# Billingsley Ford Open Prime Time Co-Champions Tom McCutcheon & Vintage Nites/Duane Latimer & CS Boomboomwalla

Longtime friends Tom
McCutcheon and
Duane Latimer tied to win the
Prime Time division of the
Billingsley Ford
Open Futurity with scores of
219. While the men joked about being the "old guys," they were

Longtime still excited about the money they won. Not only did they friends Tom win the Prime Time division, they each earned checks in McCutcheon and Levels 3 and 4 totaling more than \$4,500.

McCutcheon was entered on his mare Vintage Nites, by Gunners Special Nite out of Vintage Crome. "I was really happy with her. She's super green and missed some time this summer, so I came here not really knowing if I was going to show her or not. She did really well in the warm-up class, so I decided to give it a shot. She went in there and did everything I asked of her," he said. "Since I own her, she fell through the cracks. As soon as I started riding her, I liked her. Cade showed her dam in the Non Pro and won about \$75,000 on her."

Latimer rode CS Boomboomwalla, a gelding by Walla Walla Whiz out of Cheeky Boom. "This horse is owned and was raised at XCS Ranch. This is the second time I showed him, and I was really happy with him today. I showed him at Tulsa, and it wasn't great, but today he was much better," Latimer said. "We're moving forward. He didn't get turned really well, but the rest was solid."

When asked how they felt about the Prime Time division, McCutcheon said, "None of us like being in it, but it's a fact of life."

Latimer laughed, adding, "But I don't want to turn the

money down. We will keep building off today," prompting McCutcheon to reply, "I don't want to agree with Duane about anything, but I agree on that. Plus, our horses were good, and that's the main thing."

Latimer said, "I thank my whole team, and of course the owner XCS Ranch."

McCutcheon noted, "I own this horse, so I'm thanking myself, and thanking Duane for not being better than me today."

Just a couple months earlier, McCutcheon and Star N Diamonds put together a solid run in the SmartPak Non Pro Futurity at the NRBC to place fifth. "She was really good at Tulsa. She's been a good

little show mare already," McCutcheon said.

"It takes a village," is McCutcheon's mantra when asked who helps her be successful. "I have been really busy the last few weeks between the Legacy Sale and following my daughter Carlee around to her jumping shows. Between my dad, Tom, Debbie Brown, and Fernando Salgado, they got

her ready for me. It is a team effort around me all the time," she said. "I thank my parents for buying this horse for me and always trying to have some good horses under me and my kids. I thank Tom and all the people at the ranch who work hard and make it possible to go to the horse show. It takes a very large village."

"She's won about \$10,000 so far. It makes me a little emotional when horses are your partner and do their job for you like she does."

"The second time we cleaned up the turnarounds and the trot penalty, but he wasn't as good in the circles."

When asked how it was to compete against Meyers, Crowe said, "We've been competing against Susan and some of her horses all year, and we're very happy to be in the same company as her."

## Ltd. Non Pro [1] Champions Paige Pastorino & Smart Whizard Spook

Paige Pastorino hasn't been able to show her reiner, Smart Whizard Spook, in almost eight months. That didn't seem to matter on Thursday, when the two put together a solid run that resulted in a score of 73 to win the first slate of the

Limited Non Pro.

"My plan today was to take it nice and easy. I haven't shown in a while, and it went better than I had planned. He was so honest, and I was able to show him like I wanted. It just worked out," Pastorino said.

Smart Whizard Spook, nicknamed Frankie, is a five-yearold by Smart Spook out of Miss Poco Whizard. "He was raised in Canada and I bought him about two years ago. Masters Non Pro Shootout, a He's awesome in the show pen and I love showing him," she said.

Paige and her mother Dana both compete in reining, but it's not the first even the two have been competitors in. "It's awesome to ride and compete with her. We used to do the same thing a long time ago in the hunter-jumper world, and it's great to be able to do it with the reiners, too," she said. "I thank my parents, as well as my trainer Dany Tremblay, for all their help and support."

#### Prime Time Non Pro [1] Champions Susan Meyer & Smart Twinkeltown

"We have had him for three years, and he's been a really nice horse. He's well-minded and good tempered. My husband doesn't ride, he just owns him, so I get to ride him."

Meyer lives in south Texas, but Smart Twinkeltown stays with her trainer Jared Leclair. "Jared takes care of him and keeps him in shape. I thank Jared for all his help. He's been awesome. He's always there for me when I need him, and I appreciate him very much," Meyer said.

