MARTIN LARCOMBE WINS SECOND CONSECUTIVE SOUTHWEST REINING HORSE ASSOCIATION JOHN DEERE OPEN FUTURITY

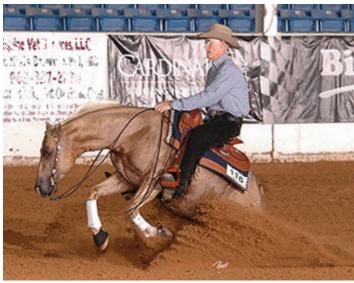

Martin Larcombe drew up early in the Southwest Reining Horse Association John Deere Futurity Open Finals on October 25. He was the third out and when his run was completed, a new standard had been set in the Hardy Murphy Arena in Ardmore, Oklahoma. When the waiting ended, his smoking 224.5 score on Snip O Lution (Einsteins Revolution X Snip O Chex) held up through all the rest of the challengers and he won his second consecutive John Deere Open Futurity Championship.

About a year ago, Martin purchased the big-stopping palomino from Mitzi Kingman Martin for XCS Ranch in Gordonville, Texas, where he is resident trainer. He's ridden him since, and showed him, in his words, "pretty easy a couple of times" before going to the Heritage Futurity in early October, where he edged into the top ten. By time for the Ardmore event he felt the stallion was ready.

He scored 220 in the preliminary round, tying for the second high score with Craig Schmersal on FS Taris Walla Whiz (Walla Walla Whiz X Taris Little Vintage) owned by Tim Anderson of Millbank, South Dakota and Jordan Larson on Electric Cha Ching (Jacs Electric Spark X Kipper Lady Nic) owned by Heritage Farms of Ogden, Utah. They were all a half point behind preliminary winner Casey Deary on Arc Gunna Sparkya (Gunna Trash Ya X Sailing Spark) owned by Rabboni Reining Horses of Gainesville, Texas.

It took a score of 216 to make it to the Level 4 Open

Finals and 24 horses vied for the championship on Saturday night.

Like last year, Martin won the John Deere Gator, sponsored by John Deere and Pettit Machinery. He also won the trophy saddle from Scottsdale Western World and a check for \$15,651!

The SWRHA gives a custom golf cart to the owner of the sire of the futurity champion that has participated in the annual SWRHA Stallion Auction and that went to Snip O Lution's sire, Einsteins Revolution.

Auction and that went to Snip O Lution's sire, Einsteins Revolution.

Reserve honors were earned by NRHA \$2 Million Rider Tim McQuay on Pinstripe Benz (Smart Starbuck X Dun It For Chex) owned by Benzco International of Tioga, Texas. McQuay scored 221.5 to earn \$9,527 and a pair of Anderson Bean boots.

In the Level 3 Open, Brian Bell topped the field of 24 finalists on Ruffolution (Einsteins

Revolution X Ruffle Me Up) owned by Doug Van Rees of Canfield, Ohio with a score of 220. That garnered \$7,821 and a custom saddle sponsored by the Southwest Reining Horse Association.

Brian only had the gelding about three weeks and was just getting with him and honing his lightning-fast turnarounds. "Ruben Vandorp trained him and my longtime friend Doug Van Ries owns him. I rode his mother, as well."

Ruffolution earned his sire, Einsteins Revolution, a buckle for the Level 3 win.

There was a tie for the Reserve title in the Level 3 between Ryan Rushing and Liam McNeil, both scoring 219.5 and earning \$4,167.

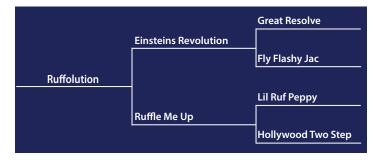

They also tied for the Level 2 championship - Ryan on Lil Gaga Gun owned by Paul and Pam Rohus of Royse City, Texas and Liam on Tinseltown Tuffy, owned by Werner Hermus of Valley View, Texas. That was good for another \$2,421 each.

Ryan got Lil Gaga Gun (Colonels Lil Gun X Hollywood Baby Dunit) after the Derby. Jason Vanlandingham had been training him and he suggested to the owners that she go to someone eligible for the level 2 and 3.

It was the first time for the mare ever to be shown. "She acted like an old horse; she's very good minded and she just got better," said Rushing. Next on the agenda for the good mare is a trip to the American Paint Horse Association World Championship Show and then the National Reining Horse Association Futurity in Oklahoma City.

Liam started Tinseltown Tuffy (Hollywoodstinseltown X CT Ruffian) as a 2-year-old. He showed him to some success at the Tulsa Reining Classic in August, then brought the big stopping stallion to Ardmore. Next on tap is the NRHA Futurity in Oklahoma City.

