LOOKING BACK TO SEE HOW FAR IT'S COME

The National Reining Breeders Classic – Bigger and Better than Ever!

In just seventeen years, the National Reining Breeders Classic has become one of the most visible reining events in the world and the show. Since its inception in 1997, it has consistently led the reining industry with innovation that's been copied around the world.

The ideas and programs that were born at the NRBC is impressive – including the lavish decorating to present the arena as stage for reiners to play on, the ringside sponsorship program and the memorable and elaborate draw parties. And of course, the NRBC led the way in taking large numbers of entries to the finals in all divisions and paying and awarding prizes to all finalists.

Further, the primetime program was begun at the NRBC,

along with the decision to include 6-year-olds in the Derby, and the process of entering once and being in every division for which they are eligible.

Later, the NRBC was innovative in creating a program for older horses, the Classic Challenge. Although other shows had been holding “seven up” type classes, the NRBC took it a step further to create a program to increase benefits to enrolled horses.

Today, enrollment in the NRBC increases value for foals and is a must for a serious reining stallion and the most current statistics on the program show the impact that the NRBC has had on the world-wide reining industry.

2014 NRHA ADEQUAN NORTH AMERICAN AFFILIATE CHAMPIONS

The National Reining Horse Association Futurity Show is one of the landmark events in the western performance horse world but beside the 3-year-old event, another important competition takes place. The Adequan North American Affiliate Championships are held each year during the Futurity in Oklahoma City.

NRHA members and their horses qualified for the event by competing at the East Central, Mountain, Northeast, North Central, Northwest, South Central, Southeast, Southwest, Eastern Canada, Western Canada, and Mexico Regional Affiliate Finals. Each finals sends its eight highest placing riders, plus ties, to compete for North American Championships.
