# LET IT REIN - REINING BY THE BAY 2014

*Reining By The Bay held its first competition in 1999 at the Horse Park at Woodside. Since then it has evolved into the incredible event that it is today, attracting participants and spectators from all over the country, including Canada and Mexico. The beautiful surroundings The Horse Park at Woodside is situated on 272 gently rolling, oak-studded acres on the border of Menlo Park and Woodside, California and amazing climate of the San Francisco peninsula is an ideal location to hold such a prestigious event.*

## Martin Muehlstaetter wins \$5,000 Added SmartPak Level 4 Open Maturity on Wimpys Little Buddy

At the 2014 Reining By The Bay, the Woodside, California action began on Wednesday, July 24 with the Smartpak Level 4 Open Maturity. The Championship and \$3470 went to Martin Muehlstaetter for a score of 151 on Wimpys Little Buddy.

It was a repeat win for the duo, as they topped the 2011 Maturity as well. Together, they've had a winning record, including another convincing win in 2011 when they took the championship of the first NRBC Open Classic Challenge competition for horses 7-years-old and up.

And, the 10-year-old that he calls "the best-minded horse on the planet" will also be Muehlstaetter's 2014 Alltech World Equestrian Games mount. "We bought him as a 4-year old from Andrea Fappani who showed him at the NRBC, NRHA Futurity and NRHA Derby. My wife showed him for two years and did really well on him and then I started showing him as an early 6-year old, and then took him to the 2010 World Equestrian Games in Kentucky and represented Team Austria. We sold him to a client of ours who showed him very successfully for the last 2 or 3

years and we just recently bought him back a few weeks ago, and are planning on taking him to WEG in Normandy, France."

Martin and his wife Kim are big fans of Reining By The Bay. "This is one of the best if not the best horse shows. The weather is great, the people are nice, the venue is amazing the view is phenomenal, and the competition is deep. Everyone brings their best horses here."

The reserve title and \$2313 was won by new \$3 Million Rider Andrea Fappani on Custom Spook with a score of 149 on the horse owned by Rancho Oso Rio, LLC of Woodside, CA. Rounding out the top three was Tracer Gilson on Sweet N Custom owned by Joe and Karen Moran of Laguna Hills, California.

### Tish Fappani Pilots Premier Diamond to \$5,000 Added SmartPak Non Pro Level 4 Maturity Championship

Tish Fappani and her longtime partner Premier Diamond took top honors in the class of 17 exhibitors earning \$2,307.

“I’ve shown Premier Diamond through all of his Derby years, he’s a really special horse. One of Andrea’s clients bred and raised him, so he’s been with Andrea forever, and we got to buy him as a 4 year old. He got hurt as a 3 year old so he didn’t have a Futurity career. I have had a blast on him for the last four years. We’ve had offers to sell him over the years but he’s part of the family. He’s such a good gentle horse and something that both our kids can get on, lope around and change leads on,” says Tish.

How would she describe her run “Overall for the pattern I didn’t get him turned to the left as well as I should have so I know I had a penalty there, but other than that he was really good. He has actually gotten better to show, as he’s gotten older. He doesn’t try to think ahead of you. I have a blast on him.”

Tish enjoys the Maturity. “I think it’s great. We had 17 in the L4 division here at Reining By The Bay. It gives all those older horses a place to show. Like this horse he never got to show when he was younger due to injuries, he was able to get through his Derby years, he’s still fresh, and this

division gives him a place to keep going and showing.”

Reining By The Bay is one of Tish’s favorite shows “Pat Warren and the Brumley Management team work so hard on this show, and we so appreciate that. The fact that our kids can go run amok in the trees and build forts and we don’t have to worry about them makes this a special experience every year, and one that we look forward to.”

The Reserve Championship ended in a tie between Keri Blackledge of Cosa Mesa, California on Gettinaway Whizit and Bill Coburn of Sherman Oaks, California on Nics Little Bud. Their scores of 145 were good for \$1,596 each.