Wetherell's husband Wes purchased Lil Ruf Cash, by Lil Joe Cash, for her two years ago. "He's a six-year-old gelding and I love him. He had an accident right after we got him, so we got a late start and have only shown him a handful of times, but it's been a lot of fun," Dana said.

She noted her appreciation for her coach Adam Johnson. "Adam works out of our barn, so I get a lot of coaching. Our plan was just to stay out of the penalty box and put together a clean, consistent run," she said. "I thank Adam. He's the

most patient coach and is very detailed. I thank my husband Wes for buying me this horse because I begged for him. I also thank Molly Cherry. She is always cheering me on and we show together, so that's fun."

Wetherell is looking ahead to the NAACs at the NRHA Futurity, where she will be competing for the Rookie of the Year.

#### Rookie L1 [1] Co-Champions Kalicia Walters & Lady Gotta Gun

Kalicia Walters and her standout mare Lady Gotta Gun put together a solid run in the Ancillary Arena to mark a 71.5. That score was enough to tie for the win of the first slate of the Rookie Level 1. "We had fun today. We have worked really hard between the NRBC and now to change up a few things. We're getting more comfortable with each other and trusting each other more, so it's getting fun," Walters said after the class.

Walters has been riding reiners off and on for five years, and recently she and her family moved to Marietta to be closer to her trainers Dany and Fred Tremblay. "We're about 10 miles from them so we're getting to ride a lot more. My daughter is starting to ride now, too, so it's been fun," she shared. "They are so supportive. They're here for everything and help me and Lily out, and it's wonderful. They're great."

With a score of 71.5, Audrey Jewell and Hot Chics Love Me won the second slate of the Novice Horse Non Pro Level 1, easily securing the high point championship for the class. It was a surprising win for Jewell, who had only planned to school her horse. "This run I really did try to go in and just school a little bit and work on some problem areas for me. He was really, really good, so I stayed one-handed and kept schooling," she said. "We went early, and it held up through the day."

Hot Chics Love Me is by Yellow Jersey out of Hot Chic With A Gun. This is the first show for Jewell and the colt, who was trained and shown by her fiancé Francesco Martinotti. "We are going to the World Show next, and I feel a lot better about it now. We still have some things to work on, but I'm blessed to have such a nice horse to ride and have such a good trainer. Shezmylilwhizkeygirl, by Whizkey N Diamonds out of Relaxin With A Bud. "I have learned a lot from her."

Boeckman has recently started riding with Trevor Dare. "He always has good advice for me, and it usually keeps me laughing and relaxed. He told me to just go in and ride, and not to worry because she'd be right there for me, and that's how it went." She added, "This was our maiden voyage, and it was a good one."

Boeckman is done showing for the week, but is looking ahead to the AQHA World Show. "She seemed to want to do her job, so I'm excited about competing in Oklahoma City," she said. "I thank Trevor and all of his crew. I also thank everyone who has helped me along the way. I have ridden with several different trainers, and they've all been good to me."

Victoria Lambert hasn't shown much the past couple years, but she and her mare Goodtime Tinseltown put together two solid runs in the Novice Horse Non Pro classes to capture the Level 3 High Point Championship! "I'm really excited," Lambert said when receiving her buckles. "We owned this mare's mother, Good Time Whiz Girl, and bred her to Hollywoodstinseltown. She's a five-year-old that we didn't really get to show as a three and four-year-old. Sam Smith has done a tremendous job helping me with her, and she has been so consistent and such a joy."

When asked about her two runs, Lambert laughed and said, "If I could learn to stay out of the penalty box we

would be even more successful. The first run she was really good, but I had a couple penalties. I fixed those for the second run but ended up with different ones there! She was awesome though."

Lambert plans to show the mare again on Sunday in the Non Pro classes. "Sam asked if I wanted to show at the Futurity, and I am so excited I get to show one more time this year. I can't say enough about how much Sam has done to encourage me to come back and ride again," she said. "I also thank Kelle Smith, who is my cheering squad, and my husband who doesn't always come to the shows but still supports me."

#### Nov. Horse Non Pro L1 Co-Champions Audrey Jewell & Hot Chics Love Me

"He was really, really fun to show. We just bought him last week for me to show, and I'm planning to show him at the World Show in the next couple weeks, so this was a trial run for us," Jewell explained.

So this mare is very special."

