# 2021 AFFILIATE REGIONAL CHAMPIONSHIPS AND ADEQUAN® NORTH AMERICAN AFFILIATE CHAMPIONSHIPS QUALIFICATION CRITERIA ANNOUNCED

In 2020, the Adequan® North American Affiliate Championships (NAAC) held during the National Reining Horse Association (NRHA) Futurity paid out an incredible \$107,000 to more than 900 entries from all across

the country. The fantastic prizes, large purses, and prestige of being a NAAC Champion helped the event grow, and it nearly doubled in size from the previous year.

The NRHA Board of Directors has announced the qualification criteria for the 2021 Adequan® NAAC. The rules for the current year are the same as in 2020 when the pandemic forced changes to accommodate both the riders and the local affiliates and Affiliate Regional Championships (ARC). The only addition is that riders must be an affiliate member to show at an ARC.

Once again, anyone receiving a score higher than a zero at an ARC will be able to enter that class at the NAAC in Oklahoma City. There are no requirements to compete at an ARC other than the rider must be a member of an NRHA affiliate, which they are encouraged to join beforehand. The objective of the NRHA Board is to encourage people to

"Numbers at the 2020 Adequan® NAAC grew by almost

100% and the competition was tougher than ever. Although there were multiple factors that led to this, including doubling the added money, the Affiliate Committee believes that the eased qualification structure was pivotal. It not only allows more people to come to Oklahoma City, but it is also easier to understand the process if you are new to the sport," noted NRHA Affiliate Committee Staff Liaison Sara Honegger. "We want reiners to have a chance to enjoy competing at the Adequan® NAAC and don't want circumstances out of their control to impact that."

As in 2020, riders will be allowed to participate in multiple ARCs with one exception; if they win a class, they cannot compete on the same horse in the same class at another ARC.

"For example, a horse and rider that won the ARC Non Pro class at the Northwest Affiliate Regional Champion-

ships would not be allowed to compete in the ARC Non Proclass at the Southwest Affiliate Regional Championships," sponso Honegger explained. "We want to make sure that we continue to promote the affiliates and their membership, and the Affiliate Committee felt this was a good way to make sure those living in regions with more restrictions are still able to attend an ARC while also supporting an affiliate."

Honegger added, "We are extremely grateful to all the sponsors and participants who made the 2020 Adequan® NAAC such a success and hope to continue that trend into 2021."

# CRAIG NAMED PRESIDENT OF OKC CONVENTION AND VISITORS BUREAU

The National Reining
Horse Association has long
partnered with the Greater
Oklahoma City Chamber
through the production of the
NRHA Futurity and Derby
and now welcomes a new
face to the team. The Greater
Oklahoma City Chamber has
announced that Zac Craig has
been named President of the
Oklahoma City Convention
and Visitors Bureau (operated by the Greater Oklahoma
City Chamber).

"Zac Craig brings the right combination of skills to this position," explained Roy Williams, CCE, President and CEO of the Chamber. "First, he is an Oklahoma native and takes great pride in our city's growth and direction. Second, he has a track record for meeting sales and marketing goals, which is especially important as we launch a new convention center. He has an outstanding reputation among his peers and strong experience managing both people and budgets, along with facility management as well. Add to that his Omni credentials and he really is the perfect leader for this transition of growth in our visitor industry."

Craig comes to the position after more than 11 years with Omni Hotels & Resorts, where he most recently served as Area Director of Sales & Marketing based in Atlanta. During his time with Omni he supported hotels in markets including New Orleans; Atlanta; Charlotte, NC: Jacksonville, FL and Las Colinas, TX. Prior to working with Omni, he worked for Interstate Hotels & Resorts/LXR Luxury Resorts at properties in Naples, Sanibel and Captiva Islands, FL and Oklahoma City. He is a graduate of the University of Tulsa and Oklahoma State University.

"This is an opportunity that I just could not pass up," said Craig. "I have watched Oklahoma City's progression as a visitor destination throughout my career and have been so impressed with what is happening here. To be able to join this organization and lead these efforts right now as the new convention center opens is really a dream come true. I know what a great hospitality community there is in Oklahoma City and I am anxious to get into the city and get to work."

Craig replaces Mike Carrier who retired Sept. 30 of last year. He will begin his work in Oklahoma City next month.

# DUN IT FOR WHIZKEY/INFERNO SIXTY SIX HOSPITALITY PATIO PROVIDES AN OASIS TO NRBC EXHIBITORS

Known for innovation. the National Reining Breeders Classic is normally a flurry of activities with parties almost every night, a poker tournament, and so much more; however, in 2021 many of those activities won't be possible due to the

Covid-19 pandemic. Both Cardinal Ranch and Slide Or Die understand that people still need a handy place to unwind during the horse show. That's why they con-

tinue to sponsor the Dun It For Whizkey / Inferno Sixty Six Hospitality Patio, named after both showcase stallions.

The Dun It For Whizkey / Inferno Sixty Six Hospitality Patio will be conveniently located across from the concession stand during the show slated for April 18-25, 2021 at the Great Southwest Equestrian Center in Katy, Texas. It will be a comfortable refuge to enjoy food and beverages, catch up on the day's events, or unwind after a busy morning. Social distancing and masking requirements will still be in order so everyone can enjoy the Patio safely.

### **2021 AUSTRIAN REINING FUTURITY BEGINS ON AUGUST 17**

With great anticipation, but also trepidation, the reining scene looks forward to the upcoming show season. People are wondering if all shows will be able to take place, and if so, under what conditions? Last vear, host and show manager Helmut Schulz proved that it is possible to put on a great reining show even under the Coronavirus pandemic with the 2020 Austrian Reining Futurity. This year, he is once again determined to offer another top class show with the 2021 Austrian Reining Futurity with the best conditions for horse and rider. Although there are still many impon-

derables, for this, Helmut Schulz will pull out all the stops in his usual manner. For example, the final prize money has not yet been determined.

What is certain is that the Austrian Reining Futurity and NRHA Show will start one day earlier, just like last year. The reining highlight, which has been one of the top 25 reining events in the world for years, will start on August 17 with the Ancillary classes. On August 18, the first Futurity classes for 3- and 4-year-old horses will follow. The

Austrian Futurity is open to all horses and will feature four levels each in the Open and Non Pro. All classes are NRHA approved. In the Futurity classes, both 3 and 4 year old horses can be shown either double-handed in a snaffle bit or hackamore or single-handed in a bridle. For the benefit of the Austrian Reining Futurity, there will again be a stallion service auction with top-class stallions.

But not only the Futurity classes are very popular with the international reining community. Also the Ancillary classes are in high-demand,

especially the well-endowed Bronze Trophy Open and Non Pro.