Liam also won the Level 1 Championship, earning \$513 and claiming the Level 1 sire buckle for Hollywoodstinseltown owners, Dave and Bonnie Silva.

The Einsteins Revolution Open Mare Bonus of \$1000 went to Lil Miss Einshine (Einsteins Revolution X Miss Rey O Shine) ridden by Carol Metcalf and owned by Jill Martin of Houston, Texas.

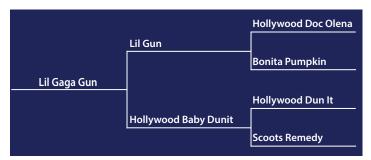

Participating in the Southwest Reining Horse Association stallion auction makes a stallion owner eligible for a special drawing held each year for a custom SWRHA Golf Cart. This year the winner of the stallion Auction golf cart was Shine Big Time owned by Hilldale Farm of Brashear, Texas.

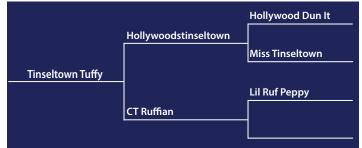

Liam McNeil & Tinseltown Tuffy

At the conclusion of the John Deere Open Futurity Preliminaries, it took a 216.5 to qualify for the Level 4 Open Finals.

In the Level 3 Open, Duane Latimer posted a 219 on Reyning Legend (Custom Legend X Plum Reyning) owned by Robert Stinner of Aubrey, Texas to top the field. Right behind were Brian Bell on The Whizolution (Einsteins Revolution X Whizinci) owned by Tremblay Reining Horses LLC of Ardmore, Okahoma and Casey Hinton on Gun Whiz It (Colonels Smok-

ing Gun X Roll Whiz It), owned by Stephanie Diane Nelson of Fort Worth, Texas. It took a score of 213.5 to make the Level 3 Finals.

Patti Brownshadel of Hempstead, Texas, leads the Level 2 Open with a score of 217.5 on Magnetised (Im The Chic Magnet X Gee Golly Whiz). There was a three-way tie for second in the round between Arnaud Ferret on Bossy Bueno Bob (Cromed OUt Mercedes X Bueno Bobs Bossy) owned by John Adams of Overbrook, Oklahoma, Trey Pool on Electric Mercedes (Jacs Electric Spark X Best By Benz) owned by CDJ Perofrmances Horses of Sperry, Oklahoma and Sebastian Petrol on Magnums Shining Rey (Magnum Chic Dream X Shiners Miss Rey) owned by Larry and Kathy Barker of Whitesboro, Texas. Champion Mandy McCutcheon. Mandy topped the Level 4 category on Vintage Chrome (A Sparkling Vintage X Smart Custom Chrome) with a score of 219.5 to win \$5,321. Mandy and her husband, Tom, purchased the mare in March, from Harper and Petra Conner,

"A friend of mine was coming to look at her and when she decided not to buy her, I thought we should."

The decision was proven sound early on, when Mandy won the North Central Reining Horse Association Futurity on her. "I haven't shown her again until now," said Mandy.

Mandy gave credit to trainer Debbie Arballo for "doing most of the work on the mare" and said that Tom helps out occasionally, too. Referring to the mare, Mandy said "She's so solid and physical - really gritty."

Mandy also tied to win the Reserve title - with herself! She rode MJG Colonel Dry (Gunner X Hollywood Dry) and Shootin Forthe Stars (Gunner X Dun It On A Star) to scores of 219 to earn \$2,834 each. Both horses are owned by her parents' McQuay Stables of Tioga, Texas.

The Level 3 and Level 2 Non Pro titles ended in a tie between Flis Sassella of Marietta, Oklahoma and Ryan Birkenfeld of Nazareth, Texas. Each scored 217.5 and each earned \$1,739 for the Level 3 and \$981 for the Level 2.

Flis was riding Chic Magnito (Magnum Chic Dream X Tivito Norma) owned by her husband, Richard. The Sassellas raised her dam and she has produced seven NRHA money earners, four of which Flis has gotten to ride.

She earned money at the Tulsa Reining Classic, then swept all the divisions of the recent Warmup Futurity in Waco, Texas. "He's super-easy to show," she said. "I know I can go in there and trust him."

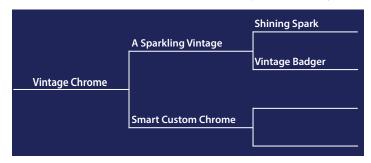

Ryan Birkenfeld was riding Cant Spook Me (Spooks

Fliss Sassella & Chic Magnito

Gotta Gun X Te On The Trashy Side). A recent graduate of Texas A & M University, 22-year-old Ryan has been riding reiners about 10 years but this is his first reining futurity horse - and his first major win.

