GUNNER IS AN NRHA \$10 MILLION SIRE

Passing Second Milestone In 2017

After reaching the nine-million-dollar mark earlier this year, NRHA Hall of Famer, the late Gunner (AQHA Colonels Smoking Gun, APHA Colonels Smokingun), has reached another milestone. At the 2017 National Reining Horse Association (NRHA) Futurity & Adequan® North American Affiliate Championship Show, he became NRHA's second Ten Million Dollar Sire.

Bred by Eric Storey of Henegar, Ala., Gunner (Colonelfourfreckle x Katie Gun) was a stand out in the show pen. He was the 1996 NRHA Futurity Reserve Champion, 1998 National Reining Breeders Cup Reserve Champion and 2001 USET Festival of Champions Reining Champion. During his lifetime, Gunner earned nearly \$175,000.

At the 2017 Futurity, Gunner had 12 offspring competing in the finals — seven in the Open and five in the Non Pro. Together, these horses earned more than \$175,000 and helped Gunner become a Ten Million Dollar Sire.

Gunner's highest money earning offspring include:

- Tinker With Guns (out of Tinker Nic): NRHA LTE over \$344,000;
- Gunners Tinseltown (out of Miss Tinseltown): NRHA LTE over \$305,000;
- Americasnextgunmodel (out of Cee Dun It Do It): NRHA LTE over \$289,000;
- Gunners Special Nite (out of Mifs Doll): NRHA Million Dollar Sire with NRHA LTE over \$219,000;
- Gunnatrashya (out of Natrasha): NRHA Million Dollar Sire with NRHA LTE over \$218,000.

In spite of being gone for nearly five years, the story of this incredible sire continues. Tim McQuay said, "We still miss him. Going through another futurity and watching the impact he still has on industry is bittersweet but we were lucky to have him while we did and to have his get."

Colleen McQuay noted, "It brings a lot of joy to see that not only has he produced sons and daughters that are athletes still winning in the ring but his foals are producers too, now. His sons are so special and becoming such important sires and his daughters have made incredible broodmares."

Tim added, "We still have Gunner foals that will be born this spring – and that's something to look forward to. He's living on past his lifetime and his legacy just keeps building."

NRHA HAS A NEW MILLION DOLLAR OWNER

Michael and Michelle Miola, Silver Spurs Equine Owners

Many historic milestones were crossed at the 2017 National Reining Horse Association (NRHA) Futurity & Adequan® North American Affiliate Championship Show. Adding to the list of accomplishments was Silver Spurs Equine. During the Lucas Oil Level 4 Open Futurity final, Silver Spurs Equine crossed the mark as an NRHA Million Dollar Owner.

A vast majority of Silver Spurs Equine’s success began with their vision for improving the industry. Beginning with the world famous Boomernic (Reminic x Docs Leavem Smoke), the ranch founded an elite breeding program that features some of the top stallions in the equine world. The success continued as Silver Spurs Equine bred, purchased and sent horses to top-level shows. Notable finishes include 2017 NRHA Derby Level 3 Open Champion, Ruf Lil Magnum (Magnum Chic Dream x Dunit A

Lil Ruf), and 2016 NRHA Derby Level 4 Open Reserve Co-Champion, Platinum Vintage (A Sparkling Vintage x Starjac Miss).

During the 2017 NRHA Futurity, Silver Spurs Equine had two horses competing in the Level 4 Open Finals. During the event, the ranch earned more than \$78,000 with runs made by the following horses:

SMARTPAK ANNOUNCES THE RETURN OF JANUARY AS JOINT HEALTH AWARENESS MONTH

Every horse is at risk for joint deterioration, but all too often joint health is “out of sight, out of mind.” To help spread the word on how riders can help keep their horses moving comfortably for years to come, SmartPak is bringing back Joint Health Awareness Month in January!

“As riders, we want to do everything in our power to help our horses feel their best, but over the years we’ve found that joint health isn’t top of mind for many horse owners,” said Sarah Mann, SmartPak’s Vice President of Brand and Customer Experience. “While applying liniment or lovingly wrapping your horse’s legs is a good start, supporting joint health from the inside is the smartest way to keep your horse going strong. That’s why we’re proud to partner with companies who are also committed to supporting healthy horses and happy riders, and delivering great deals on top joint supplements all month long!”

Supporting your horses’ joints is important no matter their age or workload. Nearly 60% of soundness problems in horses are related to joint deterioration. Even worse, there is no cure, and it will continue to get worse once it starts. Fortunately, you can help support your horse with a joint supplement that provides a steady supply of the ingredients he needs to cope with normal wear and tear from exercise and activity.

