## DEE DEE BOECKMAN AND MS DREAMY WIN 2014 AQHA AMATEUR REINING WORLD CHAMPIONSHIP

Not only did Dee Dee Boeckman and Ms Dreamy win the Golden trophy for Amateur Reining at the 2014 AQHA World Show. They also set a record score for the event, posting a 222 to best the reserve champion by three points!

Boeckmann, of Kingfisher, Oklahoma, topped the 36-entry class to earn a Custom-designed gold trophy, courtesy of AQHA World Championship Show; Montana Silver-smiths trophy buckle, a specially designed logoed jacket and world champion patch, courtesy of Cripple Creek Outerwear, a WeatherBeeta free-style blanket and 100 pounds of Nutrena feed.

Ms Dreamy is a 4-year-old sorrel mare by Magnum Chic Dream out of A Gal With A Gun by Colonels Smoking Gun. She was bred by Jana Leigh Simons of Aubrey, Texas.

Dee Dee bought her in February from Shelly Ries and is more than pleased with the purchase. "She likes her job and stays happy. She's just a good-minded, athletic horse."

When asked what she feels is the best part of reining by Larry Jo Starkey of the American Quarter Horse Journal, Boeckman was quick to answer that the best part of reining is the challenge. "It can humble you so fast! But it always keeps you coming back."

The Reserve World Championship went to Samantha Roper on Tim Roper's Big Crème Chic, a sorrel gelding by Big Chex To Cash out of Cremes Chic Olena. Samantha, from Hobart, Indiana, earned the Silver trophy and honors for breeder Carolyn Kupka, of Boulder, Colorado.

Finishing third was Dana Avila of Temecula, California on her red roan mare, One Smart Pepto (One Time Pepto X Smart Little Margie) bred by Keith and Lorelei Candee, also of Temecula. Dana scored 214.5.

In the Level 2 competition, the championship went to Kyndal Lauren Creswell of Washington, Oklahoma, showing Flashy Chrome Pistol. Second Place was Kristin Darnall-Titov of Santa Ana, California, showing Jac Bee Whiz with third going to Allysn Light of Oxford, North Carolina, showing The Fresno Fox.

## APHA & NRBC ANNOUNCE NEW OPPORTUNITY GET "PAINTED" FOR THE NATIONAL REINING BREEDERS CLASSIC!

Exhibitors who have their American Paint Horse Association registration papers in order at the 2015 National Reining Breeders Classic can win custom-made Gist trophy buckles! The APHA and NRBC announced their new partnership in mid-November, and already plans are being made to help exhibitors prepare.

"We are so pleased to welcome the American Paint Horse Association to the NRBC," said NRBC Secretary-Treasurer, Cheryl Magoteaux Cody. "The highest advancing APHA-registered horse in all four divisions of both the Open and Non Pro Classic will receive buckles. Plus buckles will also go to the highest scoring APHA-registered horse in the Classic Challenge Open and Non Pro and the highest combined score in the Open, Non Pro, Rookie and Youth NRHA classes! That is a total of 14 buckles and we are thrilled at having APHA provide this additional opportunity for our exhibitors."

According to Kalyn Sanders, Director of Business Development for the American Paint Horse Association, "the APHA is very excited to partner with one of the most premier reining events available! Paints are consistently among the top performers in reining competitions, and these Paint-specific awards are a great opportunity to showcase their accomplishments while giving owners and exhibitors another reason to become part of the APHA family."

Paint entries at the NRBC are eligible for some important additional benefits, according to Sanders. "If the

exhibitor/owner still needs to register his or her horse with APHA, they can save \$15 by doing so online. We also offer an 'older horse' registration promotion of \$100 for the Regular Registry and \$50 for Solid Paint-Bred. Just visit the online registration page [HERE](#). Our friendly Member-Care team is ready to help, should you have questions or need assistance with the process, by calling 817-222-6423 Monday through Friday, 8 a.m. through 4:30 p.m. CST."

Owners who opt to submit registration paperwork by mail, should be sure to write NRBC REINING on the front of the envelope to receive complimentary rush processing – a \$100 value!

In addition to these awards, the American Paint Horse Association has designated the National Reining Breeders Classic as one of the approved shows for 2015 APHA World Show qualification.

For information on the American Paint Horse Association, visit [www.apha.com/reining](http://www.apha.com/reining). For information on the National Reining Breeders Classic go to [www.nrbc.com](http://www.nrbc.com).

# REIN IN CANCER IS HERE TO HELP!

*If you're in the horse industry and undergoing cancer treatment, you likely have a different set of needs than most. Even as your life is changing, there is still hay to buy and horses to be shod!*

**We can help. Visit [www.reinincancer.com](http://www.reinincancer.com), fill out a simple application and we can send a check - often the next day after receiving your completed application.**

**Rein in Cancer was established in 2008 and by 2011 had raised the funding to create the Shirley Bowman Nutrition Center and the Charles & Peggy Stephenson Cancer Center in Oklahoma City - where people get free nutrition counseling while undergoing cancer treatment.**

**In the last three years our mission has been to provide direct payment to members of the horse industry with cancer.**

# NRHA EXPANDS MEDICATIONS TESTING FOR 2015

Courtesy NRHA Media Office

The National Reining Horse Association Board of Directors voted on November 3, during meetings in Oklahoma City, to maintain its Animal Welfare and Medications Policy for NRHA events held in locations outside of Europe.