Coburn also won the Primetime Non Pro Maturity, earning \$2,450. Reserve honors in the Primetime went to Ann Nicklous Westlund of Canby Oregon on Getting Magnumtized for her score of 143, good for a \$1,946 paycheck.

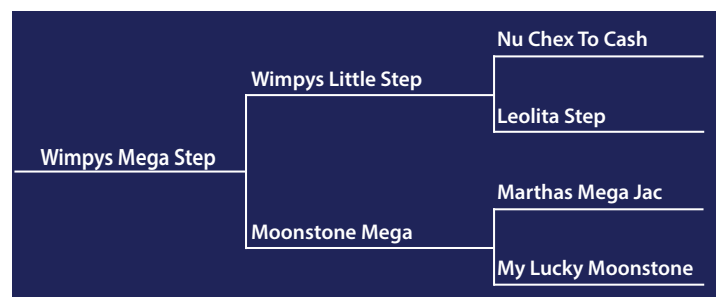

### Kelly Moran Tops the \$40,000 Added Protect The Harvest Non L4 & Level 3 Non Pro Derby on Wimpys Mega Step

Photo by KC Montgomery

Kelly Moran and Wimpys Mega Step pulled off a clean sweep of the 48-entry Protect The Harvest Non L4 & Level 3 Non Pro Derby. Their score of 219.5 garnered a total \$7,798 paycheck.

Kelly got Wimpys Mega Step about a year and a half ago from Martin Larcombe in Texas. She had a simple goal – keeping the “looky” mare busy in the pen. “My goal was to keep her going fast enough that she wouldn’t have time

Banking on the future.

to look at anything. I was a little concerned in my last stop because my reins were all tangled up so I didn't have any steering, so I kicked and she went with it."

Kelly continues, "Tracer (Gilson) has done an amazing job with her this year at the NRHA Derby and the NRBC, but this was our first time winning a L4 Derby so that was really exciting and very surreal."

Kelly has attended Reining By Bay for the last 10 years. "Reining By The Bay, High Roller Reining Classic and NRBC are my top 3 shows for the entire year. The weather is great, although a bit toasty this year, gorgeous facility, there is a great crowd that comes and it's always a really good time."

The Reserve Championship went to Cam Essick of Clements, California on Hollier Then Thou for a score of 219. She earned \$3,458.

### Muehlstaetter rides Electric Barbie to win the \$55,000 Added Level 4 and 3 Futurity

Martin Muehlstaetter returned to the winners' circle at the conclusion of the \$55,000 Added L4 and Level 3 Futurity, this time on Electric Barbie owned and bred by Marc Gordon & Kathy Gordon. He marked a 222.5, earning the Gordons \$8,868 in total prize money for winning both the Level 4 and 3 Futurities.

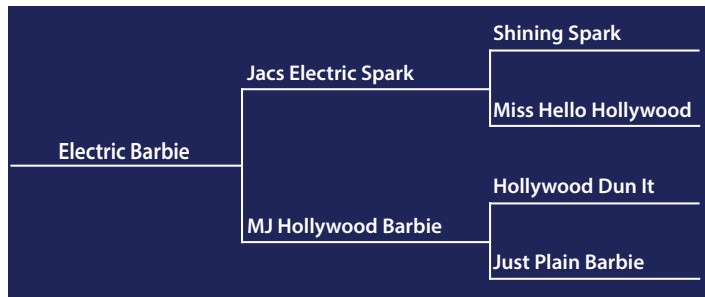

Martin noted, "Dan Huss had her in training as a 2-year-old all the way to April of this year when I got her. She has a big stop, big turn, she circles really nice, she is good-minded and really, really mature. She acts more like a 4 or 5 year old rather than a 3-year-old, and feels like she has a really big heart."

This was the first show for Martin and the big-stopping mare and he couldn't have been more pleased. "This was very first show. I took her to a show just to ride around, but this was her first time competing."

