## CORINNA SCHUMACHER BECOMES NRHA MILLION DOLLAR OWNER

Corinna Schumacher, of Givrins, Switzerland, has parlayed the performance of exceptional horses based at her CS and XCS Ranches into National Reining Horse Association Million Dollar Owner status, one of only 16 owners to reach that milestone. With earnings at \$1.2 Million and counting, the ranches have become known for quality in horses and in horse care.

Although she grew up with a love and passion for horses, reining competition wasn't a given for Schumacher. As the wife of legendary Formula 1 racecar driver Michael Schumacher, her time was spent traveling around the world with him.

But, as most parents know, children can and will change the path of one's life.

When the couple's daughter, Gina, first got a Shetland pony, the groundwork was laid for a new and ultimately very successful pursuit. Corinna purchased more horses and began showing them herself in American Quarter Horse Association competition, concentrating on trail and pleasure classes. She enjoyed showing but looked at other events – and that's where her reining story began.

Eventually, Corinna would go on to earn NRHA European Affiliate titles and an NRHA Intermediate Non Pro World Championship. Corinna wasn't the only Schumacher enamored with reining, as Gina had graduated from the world of English saddles and also turned her attention to the sport. She first showed a pony in reining at the age of 9, then moved on to her mother's horses. A workable and successful pattern evolved where Corinna would ride a horse for a few seasons before passing it on to Gina.

She established CS Ranch in Givrins, Switzerland and it became the base of operations, home to about 25 reining horses and host to multiple prestigious reining events. When Corinna recognized the scope of the discipline in the United States, that led to the purchase of

460 acres in Gordonville, Texas, upon which she built a state-of-the-art facility. Named XCS Ranch and completed in 2012, it is home to an impressive show string and 130 broodmares with NRHA \$2 Million Rider Duane Latimer as the resident trainer.

Now the two ranches work together. Horses are shipped from XCS Ranch to CS Ranch each year where they are shown in Europe then sold to European clients.

It's been a successful program for both Schumacher women. In her career, Corinna won more than \$53,000. Gina, now 24 years old, holds NRHA earnings over \$716,000. She has amassed major reining championships and accolades in both Europe and the United States and was the only woman and Non Pro to qualify for the 2021 Run For The Million presented by Teton Ridge.

For Corinna, the milestone Million Dollar Owner accomplishment is not the focal point of her time involved in reining. Rather, it is the moments and memories along the way that she has shared with her daughter.

She explained, "This is something that Gina and I have done together. That has been the most important thing."

Plus, she feels that they have become part of a larger family – one that is worldwide. "For us, being involved in

reining is like being part of a family," she said. "The reiners have been so accepting that we feel welcomed and comfortable wherever we go to show."

Schumacher's top earners (at time of ownership) include:

Revolution Is Dun – \$120,294

Snip O Lution – \$107,114

Gotta Nifty Gun – \$69,906

Shine N Whiz – \$63,054

Oh Starry Nite – \$56,776

## Level 4 Open and Level 4 Non Pro to Pay 20 Places!

# SWRHA FUTURITY INCREASES ADDED MONEY FOR 2021

Held at the historic Hardy Murphy Coliseum in Ardmore, Oklahoma, the Southwest Reining Horse Association Futurity and Horse Show has a history of showcasing the finest futurity horses first. As one of the last major events prior to the National Reining Horse Association Futurity, the SWRHA's largest event has long been a final – and lucrative – test run for futurity hopefuls.

This year's event, slated for October 19 – 24, will be even more fruitful, as the SWRHA Board of Directors elected to increase the added money for some of its Futurity divisions, raising the total added money for the event upwards of \$175,000!

An exciting facet of the additional funding is that the Level 4 for both the Billingsley Ford Open and Custom Made Dunit Non Pro Futurities will now pay 20 places! Added

money has also been increased in the L3 Open (L2 and L1 added monies were increased in 2019). In the Non Pro, there are increases in the L3, L2 and L1 as well.