Hall, of Gainesville, Texas, noted that Shes Dunnit Now might be green, but is continually improving. "She's been a lot of fun. She's just a cool little horse, and gets better all the time. Today she felt really good. She hung up on her turnarounds a little bit, which I was expecting, but we're gaining," he said.

By Gunner and out of Sonita Lena Chick, FM Cottonwood has always been special. Owners Khris and Carlton Crowe were on hand for the awards ceremony, and shared his story. "Our friends Floyd and Michael of Cottonwood Ranch are the reason he is here. They were dispersing their ranch, and gave his dam to us because she had some issues. This was her last foal," Khris explained. "He is such a gift and is very special. Without Floyd and Michael, he wouldn't be here."

Carlton will be showing FM Cottonwood later in the week during the Outta Dough Masters Non Pro Shootout. "Then he'll be done for the year. He's going to have some semen frozen to send to Europe, and then he'll get to enjoy life for a few months," Vital said. "I thank Khris and Carlton. They're like second parents to me. I also thank Gunny Mathison, and of course this horse."

Richards will be showing Gunna Spook later this year at the NAACs at the NRHA Futurity in the Rookie classes, and Murphy will show him again in the Novice Horse. "There are a few little things that need to be worked on, but I like how they both finished up for us."

Stopping In Jersey, owned by 2Star Investments LLC, is by Yellow Jersey out of Stop Little Sister. "His run was pretty straight forward. He can turn really big but he didn't turn as good as he can, but he was solid and locked in," Vanlandingham said.

Youth 13 & Under [2] & High Point Champions Adele Cunningham & Ruffycat

Adele Cunningham put together two solid runs on her horse Ruffycat, winning the second slate of the Youth 13 & Under and clinching the high point championship for the division.

"Today I kind of just went slow with it. I trotted out of a rollback, but other than that she was good," Cunningham said. "I went faster yesterday, but she was still really good today."

Ruffycat, a seven-year-old mare, is by Lil Ruf Peppy and out of Miss Jerry Cat. "I just got her a few months ago, and I love her," she said. "I really love her stops and when she runs in."

Next up for the pair? The NRHA Futurity. "I'm not going to change anything between now and then," she said. "I thank my trainer Franco Bertolani, his assistant Gloria, and my mom."

#### Short Stirrup [2] Co-Champions & High Point Champions Jocelyn Anderson & Wimpin Aint Easy

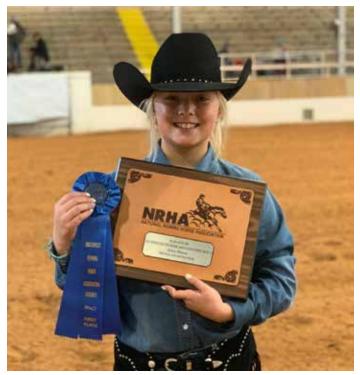

Jocelyn Anderson won the first slate of the Short Stirrup, and tied to win the second, easily sealing the Short Stirrup High Point Championship on Wimpin Aint Easy. "I think I was a bit more confident and ready today after having a good first run," she said. "Today everything was pretty good. My horse wanted to look a little bit, but that was ok."

Wimpin Aint Easy is an eight-year-old by Wimpys Little Step out of Janie Be Nimble. When asked what she was

going to do when she got home, Anderson said, "I'm going to put all my awards up and give him a break for a few days and ride my other horses," she said. "I thank my mom and dad and our assistant. She's really good and has helped me a lot."

#### **Short Stirrup [2] Co-Champions**

#### Lily Walters & Peppy San Whiz

It was Lily Walters first reining show, and the young competitor had a great debut, tying to win the second slate of the Short Stirrup. Walters rode Peppy San Whiz, a 17-year-old

by Topsail Whiz out of San Sweet Yucca.

"We call him Ziggy, and I love him. He did great. I just focused and we did the corners great, and here we are now," she said. "My favorite part was the rollbacks."

When asked what she had been working hardest on, Walters earnestly replied, "Everything we need to win."

Unsure of where she will show next, Walters made sure to thank some important people. "I thank the Dany Tremblay team," she said. "And my mom."

#### Rookie Level 1 & 2 High Point Champions Sarah Flarida & Starbucks Jazz

Sarah Flarida claimed two high-point buckles - the Rookie Levels 1 & 2 - riding Starbucks Jazz. She also won the second slate of Rookie Level 1, and finished reserve in Level 2, with a 72.5.

"This was my highest score ever. It was awesome," Flarida said. "He was really good today. My main focus was to keep him quite in the middle. He has been shown so much he will anticipate a little bit, but he was great, and our first stop was the best I've ever had in the show pen."