Just behind Muehlstaetter with a score of 220.5 were Tracer Gilson on Rickybacinhollywood owned by Loren

Booth of Orange Cove, California and Andrea Fappani on Designed With Shine owned by Rancho Oso Rio of Woodside, California, each earning \$3533. Tracer also claimed the Reserve in the Level 3 Futurity.

### Andrea Fappani and Mr Electric Spark win \$65,000 Added Lucas Oil L4 Open Derby Championship

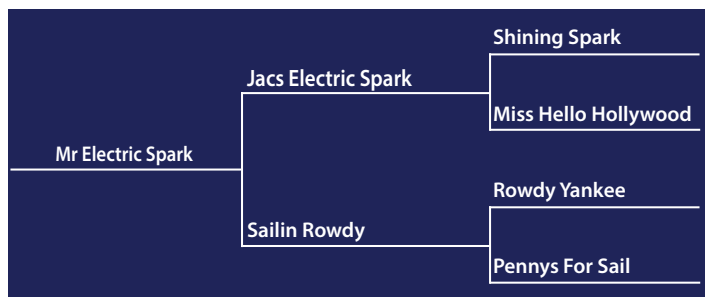

The runs were fantastic and the scores reflected the level of excellence in the Level 4 Open Derby, and the 21-entry event delivered the best of reining. But it was Andrea Fappani and Mr. Electric Spark (Jacs Electric Spark x Sailin Rowdy) owned by Reining Partners LLC who rose to the top, marking 226 to earn a check for \$10,994.

Andrea was focused on the event. "I only took one horse that I felt I had a good shot with. Mr. Electric Spark is a 5-year-old that I've only had for a couple months, but I've been involved a little bit with the training of the horse along the way, helping Tyson Randall who owns part of him, so I know the horse pretty well, but I didn't start showing him until the NRBC and then the NRHA Derby before coming to Reining By The Bay."

He continued, "I was excited about showing him. He's definitely fun to train and show. The best part of his run this time was his circles. I pushed him hard in the circles and it paid off. He was right there for me. He's the style of horse I like. He's very elegant, very collected when he lope and when goes really fast he looks like he's floating."

Andrea will soon be making his first trip to the World Equestrian Games in Normandy. "I switched my nationality with the FEI in 2010 when I first tried out for the team. I moved over here because I wanted to compete at the highest level. Four years ago when I tried I didn't make the team. I wasn't going to wait another 4 years."

Finishing as the Reserve Champ in the L4 was Randy

## Dan Huss and Tags Golden Star Claim the \$65,000 Added Lucas Oil Level 3 and Level 2 Open Derby

Dan Huss and 4-year-old Tags Golden Star (Whiz N Tag Chex-Boogies Smart Star) owned by Robert Shearer marked a 225 in the Level 3 and Level 2 Open Derby, garnering a \$13,980 paycheck for their efforts. Huss has had the gelding in his program for the last 2 years and showed him last year at Reining By The Bay in the Open Derby..

Dan noted, “His owner Bob Shearer showed him at Cactus Reining Classic this year and placed in all 4 divisions, and since he’s been so busy with his work, he hasn’t had the time to show him, in fact he was scheduled to show him

Photo by KC Montgomery

at Reining By The Bay, but he called and said he couldn’t make it, so I said I’d be more than happy to show him. That’s what we did. I had to fly to Albuquerque on Sunday night and was there through Thursday. I have to thank my wife Wendy and my assistant Daniel Schloemer for getting him ready during the week, so I could drive Friday and show him on Saturday.”

The Reserve title went to Tom Foran on Jacs Electric Velvet with a score of 224 and a \$3,385 payday for owner CJ’s Dream Performance Horses of Agua Dulce, California.

## Trading Reins Gives a Taste of Another Discipline

Photos ©Alden Corrigan

Trading Reins, sponsored by Markel, was a fun way to introduce reining to people from other disciplines. Frank Costantini, Director of Western Disciplines at Markel International, said, “As custodians of the horse industry we have a responsibility... in my mind to introduce people to horses. We felt that we should show the people at Reining By The Bay how people from other disciplines, in this case the Hunter, Jumper and Saddlebred world, what it’s like to participate in the Reining World.”