It was also his first time to attend the Southwest Reining Horse Association Futurity in Ardmore, Oklahoma. Ryan added to his laurels by winning the Level 1 Division, with Theresa Putman riding HA Casper (Lena Spark X DA Nic A Tune) to the Reserve title.

Flis also won the Prime Time with John Dergo of Whitesboro, Texas picking up the Prime Time Reserve Title on Shining Chic Dream (Magnum Chic Dream X Shining Moonstone).

The funds for much of the Southwest Reining Horse

Ryan Berkenfield & Cant Spook Me

Association Futurity added money come from the annual Stallion Auction. Participating – and with a breeding to their stallion selling in the auction – makes stallion owners

eligible for special sire awards.

A custom SWRHA Association Golf Cart goes to the Sire of the Level 4 Non Pro champion if that stallion was part of the auction with a sold breeding and this year – the winner of the Golf cart was A Sparkling Vintage, Sire of the Level 4 Non Pro Champion Vintage Chrome, owned by Harper and Petra Conner.

Buckles go to participating sires in the Level 3, 2 and 1 Non Pro and this year Magnum Chic Dream swept the field to collect all three for proud owners Jack and Viola Scott.

AQHA'S STATEMENT ON NCAA WOMEN'S EQUESTRIAN SPORT

Provided by AQHA - Amarillo, Texas, October 15, 2014

The American Quarter Horse Association and its alliance and industry partners are aware of and are watching closely the developments regarding the National Collegiate Athletics Association's Committee on Women's Athletics recommendation to remove equestrian from the list of emerging sports, as well as Kansas State University Athletics' decision this week to drop its sponsorship of equestrian.

Originally when the NCAA developed the emergingsports model, there was a 10-year window for a sport to reach championship status. Equestrian, which was formally recognized as an emerging sport in 2002, had seen enough growth in school numbers within that 10-year window, that NCAA granted extensions even though a 40-school minimum had not been obtained.

Earlier this summer, the CWA requested a strategic plan from the National Collegiate Equestrian Association on how equestrian planned on seeing growth in sponsoring schools.

The equestrian strategic plan was built and provided to the CWA for review at its September meeting. Following this meeting, with no further discussion of the strategic plan, the CWA provided a letter to the NCEA on September 30, 2014, informing of their committees' vote to recommend removal of equestrian from the emerging-sport list. On October 13, K-State Athletics announced it was dropping its sponsorship of equestrian, effective at the conclusion of the 2015-16 season, a decision that was made before the CWA recommendation had been fully reviewed and approved by the various NCAA governance bodies.

Our current understanding of the timeline within NCAA for the review of the CWA recommendations is as follows:

October 20 – NCAA Legislative Council

October 22 – NCAA Leadership Council

October 29 – NCAA Executive Committee

October 30 – NCAA Board of Directors

We are continuing to solicit information regarding the actual timeline. Everything is evolving, and as information comes, we will keep the industry informed at www.aqha. com/ncea.

Since the CWA recommendation was announced, multiple conversations among equestrian coaches, administrators and athletic directors have occurred. There have also been conversations between the American Quarter Horse Association, United States Equestrian Federation, Na-

tional Reining Horse Association, American Paint Horse Association, United States Hunter Jumper Association and

National Collegiate Equestrian Association, which all regret the timing of K-State Athletics' decision in advance of the formal NCAA review of the CWA recommendation.

This recommendation by the CWA will have implications both immediately and in the future. The first to feel the impact will be the approximately 1,000 student-athletes who currently compete in NCEA. These young women have invested inestimable amounts of time and money into training for their collegiate careers and now this could be taken away.

The effect will be felt by thousands of young female potential student-athletes currently participating in the industry who have concentrated so much of their training and based their academic and competitive decisions on the hope that one day they too may compete at the highest level for their favorite university. All of that could be taken away based on the recommendation of one committee.

The colleges and universities that sponsor collegiate equestrian have invested millions of dollars in all areas of their programs to provide their student-athletes with an atmosphere where they can be academically and athletically successful.

Each of these implications is detrimental when taken individually, but collectively they become even more unfortunate for the horse industry as a whole.

"The NCAA is charged with governing collegiate athletics and no doubt the CWA members acted in accordance with established guidelines. While we cannot fault the CWA for following protocol, we can indeed send a message to the NCAA that the sport of equestrian is united and we intend to take whatever steps are necessary to prove the worth of equestrian as a viable sports opportunities option for young women," said AQHA Executive Vice President Don Treadway Jr.

The industry coalition is aware that many individuals are interested in this development and appreciates your concern. Please stay tuned for further updates and any possible calls to action that may be needed to support this cause.