Flarida has leased 17-year-old Starbucks Jazz, by Smart Starbuck out of Flipped Out Jazz, from Whitney Conrad for the past two years. "He has been there and done that, and has way more experience than I do, so he's so much fun to show," Flarida said.

Flarida and Starbucks Jazz will show next at the NRHA

Futurity, where they qualified for the Rookie of the Year. "I thank Jazz for sure, and my husband for helping and supporting me," she said. "Thank you also to the show staff, and for sure the owner Whitney Conrad."

#### Rookie Level 2 [2] Champions Madaline Callaway & Electric Coded Trash

Madaline Callaway and Electric Coded Trash won the second slate of the Rookie Level 2 with an impressive 73.5. "I just wanted to go in and see how he was, and he listened to everything I told him to," Callaway said. "We will show at the NRHA Futurity next. That's what we were prepping for, and I'm excited to go."

Electric Coded Trash is an eight-year-old by Electric Code out of Got Trashed. Earlier this year the pair won the Yellowstone Rookie Shootout during the NRBC. "Frankie (Electric Coded Trash) is actually my mother's horse. I show him for her and she claims him as her own," Callaway explained. "Today he just did what he does best, and was really good. I thank my mom and dad, and my trainer Jared Leclair."

#### Prime Time Rookie [2] & High Point Champions Valencia Pitzing & RC Fashion Chic

Valencia Pitzing was all smiles accepting her prizes following Sunday's Rookie classes. That's because she and her horse RC Fashion Chic won the Prime Time class and Prime Time High Point, and also placed in the top three of

Rookie Levels 1 and 2 with a score of 71.5. "He did his job and I did mine. We're getting together and I am getting more comfortable," Pitzing explained.

RC Fashion Chic is an eight-year-old by RC Fancy Step out of Shesa Fashion Chic. "I have had him a couple years, and he's a good boy. I only get to ride him about once a month, but Ruben Vandorp and Arno always have him ready and happy," she said. "I thank Ruben and Arno for everything they do."

#### **Selection Process**

The selection process for judges and stewards at each major NRHA event occurs several months before the first horse ever enters the pen. Both judges and stewards are selected at the same time using the same process. Here's a synopsis of how your judges and stewards are selected:

• Every eligible judge across the global is contacted for their availability of the event.

- All available judges are compiled into a list and sent to each member of the judges committee.
- The Judges Committee members make selections from the list to fill the allotted slots for the event.
- These names are compiled into a short list and discussed on a conference call with all members of the Judges Committee. Nominations are allowed to be made on this conference call.
- The committee members, except for the chair, then rank their choices and each ranking equates to a certain number of points. The points are compiled and submitted to the committee chair.
- The committee chair reviews and makes recommendations based on the outcome of the vote and the needs of NRHA.
- 1. Example: If five judges selected and all have judged an NRHA major event recently, the recommendation could be to move up a "newer" judge to replace the 5th judge on the list. If an inadequate number of international judges are selected, the recommendation could be to bring in the next highest-ranking international judge, etc.
- The ranked list with the Judges Committee Chair recommendations is submitted to the NRHA Board of Directors for final selection.
  - Both judges and stewards

# NRHA PROFESSIONAL MATT MILLS REACHES MILLION DOLLAR MILESTONE

Amidst a fall show schedule packed to the brim, the National Reining Horse Association (NRHA) is proud to announce NRHA Professional Matt Mills is unofficially the newest NRHA Million Dollar Rider. This accomplishment comes after toptier finishes at the National Reining **Breeders Classic** (NRBC) and the High Holler Reining Classic (HHRC).

reining until I was about 18."

Growing up, the hour-long trip via city bus was never a deterrent for Mills when it came to attending riding lessons. He headed to the barn every day after school and usually finished his homework on the bus ride.

The day after high school graduation, Mills was Arizona

bound for what was supposed to be only a summer internship with NRHA Million Dollar Rider Dell Hendricks. That summer of 1997 internship stretched out for five years and essentially launched Mills' career as a reining horse trainer.

"Easy Otie Whiz (Topsail Whiz x Miss Poco Easy) really improved the trajectory of my career," Mills said of the late 1999 stallion who stood at Out West Stallion Station. "I made a lot of open level 4 finals on him and also attained

This Scottsdale, Arizona, native was introduced to horses by a Shetland pony named Dizzy in a small round pen at the Lakewood Equestrian Center in Long Beach, California.