The event also gave some reiners the opportunity to ride a jumper. The lineup of riders was sterling, including Olympic and WEG Show Jumper Guy Thomas, who provided horses for the reiners to ride. Sean McBurney from Rhodes River Ranch coached the English riders.

Gabe Davide, Guy Thomas, Kris Lowenthal, Frank Constantini & Stephen Pellett

Horse show producer and co-founder Amanda Brumley had this to say about the 2014 event. “Coming into this year’s event we

were completely shocked at the huge increase in exhibitor participation, catching us a bit off guard. We had to make some adjustments to accommodate it with a facility without lights. Our exhibitors are awesome! They cruised through the last minute changes, and were really understanding.”

According to Brumley, an increased spectator turnout was another plus. “From day one, the seats were full. During the Open Derby, followed by Trading Reins, it was standing room only. Since the first Reining by the Bay in 1999, this event has come a long, long way and I am so grateful for the support we have received to get this event to what it is today.”

## REINING GETS HOT AT WACO!

The One HOT Reining debuted in 2004, and after celebrating its tenth year, it has become a must-attend for reiners across the state of Texas. The event, held at the Extraco Events Center in Waco, Texas, July 24-27, featured a Futurity, Derby, and a slate of Ancillary classes.

### Chris Dawson Claims Open Levels 4-2 on Shiney Little Queen

Chris Dawson's name has become synonymous with championships in the National Reined Cow Horse Association, but after winning the Open Level 4, as well as the championships of levels 2 and 3 at Waco, it's clear that he is a contender in reining events as well.

Marking a 147, Dawson and Shiney Little Queen finished with a 1-point advantage, collecting \$1,126 for G2 Performance Horses of Scottsdale, Arizona.

It was the 3-year-old mare's debut event, but G2 owner Grant Lindaman and Chris have teamed up successfully in the past, such as at the 2013 National Reined Cow Horse Association Derby when Chris won the Open title on Travelin Jonez, owned by Lindaman.

Finishing as the Reserve Champion in all three open levels was Jonathan Gauthier, who piloted Smart Shooting Spook to a 146. Smart Shooting Spook by Smart Spook, is owned by Rosanne Sternberg.

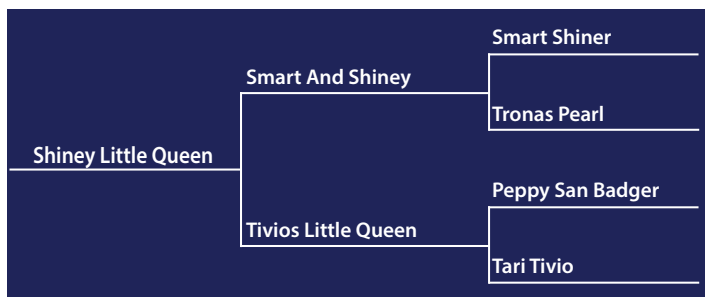

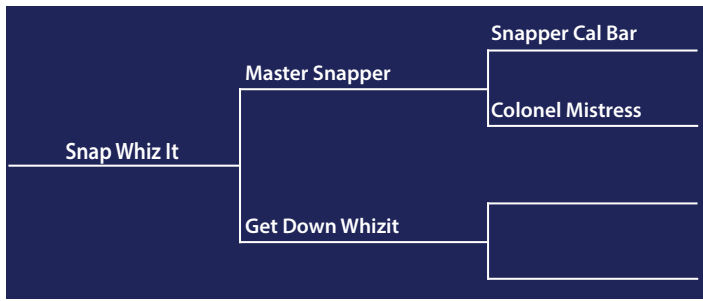

### Kary Key Wins Non Pro Levels 4-2 at One HOT Reining Futurity

Kary Key piloted Snap Whiz It to a 141.5 to win not only the Non Pro Level 4, but also levels 1 and 2. The wins netted checks totaling \$1,219. "It was a great show – it was the most fun I've had in a long time," Key, an attorney, said following the event.