SWRHA Board Member Kathy McCutcheon was happy to pass on the news. "What could be more exciting than adding more money and paying out more places in our Futurity! The SWRHA board along with our Pro-Management Team can't wait to showcase another fabulous event!"

In 2020, Franco Bertolani and Gangsta Sixtysix won the Billingsley Ford Level 4 Open, worth \$17,590, while Mandy McCutcheon and Star N Diamonds took home more than \$5,700 for the Custom Made Dunit Level 4 Non Pro title.

## Bronze Trophy Intermediate Open Champion: Markus Gebert & Cash N No Chex

The NRHA Intermediate Open Trophy was claimed by Austrian Markus Gebert and Cash N No Chex (Lil Joe Cash x Spark N Pretty) who scored a 219 and are also in 9th place in the Open Go round.

Markus Gebert, for whom this is the second AMERICANA, has only had the 7-year-old mare in training for six weeks. Cash N No Chex, who is a daughter of one of Europe's most successful reining broodmares, was trained by Markus Morawitz, who was an Austrian Futurity finalist with her.

"Except for a schooling show four weeks ago, this was the first show with this mare," said Markus Gebert, who was IRHA Futurity Champion in 2013 and Austrian Futurity Co-Champion L4 and European Derby Champion L3 in 2016,

among others. "I am very happy with her. She is a thoroughly honest horse who is no different in the show arena than she is in training. She is just there and gives her best."

Reserve Champion was France's Clémence Neveux with Thomas Soutric's Frankiegoestohollywood (Hollywoodinseltown x CS Miselenium), who scored a 215.5. With this now 10-year-old gelding, Neveux was the 2019

NRHA European Level 1 Derby Champion.

Following close behind in third place (215) was Tiara van Dongen with the 12-year-old stallion Mr Gun WR San Jo (San Jo Freckles x Smokes Covergirl) owned by Marleen Suttels. A total of 28 horses were entered in this competition.

## SWRHA TO AWARD 10 SADDLES TO 2022 YEAR-END CHAMPIONS

Each year, Southwest Reining Horse Association members accumulate points by showing at SWRHA-approved events, and multiple class champions are awarded at the annual SWRHA Party of Champions. In 2022, the SWRHA Board of Directors will be upping the ante. Through a sponsorship with Bob's Custom Saddles, the awards will increase with the addition of nine more saddles to be given to select classes' year-end champions.

Kathy McCutcheon has long served as a SWRHA president, officer and board member. "The SWRHA Board of Di-

rectors is excited at to award trophy saddles to our year-end champions. We know how hard everyone works to reach that title and rewarding that dedication with a high-quality saddle seems long overdue,” she said. “This is just one more way to say thank you to all who have supported, sponsored and donated to the SWRHA. It will be an exciting race to the finish for a new saddle in 2022!”

While Prime Time Non Pro competitors already battle for a saddle, more year-end class champions will be in the running for one. In 2022, the year-end champions who may expect to receive a saddle are: Open, Intermediate Open, Non Pro, Intermediate Non Pro, Youth 13 & Under, Youth 14-18, and Rookie Levels 1, 2 and Prime Time. This will bring the total number of high-quality reining saddles being given away at the end of the 2022 show season to 10.

In order to qualify for year-end awards, participants must

have paid SWRHA memberships in good standing and compete at SWRHA-approved shows. The second slate at each approved show will count towards saddles. The 10 saddles will be awarded in January 2023 at the SWRHA Party of Champions.

The SWRHA is a non-profit organization dedicated to the promotion of the breeding, training, and exhibition of the reining horse. Founded in 1984, the Southwest Reining Horse Association has been a leader in creativity. It holds the claim for the creating of the very first stallion service auction and The Ride and Slide class. Recently, it has hosted other innovative classes like the Rookie Challenge and the Masters and Platinum Shootouts. With imaginative fundraisers like the SWRHA Boot Camp, and SWRHA Trainers Calendar, the SWRHA has grown into one of the top affiliates of the National Reining Horse Association.