"My mom had horses as a kid and, for whatever reason, she took me for a riding lesson when I was 8 years old," Mills said. "I showed in almost every discipline except for my all-time highest score under five judges."

Together, Mills and Easy helped win a gold medal for Team USA at the 2006 World Equestrian Games (WEG) in Aachen, Germany. Easy is just one of many horses who helped carry Mills to his latest monumental accomplishment.

"I'm going out in the arena as an individual, but this is a team sport," Mills said. "I can't stress enough how important the horses, owners, my family, and everyone on my team is to me. My team is really the key to my success."

Although Mills is savoring reaching a goal he set for himself when he was just 21 years old, his competitive spirit compels him to begin focusing on his next million.

"I always stress the importance of setting goals," Mills said. "But I also want to enjoy the journey along the way." Provided by NRHA.

The atmosphere on Open Snaffle Bit Futurity finals night inside Will Rogers Coliseum was nothing short of adrenaline-charged as fans were treated to one dynamic performance after another at the \$1.3 million National Reined Cow Horse Association Snaffle Bit Futurity, presented by Metallic Cat.

The crowning of Open, Cinch Intermediate Open and Limited Open champions represented the dreams of owners, breeders and trainers coming to fruition. In typical reined cow horse fashion, it all came down to the fence work.

#### **Open Snaffle Bit Futurity Champion**

The leaderboard was stacked as Open finals fence work began. Madeleine Claire Fountain's Ricato Suave (Metallic Cat x Hip Hip Sue Rey x Dual Rey) and Clay Volmer held down the No. 1 spot with a 440.5 (223 herd/ 217.5 rein), but Sarah Dawson and both of the great horses she made the finals on were hot on his heels. Dawson ranked second, trailing by one point, with Smart Chic An Tari (219 herd/ 220 rein) owned by Aaron Ranch. She was sitting third on Sheri Jamieson's mare Selvarey (216 herd/ 220.5 rein) with a 436.5.

Last out in the second set it was SnapDragons (Gunnatrashya x Catnaps x High Brow Cat), ridden by Zane Davis for Shane Law, that took command of the lead with a scalding 222 down the fence and the resulting 656.5 composite (215.5 herd/ 219 rein). Ricato Suave (Metallic Cat x Hip Hip Sue Rey x Dual Rey) and Volmer were first up in the third set, posting a 216 to join SnapDragons and Davis at the top of the leaderboard with a 656.5. No. 26 of 28 in the draw, it was Dawson and Selvarey who rose to the challenge, executing their fence run to perfection. Selvarey and Dawson were rewarded with a score of 224 by the judges. Dawson's resulting 660 composite on Selvarey cinched the 2020 NRCHA Snaffle Bit Futurity championship by a three and one half point margin for earnings of \$125,000.

SnapDragons and Davis shared the reserve championship with Ricato Suave and Volmer, each of whom earned \$80,000.

Surrounded by friends and family, including her 6-monthold daughter Hadley Grace and her husband Chris, Dawson explained how the win was quite special considering that Selvarey's dam Shine Smarter, by WR This Cats Smart, was her first Open Snaffle Bit Futurity finalist. Selvarey is a Dual Rey daughter and is a product of Dawson's parents Richard and Cheryl Winters' breeding program. Dawson describes the mare as having been exceptional from the start.

"She's been such an easy mare to train, she tries really hard and she hates to take a wrong step. She's a dream to train, she's awesome," said Dawson.

The humble champion not only credited her horse, but also her spouse and fellow NRCHA Professional, Chris, for his role in her win. "My husband, Chris, he's just such a support system to me," she said. "We ride and train horses together all day long and if it weren't for him and having his eyeballs on me all the time I wouldn't be where I am today."

Of her stellar final's performance Dawson explained that her mindset was simply to put forth a solid effort.

"Winning it wasn't on my radar at all," said Dawson. "I was just trying to put a clean, smooth run together and get as big a check as we can at that point. It comes together when you least expect it."

# AMERICANA 2021: FOR OVER 20 YEARS THE MECCA OF EUROPEAN REINED COW HORSE SPORT IN 2021 WITH ERCHA DERBY FOR THE FIRST TIME

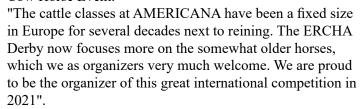

Reined Cow Horse is for many people the supreme discipline of western riding. A good Reined Cow Horse must have both reining and cutting skills and also have the necessary 'bite' to be able to stop and turn a cow at full speed. Reined Cow Horses are very special horses, and special bloodlines have long been developed to produce such horses. For more than 20 years, AMERICANA in Augsburg has provided the ideal platform to present the champions of tomorrow. Here, the first Futurity of the European Reined Cow Horse Association (ERCHA) took place, which has been an inseparable part of AMERICANA ever since.