Medication testing will continue in 2015 at NRHA events held in locations outside of Europe. The association's Animal Welfare and Medications Policy, enacted in 2011, is a two-part program which also includes a protocol for events held in Europe and one for events held anywhere else.

Per the desire of the European membership and the European Affiliate Council, a specific European policy that provided for testing and disciplinary penalties was implemented on January 1, 2013. Simultaneously, the original policy outlined a multi-year plan for events held outside of Europe.

The first three years consisted of research testing at selected events, plus discussion and evaluation of disciplinary procedures and penalty structures. The research phase included four major events in the US and one in Europe.

During the research phase, 50 horses were tested with only two samples testing positive for a forbidden substance. Since 2013 when the disciplinary phase began in Europe, 148 samples have been tested with zero samples testing positive for a forbidden substance.

The time-line for the fourth year (2015) stated that testing will be implemented and disciplinary procedures enforced. For NRHA events held in locations outside of Europe, the following events are subject to testing: AA events (\$100,000 or more in added money for the entire event), Category 2 and 6 (aged event) classes. With the vote to maintain the Animal Welfare and Medications Policy, testing is now slated to begin in May 2015. The policy, as approved in 2011, can be found in the Members Only section of [www.nrha.com](http://www.nrha.com).

"Over the past year, I have talked to a lot of members about this subject. There have been some passionate discussions, but throughout, it was very clear that, despite differences in opinion on specific aspects, everyone held the welfare of the horse in the forefront," said Rick Clark, previous chair of the Medications Task Force and NRHA Vice President.

"The intent of the NRHA Animal Welfare and Medications program is to enact a process that carefully considers all aspects of the issue, its impact on our horses and its impact on our industry. A task force has been created to evaluate it and to bring any suggested changes to the board next year," said Beth Himes, NRHA President.

## REIN IN CANCER PARTNERS WITH PINTO HORSE ASSOCIATION

Officials of the Pinto Horse Association of America announced a new partnership with Rein in Cancer in mid-October.

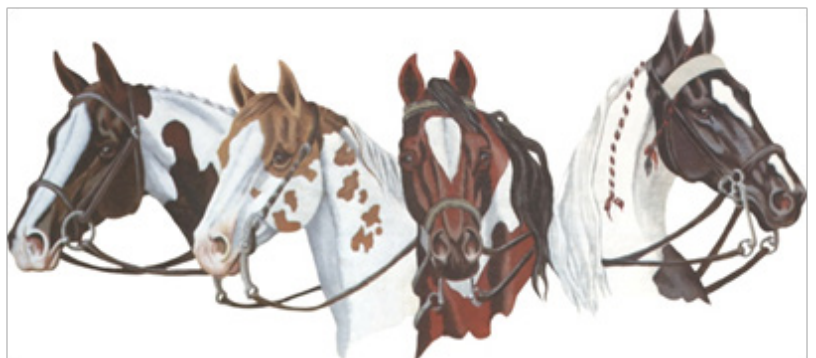

The partnership features Rein in Cancer promotions at both the Pinto Horse World Championship Show and the Color Breed Congress. Association members who are cancer patients will be eligible for cash payments while undergoing treatment.

"We are thrilled to partner with the Pinto Horse Association," said Rein In Cancer President, Cheryl Magoteaux Cody. "This association has always represented an innovative and diverse mindset and we are looking forward to the opportunity for growing with them!"

"The dedication Rein In Cancer shows is unbelievable," said Darrell Bilke, COO and VP

of Pinto Horse of Association of America. "The Pinto Horse Association of America is excited to partner with Rein in Cancer to help spread awareness."

Rein in Cancer is a 501(C)3 Corporation that was begun in 2008. Four years later, after raising funding to create the

Shirley Bowman Nutrition Center at the Charles and Peggy Stephenson Cancer Center in Oklahoma City, it began providing direct financial assistance to cancer patients who are part of the horse community.

The response and the need were overwhelming. In just the first year, Rein In Cancer made payments to patients in 32 states and Canada. All recipients were members of the American Quarter Horse Association, the National Reining Horse Association, the National Reined Cow Horse Association or the National Cutting Horse Association. Now

members of the Pinto Horse Association of America will also be eligible for assistance.

Funds have been raised 100% through activities supported or hosted by equine industry events. Included in the long list of horse-related activities hosting Rein In Cancer fund-raising activities are Remington Park, the National Reining Horse Association Futurity, All American Quarter Horse Congress, the National Reining Breeders Classic, the March to the Arch, Arizona Sun Circuit and the American Quarter Horse Association World Championship Show.

Added to that list are countless cuttings, ropings, barrel races, and other horse shows from a variety of disciplines. Cody noted, "Rein In Cancer continues to raise funds for patient assistance. The need is real – especially for people going through treatment who still have to buy horse feed!"

Incorporated in 1956, the Pinto Horse Association of America was formed to encourage the promotion of quality horses, ponies and miniatures with color and to establish a registry for maintaining their show records and pedi-

grees. Currently, the association serves approximately 12,000 members and boasts more than 147,000 registered Pintos. To learn more about the Association visit [www.pinto.org](http://www.pinto.org) or call the PtHA headquarters (405) 491-0111.

With over \$1 million raised, Rein in Cancer founders Shorty Koger, Cheryl Magoteaux Cody, and Tracie Anderson credit the generosity of the horse world, through bequests, memorials, promotions and gifts.