“We know that every horse is at risk for joint deterioration,” said Dr. Lydia Gray, SmartPak’s Staff Veterinarian/Medical Director. “Horse owners can be proactive in their horse’s joint health by providing joint supplement, many of which offer ingredients backed by clinical research.”

To celebrate Joint Health Awareness Month, SmartPak has teamed up with some of its customers’ favorite brands to offer exclusive deals on joint supplements, including Cosequin, Equithrive, Farrier’s Magic, SmartSupplements, Ramard, and Absorbine.

Start the new year off right by joining the joint movement today. Visit SmartPak.com/JointHealthAwareness to find the perfect joint support for your horse and claim your savings!

Created in 1966, the NRHA Sire & Dam program provides significant benefits to participants while helping support the NRHA. Featuring benefits for both stallion owners and mare owners, this program is the perfect addition to any breeding program. Mare owners have the opportunity to purchase breedings that they may not otherwise have access to at reduced rates.

Offspring resulting from the NRHA Sire & Dam program are automatically eligible to compete at the NRHA Futurity and NRHA Derby without having to nominate. Additionally, Sire & Dam offspring have reduced entry fees and later entry deadlines to the NRHA Futurity and NRHA Derby.

SHAWN FLARIDA HITS THE RECORD BOOKS ONCE AGAIN

After another successful year at the National Reining Horse Association (NRHA) & Adequan® North American Affiliate Championship Show, Shawn Flarida has crossed yet another milestone in the NRHA history books — becoming NRHA's first Six Million Dollar Rider.

Shawn earned his first million after a successful run at the 2003 All American Quarter Horse Congress, making his mark on the sport of reining. His successes continued as he achieved notoriety within the industry by surpassing earning records with NRHA year after year.

Flarida's quest to become NRHA's first Six Million Dollar Rider became reality during the Lucas Oil Level 4 Open Futurity Finals. With two horses in the competition, his chances of

Shawn Flarida

crossing this historic milestone were high.

Flarida's first run on Garry Ray Smith's Missin My Tinsel (Hollywoodstinstelown x Dont Miss This) scored a 220, earning him 9th place and \$22,287.89. George and Carol Bell's Mr. Masota Star (Wimpys Little Step x Cee Another Masota) was Flarida's second ride. A score of 222 ½ fell in 3rd place and earned \$73,554.10 — pushing his earnings just over \$6 million.

At just 48 years of age, Shawn Flarida has achieved many successes during his time as an NRHA rider. It is only a matter of time before the iconic green shirt hits his next record in the NRHA history books.

REINED COW HORSE MUSEUM IN THE WORKS FOR RENO LIVESTOCK EVENTS CENTER

The Pro-Rodeo Hall of Fame – Museum of the American Cowboy, American Quarter Horse Hall of Fame & Museum, and National Cowgirl Museum and Hall of Fame are just a few of the famous museums that are synonymous with the equine industry, and the reined cow horse industry is about to add its name to that list.

The Reno Snaffle Bit Futurity and the National Reined Cow Horse Foundation (NRCHF) are in negotiations with the Reno Livestock Event Center in Reno, Nev. to establish a permanent museum that will educate visitors about the reined cow horse heritage and industry, and honor the National Reined Cow Horse Association’s (NRCHA) Hall of Fame inductees.

“The National Reined Cow Horse Foundation was established to promote the reined cow horse heritage and industry, and the Reno Snaffle Bit Futurity was established to keep the tradition of the California Spanish vaqueros and the roots of the reined cow horse sport tied to the West Coast,” explained Ted Robinson, chairman of the NRCHF

and one of the founders of the Reno Snaffle Bit Futurity. “With over four decades of reined cow horse competition history in Reno, partnering with the Reno Livestock Event Center to create a permanent museum in Reno that will promote the reined cow horse industry and share its history is a perfect fit.”

Museum exhibits will feature historical photos, tack, trophies, and videos of inducted Hall of Fame horses that have proven to be extraordinary in the reined cow horse competition over the years, and inducted people who have been recognized for their years of commitment to the industry and preserving the heritage of the reined cow horse sport.

2018 Reno Snaffle Bit Futurity

The 2nd annual Reno Snaffle Bit Futurity and Reno Snaffle Bit Sale is scheduled for Sept. 10-16, 2018 at the Reno-Sparks Livestock Event Center in Reno, Nev. Updates for the 2018 show will be posted at www.renosnafflebitfuturity.com.

TOM MCCUTCHEON EARNS HIS FIRST OWNER MILLION

The 2017 National Reining Horse Association (NRHA) & Adequan® North American Affiliate Championship Show featured thrilling competition and fabulous parties. Adding to the excitement were many great achievements earned over the course of the 10-day event — including the addition of a new Million Dollar Owner to the NRHA history books, Tom McCutcheon.