She credits Snap Whiz It's mind for her success, noting "She's a really good-minded mare, and I believe that's why she's done so well at these shows. This is her second one, and she won money at her first one as well. She's a really good mare and I'm excited to see how she will progress."

Key and her mother bred and raised Snap Whiz It, by Master Snapper. "Mom is in charge of the breeding," Key explained. "She's a champion dog breeder, so it comes naturally to her and she loves it. This mare is paid up in the

NRHA Futurity, and she will be the second one we've bred and raised to compete there."

Key grew up showing all-around horses, but began focusing on reiners during the latter part of her youth career. Then, "I took a long break to go to school and then to law school so I could pay for the horses," she said with a laugh.

Currently, she rides with a couple different accomplished trainers. "Jonathan Gauthier has been helping me with

my 3-year-old, and Steffano Calcagnini helps me with my 4-year-old. Actually, that 4-year-old was second in the Derby at Waco, so it was an even better show," she said.

Key thanked Gauthier and Calcagnini for their help, and added, "My mom is really the first person I should thank. She's the one who does the breeding and takes care of things. This has all been very fun for us."

Key is currently weighing her options, trying to decide between competing at the Ariat Tulsa Reining Classic and the High Roller Reining in Las Vegas. "Part of me wants to go to Tulsa, but then I also want to go to Vegas. I have a tough choice, but I'm blessed to have good enough horses that it's a difficult decision," she said.

Finishing Reserve in the Non Pro Levels 2-4 was Austin Lee Roush, who marked a 137.5 on MJG Kalimans Gun, by Gunner. Roush collected \$839.

# ARIAT BECOMES TULSA REINING CLASSIC NOVICE DERBY SPONSOR

After years as the presenting sponsor of the Tulsa Reining Classic Ariat continues as a Gold Sponsor of the event – and the naming sponsor of the Ariat Novice Open Derby. The Derby takes place on the final day of the event, which runs from August 26-31 at Expo Square in Tulsa, Oklahoma.

Colleen McQuay, of Global Reining Sport Group, the producer of the Tulsa Reining, is glad to continue the long-term relationship with Ariat. “As a supporter and sponsor of this event from the beginning, Ariat is very much appreciated by the Global Reining Sport Group, both for its commitment in the past and for going forward.”

The Ariat Novice Horse Derby is a signature event for

the Tulsa Reining Classic that has grown each year.

**ARIAT®**

With \$10,000 added, it is run concurrently with the Cardinal Reining Horses Open Derby and is open to horses already fully entered in the Open Derby that have earned less than \$25,000 as of July 9, 2014. Loren Morris, Sponsor Coordinator for the Tulsa Reining Classic, noted. “In addition to sponsoring the Novice Derby, Ariat is also providing Drag Awards from its Denim Collection. High scores in each drag earn a gift certificate.”

“We are proud to have always been a strong supporter of the Tulsa Reining Classic and look forward to becoming the Novice Derby Sponsor,” said Tabatha Udy, western

sponsorship manager at Ariat International. "The sport of Reining has grown exponentially and we are excited to see the incredible athletes, both riders and horses, from around the world perform in Tulsa."

Ariat footwear and apparel was developed to suit the needs of world-class riders and equestrian enthusiasts alike.

Providing advanced technology to give you the ultimate in performance, Ariat products help keep riders comfortable both in the saddle and on the ground. ## SOUTHWEST REINING HORSE ASSOCIATION FUTURITY & SHOW CONTINUES PARTNERSHIP WITH BILLINGSLEY FORD

The Southwest Reining Horse Association Futurity and Show presented by Billingsley Ford will return October 21-26 to the Hardy Murphy Coliseum in Ardmore, Oklahoma. Two years ago, Billingsley Ford of Ardmore increased its long-time support of the annual show and became the presenting sponsor of the event. It's a fitting match as Billingsley supplies pickups to many of the reining industry's top trainers. The SWRHA Futurity and Show presented by Billingsley Ford will feature \$114,000 added in 2014, keeping its position as one of the reining industry's most important fall events and a great prelude to the NRHA Futurity which follows just a month later.

