in The Horse Stars Hall of Fame as a 2019 United States Equestrian Federation (USEF) inductee. Established in 2013 by USEF and the EQUUS Foundation, the Horse Stars Hall of Fame celebrates the extraordinary talent of horses and their magical and powerful bond with people. The USEF inducts the horses recognized annually as "Horses of Honor" for their stellar athletic performances.

Those who have the honor of knowing reining superstar Ms Dreamy would agree that she has big talent and an even bigger heart. "This horse has a heart the size of the universe. I had a lot of success with her as an amateur rider, under the guidance of Dan and Wendy Huss," Christen said. "She had the heart to step up and be a contender for the 2018 FEI World Equestrian Games<sup>TM</sup> (WEG)." But qualifying for WEG was just the beginning for Ms Dreamy, who would go on to make not only her inner circle of riders, trainers, and owner proud, but the entire reining community.

Ms Dreamy, affectionately known in the barn as 'Dreamy,' has collected a multitude of remarkable accomplishments with four different riders over her five-year career. However, nothing can compare to the results the athletic mare and her current rider and trainer Dan Huss achieved in 2018.

During the Carolina Classic Derby and FEI World Equestrian Games Tryon 2018 Reining Test Event held in May, Huss rode Ms Dreamy to the high score of 224. In the second phase of the competition, they scored a 226 for a 450 composite tie and moved past the tie to win the event. During the WEG, Ms Dreamy and Huss helped the U.S. Reining Team earn their fifth consecutive team gold medal while placing second individually in the team competition. They finished WEG with the individual silver medal, making Ms Dreamy the first mare to individually medal for a U.S. team. Out of a field of 61 combinations in the WEG reining team competition, she was one of only 12 mares, and one of only four mares in the individual competition.

"Her qualifying runs for the WEG were incredible," Christen added. "Both of her runs at the WEG also made her deserving of this recognition."

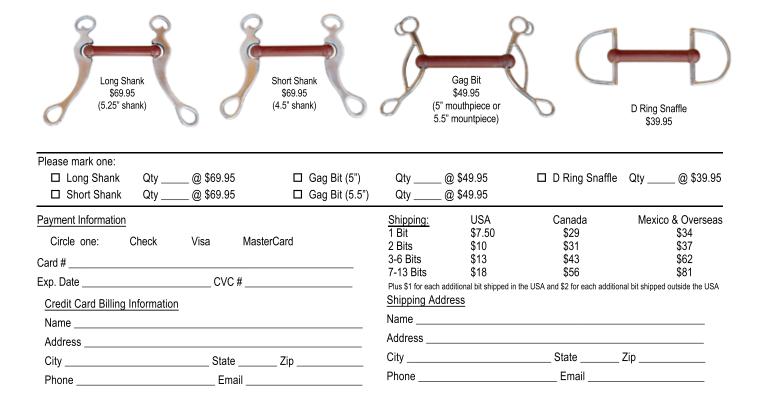

Christen's proudest moment involving Dreamy took place at the 2018 American Quarter Horse Association World Championship Show. While competing in the Senior Reining finals, an equipment malfunction where the headstall came unbuckled from the bit left Huss with no bridle, but that was not enough to stop Dreamy from putting down a stellar performance. Despite being bridleless, Huss and Dreamy stayed focused and executed a pattern that Christen described as "life-inspiring."

### It DOES look different - and it WORKS! You'd be surprised at the people who have a whisper bit in their tack room or trailer. People like

### **TIM McQUAY \* BOYD RICE \* CHARMAYNE JAMES**

Don't let the name fool you - this bit speaks volumes - and horses just keep winning in the Whisper Bit! Elite riders know that the Whisper Bit communicates clearly to the horse and allows guidance and correction without intimidation. It's forgiving of a rider's mistakes - even when nerves and adrenalin can make hands move a litle too fast.

Throughout her career, Dreamy has accumulated many notable accolades, including the 2013 National Reining Horse Association (NRHA) Futurity Level 2 Non-Pro Reserve Championship; the 2014 American Quarter Horse Association Amateur Reining World Championship; the 2015 High Roller Reining Classic Derby Level 3 Open Reserve Championship; and the 2016 National Reining Breeders Classic Level 3 Non-Pro Championship. In addition, Ms Dreamy was named a 'USEF Horse of Honor' in 2018.

Christen, who has been involved in the equine industry for 27 years, is proud of Dreamy's countless accomplishments, and perhaps more importantly, her willing nature and big heart. "There is no quit in this mare," Christen said.

## NRCHA NON PRO LIMITED ACHIEVEMENT AWARD

The National Reined Cow Horse Association Merit Award Program was created to recognize elite equine athletes that steadily succeed throughout their reined cow horse show career. Merit awards are determined by the horse's NRCHA lifetime earnings – whether win checks are earned at regional or national level shows. The current award levels are: Certificate of Ability, Superior Cow Horse Award and Supreme Reined Cow Horse. Earnings won in the Limited or "boxing" classes are only applicable for the Certificate of Ability level.

The NRCHA Board of Directors appreciates and recognizes the value Limited horses and riders contribute to the association, and in return have added a new award to the long-standing program. Starting in 2019, Non Pro Limited and Youth Limited riders can apply for the Non Pro Limited Achievement Award, a new level of recognition specifically designed for horses that excel in the Limited or "boxing" classes.

- The horse must have earned a minimum of \$15,000
- The horse must have earned a minimum of \$1,000 in Limited Aged Events, such as Derbies or Futurities. This money can be earned in either fence classes or boxing classes.
- A minimum of \$10,000 must be earned in Horse Show Category 1 Limited or "boxing" classes, including monies earned in the Select and 13 and Under divisions.

 Monies earned in Category 2 classes will not count towards the award

Non Pro Limited Achievement Award recipients will receive a 16" x 20" custom wood plaque that includes a picture of their choice, the achievement certificate and NRCHA logo. All merit awards are presented at the NRCHA Year-End Banquet, held during the Celebration of Champions show in February.

To apply for the Merit Award Program, complete the application and submit a one-time fee of \$50.00 to the NRCHA Office by November 15 of the award year. All applicants are eligible for all levels of the Merit Award Program upon completion of each requirement. The NRCHA office calculates the applied horse's show records and automatically processes the awards when each level is achieved.

For many reined cow horse owners and riders, achieving merit status is an honor to be treasured. Receiving an NRCHA Merit Award is a true testament of a horse's consistent performance through all phases of traditional Vaquero training.

On Tuesday, the Executive Committee voted unanimously to rescind its previous motion and to recommend the creation of Category 13. This opened the way for the board of directors to also reassess its previous decision.

"Given all additional information from the event's promotor, Amanda Brumley, and the great amount of input that the board of directors received from stakeholders by emails, texts, calls, and social media outlets, the board has chosen to introduce Category 13 to recognize the earnings for the Run for a Million (Invitational)," said Hancock.

"The NRHA Board of Directors heard, listened, and took action to move in the direction that stakeholders felt was important," said NRHA President Mike Hancock. "Members from around the world chimed in and spurred the decision to revisit the topic and take additional action."