Regularly the Fence Work final during the Saturday evening show fascinates the more than 5000 spectators. In 2015 another highlight was added to the AMERICANA: the ERCHA Nations Team Cup. At the upcoming AMERICANA there will be another Reined Cow Horse premiere: for the first time, ERCHA will hold a derby for 4- and 5-year-old horses in Augsburg.

"We have decided on holding an ERCHA Derby in Germany in order to appeal especially to Reined Cow Horse riders from the North for whom the ERCHA Derby in Italy

is too far away," says ERCHA President Markus Schopfer, who is a highly successful Cow Horse and Reining trainer as well as a multiple ERCHA Futurity Champion. "AMERICANA is the only possible venue for this event. It is unique and simply the best show in Europe".

Show manager Sandra Quade is pleased about the new Reined Cow Horse Event:

ERCHA Nations Cup Final on Thursday night, Derby Final during the Saturday Night Show

The ERCHA Nations Team Cup final is scheduled for the evening event on Thursday, September 9, 2021. This is the second of a total of four evening events at AMERICANA. The first takes place on Wednesday: "Stunts & Stars". It introduces spectators into the fascinating world of horse training for the big appearances in film, television and shows. In addition, bridleless cutting will be shown there - cutting completely free, without a headstall. The coveted AMERICANA evening shows will take place on Friday and Saturday. The finals of the Bronze Trophy Reining Open are traditionally staged as part of the Friday evening show,

as well as the finals of the European Championship Ranch Riding Open class, while the Saturday evening show is dedicated to the cattle classes. Here the decisions of the European Championship Cutting Open as well as the ERCHA Cow Horse Futurity Open class in class with the Cow Horse Derby are made. As always, a number of great show interludes will be offered.

#### Think of Christmas now!

If you want to be on the safe side with a Christmas gift for your loved ones, you've come to the right place: With a ticket for one of the AMERICANA evening shows, you won't go wrong. The advance sale starts at the beginning of November - and then you have to be fast: both evening shows on Friday and Saturday were sold out in 2019!

Those who would like to get in the mood for the No. 1 Event for all fans of Western riding should visit the homepage: www.americana.de which offers a whole set of video diaries of the last fair. Watch them and enjoy a foretaste of the upcoming AMERICANA!

### Ride of Life Classic Improves Life for Sick Kids

Clockwise from upper left: Ride of Life Classic Open Champion Sunrise Enterprise & John Slack: Limited Open Champion Mite Be the One & Robert Chown; Limited Non-Pro Champion Cheryl Chown & Jag On Doc, and Non-Pro Champion Mandy McQuay & Faithfully Don.

During the first Lazy E Reining & Ride Of Life Classic held last spring in Oklahoma, the competition was so stiff that contestants rode like their lives depended on it. Nearly half the open and limited open horses scored 220 or better, and there were two run-offs for division titles. And while the \$100,000 reinings weren't really a matter of life or death for the riders, the \$15,000 raised for the Ride Of Life Foundation is. The money supports Camp Honor for children with hemophilia, AIDS or HIV, and Camp Rainbow for kids with cancer.

The first Ride Of Life Classic for 4- and 5-year-olds attracted 133 entries, including many '95 NRHA Futurity horses. Sunrise Enterprise, ridden by John Slack, scored 226.5 to claim the open title. Robert Chown and Mite Be The One and Dutch Chapman and Docs Defender tied in the Limited Open. Mite Be The One prevailed in the run-off with a 222.5. Mandy McQuay aboard Faithfully Dun and Kim Sloan on Dusty Dry Tivio also tied in the Non Pro division with 222s. Mandy clinched it in the run-off with a 220.5. The Limited Non Pro winner was Cheryl Chown and Jag On Doc with a score of 216.5.

Although the competition was tough, the atmosphere at the Lazy E Reining was not. Trivia contests, free coffee and doughnuts, and an exhibitors' party with karoke made the event friendly and fun.

In 1997, the Lazy E Reining & Ride Of Life Classic is scheduled for April 14-20, with the promise of even more added money. Contributions and entries are what make this fundraiser a success. Please plan to attend.