McCutcheon achieved Million Dollar Rider status in 2006 and is now making his mark once again. Over the course of his career, he has owned many successful reiners, including 2017 NRHA Derby Level 4 Non Pro Champion, Hollywood Starburst, by Hollywood Dun It and out of Chic Olena Starbuck (by Smart Starbuck).

McCutcheon owned five horses that competed in the Cinch Non Pro Futurity Finals at the 2017 Futurity. Collectively, the following horses earned him more than \$78,000:

FAPPANI EARNS ANOTHER MILLION

Fappani and Futurity are two words that instantly come to mind when thinking about the reining industry. The combination of the two have always seemed to bring about great success, and this year was no different. During the 2017 National Reining Horse Association (NRHA) Futurity & Adequan® North American Affiliate Championship Show, Andrea Fappani became NRHA's second Five Million Dollar Rider.

In 2006, Fappani crossed his first Million Dollar mile-

stone. Since then, he has raced through the ranks as a top rider and has become a household name within the reining industry. At the early age of 33, he was the youngest rider to cross the \$2 million mark.

Qualifying two horses for the Lucas Oil Level 4 Open Finals, the milestone was within his grasp. First in the arena was Coughi Reining Horses USA Inc.'s, All American Vintage (A Sparkling Vintage x All Ruffed Up). The run earned

“It’s a huge milestone, I wasn’t sure I would make. I wanted to get this goal in 2017,” Fappani said. “I started at 21 in 1997 with my first paycheck from NRHA and wanted to hit the five million dollar mark in 20 years. Special Nite x Dun It For Chex) placed twentieth and earned \$10,540.92—bumping him across the coveted million dollar mark.

“For me, I have been here for 5 years, with little money on my career when I came from Italy,” Franco Bertolani said. “Until I got around \$700,000, I never thought about

it. After that, I said ‘maybe I can do it.’ and I did. It was a big goal. I thought it would take longer, but I won 850,000 in 5 years. that made this dream come true. Each year, I wanted to win the futurity, but if I got this mark, I would be very happy and that’s what happened. I know I have a lot of things left to do. I want to thank everyone that helped me get to this point.”

COMPETITION AND MEMBER SUMMIT: FACING CHALLENGES TOGETHER

Free to All US Equestrian Members Prior to 2018 Annual Meeting

New in 2018, US Equestrian will be offering an opportunity to all members to attend the free Competition and Member Summit: Facing Challenges Together, just prior to the 2018 Annual Meeting in Lexington, Ky. The Summit will be held on Tuesday, January 16, 2018 from 1 p.m. to 5 p.m. EST at the Hyatt Regency. The Summit is open to all members free of charge and does not require registration at the Annual Meeting.

Moderated by US Equestrian board member Tom O’Mara, the Summit’s goal is to encourage an open dialogue between members, affiliates, competition managers, experts, and staff regarding a variety of topics that affect the equine competition landscape.

The Summit will include a series of expert panels, each exploring a separate topic. Each panel will provide a presentation followed by discussion and Q&A with attendees.

The topics to be presented and discussed at the Summit include:

- Competition organizer challenges: to include discussion regarding insurance, calendar management, and the number of competitions per breed and discipline with panelists Randy Melcher from ESIX Entertainment & Sports Insurance Experts, competition manager Tom Struzzieri, United States Eventing Association Executive Director Rob Burk, American Saddlebred Horse Association Presi-

dent Donna Pettry-Smith, and competition manager Kim Aldrich-Farrell;

- Costs of competing and participating in equestrian sport: with panelists US Equestrian board member Elisabeth Goth, Arabian Horse Association President Nancy Harvey, US Equestrian official Cindy Mugnier, and competition manager Lynn Walsh;

- Competition standards: to include discussion surrounding updating or establishing standards, points, ratings, and licensed officials with panelists trainer Frank Madden, competition manager Pat Boyle, US Equestrian official Charlotte Skinner-Robson, competitor and trainer Jimmy Torano, and competition manager Connie Davenport;

- Prize money and bonus money: with panelists competition manager Stephanie Wheeler, President of Equestrian Sport Productions Michael Stone, and competition managers Andrew Philbrick and Bob Bell.

WHISPER BIT

It DOES look different - and it WORKS!
**You'd be surprised at the people who have a
whisper bit in their tack room or trailer. People like
TIM McQUAY * BOYD RICE * CHARMAYNE JAMES**

Don't let the name fool you - this bit speaks volumes - and horses just keep winning in the Whisper Bit! Elite riders know that the Whisper Bit communicates clearly to the horse and allows guidance and correction without intimidation. It's forgiving of a rider's mistakes - even when nerves and adrenalin can make hands move a little too fast.