"We have been and continue to be proud to partner with Billingsley Ford," said SWRHA President Ann Salmon. "We want to keep doing a good job of presenting the Billingsley brand to the reining world and invite everyone to take time to look at the vehicles displayed at the event!" Billingsley Ford Truck Sales Manager Donnie Gillham, along with point man Patrick Welch have been strong supporters of the Southwest Reining Horse Association and its members. When the decision was made to focus on just one discipline several years ago, the reining industry, specifically the Southwest Reining Horse Association Futurity, was their choice and the reiners have supported Billingsley – both locally and internationally.

The partnership and focus on the reining community has created a relationship that surpasses normal bounds. For Welch, providing "beyond the call of duty" service to reiners has been a priority. "I try to take care of these folks as

though they were my own," he noted. "Sometimes that means I deliver trucks to the person's ranch." He laughed and added, "I know where they live!" He sums it up, "At Billingsley Ford, the Southwest Reining Horse Association customers get VIP treatment and they have priority with this dealership!"

The Billingsley family has been committed to delivering the highest possible level of customer service since Travis Billingsley opened his first dealership in Lufkin, Texas fifty-one years ago. Travis's sons Mike and Craig joined the company after graduating from the University of Oklahoma. With the addition of Billingsley Ford of Lawton in 1997, Billingsley Ford Lincoln Mercury of Duncan in 1999, Billingsley Hyundai in 2006 and Billingsley Lincoln Mercury at the Lawton location in 2009, the family-owned company has grown to employ over 200 persons. For information on, visit the web site at [www.BillingsleyFord.com](http://www.BillingsleyFord.com) or call Patrick Welch at 888-846-6976.

# SMARTPAK NON PRO DERBY RETURNS TO TULSA REINING CLASSIC

SmartPak returns as the presenting sponsor of the Non Pro Derby at the 2014 Tulsa Reining Classic, set for August 26-31. The event, for 4,5 and 6-year-olds, had 70 entries in 2013 and is expected to grow even larger. Last year's winner, Steven Borgia, rode Electric Starlight to the win, and collected over \$5,000!

"No doubt, through SmartPak's support, this has grown to be a prestigious event," noted Tulsa Reining Classic Sponsor Coordinator, Loren Morris. "It has become a premier title that adds real credibility to a horse's show record."

Lissa Hines, Marketing Director at SmartPak, agrees and points to the caliber of horses that compete each year. "The only thing more impressive than the Tulsa Reining Classic is the quality of horses and riders it brings in. We are proud to partner with such a great event and excited to get our brand and products in front of so many smart horse owners. We're very much looking forward to a successful 2014 show!"

With a total of \$25,000 added, the SmartPak Non Pro Derby provides a climactic end to the show, taking place on Sunday, August 31, after the Cardinal Reining Horses Open Derby. It features Non Pro Levels 4,3 and 2, as well as Prime Time Non Pro and Novice Non Pro. From the feed room to the tack room, SmartPak offers innovative solu-

tions to help riders take great care of their horses. SmartPak was founded in 1999 with the introduction of the patented SmartPak supplement feeding system.

The revolutionary, daily dose SmartPaks are custom-made for your horse, individually labeled and sealed for freshness. With the success of this simple and convenient feeding system, SmartPak has continued to expand its offering of quality products, including its own line of more than 55 supplement formulas called SmartSupplements, and a wide variety of tack, equipment, and supplies.

The company has grown rapidly each year and is now the largest retailer of equestrian products in the United States. SmartPak's success has been powered by a passion for delivering an unbeatable customer experience, and the company has been recognized with a Bizrate Circle of Excellence award as well as an "Elite" rating from STELLA Service. A nine-time Inc. 500/5000 honoree, SmartPak is the only equine company ever named to the Inc. 500 list.
